## CURRICULUM & INSTRUCTION

The last day of the school year will be Friday, June th. BPS Leadership Week will begin on Monday, June 9th. Building-level Leadership Teams will meet to plan and prepare their master schedules, instructional blocks, specialist rotations, and refine their building MTSS to improve instruction for the 24-25 school year. 70 participants in the LL-12th grade will participate in the planning week. School teams have developed their building plan and submitted them to the DLT Shared Drive.
