RE: 2023-24 Budget - Draft #2

Enclosed please find Draft #2 of the 2023-2024 Budget that includes the changes since the previous version that was discussed at the last Finance Committee Meeting. The changes are shown in a larger font size and in **BOLD**.

The Education Fund receipts increased by \$22,800. This was due to an increase in Evidenced Based Funding, IDEA ARP grant and IDEA Preschool ARP grant of \$200, \$20,500 and \$2,100, respectively as we received our final allocation figures from ISBE. The Education Fund expenditures increased by \$157,700. This was due to an increase in net updated salary and benefit information for the most recent hires of \$114,700; an increase in a contracted Health Clerk of \$38,000 to cover for an FMLA leave for one of our nurses and an increase in Regular Education supplies of \$5,000 for the previous year's science adoption. As a result, the change in the Education Fund 6-30-24 fund balance is a decrease of \$134,900.

The Operations and Maintenance Fund receipts did not change. The Operations and Maintenance Fund expenditures increased by \$2,500. This was due to a \$2,500 increase in site improvements by receiving an updated quote from a contractor. As a result, the change in the Operations and Maintenance Fund 6-30-24 fund balance is a decrease of \$2,500.

There were no other changes, therefore, the cumulative effect of the above change to the total budgeted Ending Fund Balance at 6-30-24 across all funds is a decrease of \$137,400.

The Board has scheduled the second review of the budget at Monday's Board meeting. The amounts remain tentative proposed until the final resolution is reviewed and passed in September. We do expect some additional changes. The legal budget form will be on display from August 18th until September 18th. If you have any questions, please do not hesitate to call me.

Enclosures
