Re: Authorize the filing and payment of FCC Form 471 E-Rate funding for 2017-18

The E-Rate application for 2017-18 school year is now complete. Applying for this funding opportunity will help supplement our Technology Bond implementation plan already in place. For the next school year, we would like to apply for the following E-Rate funds at 40% discount:

Services	Funding source	Pre-Discount	E-Rate Discount at 40%	CISD Share
Broadband and Internet services, 10 Gbps	Technology's Operating Fund budget	\$117,000.00	\$46,800.00	\$70,200.00
Wireless upgrade for Wilson and Cottonwood Creek Elementary schools	Bond Funds	\$119,568.00	\$47,827.20	\$71,740.80
		\$236,568.00	\$94,627.20	\$141,940.80

CISD Grand Total \$141,940.80

Recommendation: That the Coppell ISD Board of Trustees authorize the filing and payment of FCC Form 471 E-Rate application funding for 2017-18 and notarize the E-Rate Board Resolution.
