## 2020-2021 SCHOOL YEAR BEGINS

On March 12, 2020 we had the last day of school - at school- before the Covid-19 shut-down. On August 27, 2020 (168 days later) we started the school year. Because of Covid, we are starting the year off at Condition Yellow (moderate risk). Our risk is such because of our proximity to Fairbanks, which is at Condition Red (high risk). Utqiagvik is also at Condition Red.

Despite these concerns, everyone is excited about the new year. Pre-K 4, Pre-K 3, Kindergarten, 11th & 12th grades attend Mondays, Tuesdays, Thursdays, and Fridays. All other students are divided into Group A and Group B to keep classes below 10. On Wednesdays, teachers meet with parents to review homework and other questions.

We are looking forward to a great year.
