Message From Our Principal

September 23, 2010

Dear Parents:

We are a month into school and I am so happy with the progress we are already making at Fruitdale Elementary. We are certainly on our way to becoming an outstanding school this year. Our teachers are ready and very willing, our classified staff is prepared and our students are thinking about what it means to be successful in school.

Thanks to all of you who attended our Back to School Night. I hope it gave you an opportunity to see some of the work your student has been doing and also gave you an opportunity to briefly meet with your student's teacher. I can't emphasize enough how important it is for you to be involved with the education of your child. Your support at home with homework and reading, as well as your willingness to volunteer, serve on committees, etc. are important and very much needed.

Please know I am here to serve. My door is always open and I hope we can develop a relationship that is open, honest, and good for kids. You may reach me at any time by calling the school (541) 476-2276, or by dropping in and setting up an appointment.

Thank you so much for all you do in behalf of our Fruitdale Community.

Sincerely,

Kelly Christensen (Principal)
