DISCUSSION ITEM: Discussion of Phase I Project Cost Breakdown

DISCUSSION: In January 2023, the Collin College Board of Trustees moved the Master and Strategic Planning Cycle from a five-year period to a seven-year period, with the revised plan to take place from September 1, 2023 through August 31, 2030. The planning team engaged IN2 Architecture to conduct various master planning studies for the College, while seeking input from internal and external stakeholders to develop a key list of priorities related to facilities and programs for Board consideration.

Accordingly, the revised Master and Strategic Plan was adopted by the Board of Trustees in August 2023. The planning team prioritized projects related to programs and facilities through a detailed planning rubric, incorporating the College's guiding principles, stakeholder input, market demand, sustainability, and other data-driven components. In October 2023, a comprehensive list of proposed projects under the Master and Strategic Plan was presented to the Board of Trustees through three planning phases.

The Phase I project cost breakdown will be presented and discussed.
