VOLUME LXII

FOR ACTION

SUBJECT: West Michigan Health Insurance Pool Resolution (WMHIP)

Background and Findings:

The resolution describes the cooperative efforts of public entities in the West Michigan region to establish WMHIP for the self-funded and pooled provisions of hospital, medical, surgical, dental, and vision benefits, and the separate obtaining of life and disability insurance coverage, for employees and their dependents. By this resolution, the Public Entity authorizes membership of the public Entity in WMHIP for a minimum period of three years. The resolution has been shared with board members. It is required that the Board approves the resolution.

Recommendation:

It is recommended that the Board approve the Western Michigan Health Insurance Pool for Belding Area Schools employees.
