Subject: Scoreboard

Good Morning Kyle,

I have been speaking to Heather from Nevco, see below, and have attached a quote for a scoreboard for the Pana Softball program. There is a proof of what it will look similar to as well. Can the school help facilitate the purchase of the scoreboard? Can Peoples Bank & Trust donate the funds to the school to purchase the scoreboard and then the school purchase it? Like I said when speaking to you, I was unsure of the best way to go about it and it doesn't cover the cost for install. Would we need to find someone to do that? Or is there someone that can take care of that from the school? Whatever you need from me, just let me know. Thank you for your help.

Hi Jennifer,

My marketing team put together 3 options for them. Let me know which they like and we will need a signature on that proof when placing the order.

Thanks,

Heather
