### **Hillsboro High School Focus Areas**

Hillsboro High School is continuing our campus focus on two specific areas this 2017 - 2018 school year. The first area is in relation to HISD's Belief to incorporate the 4 C's on daily basis in all of our classrooms. The 4 C's are Critical Thinker, Collaborator, Communicator, and Creator / Innovator.

We also are showcasing our Hillsboro High School 2017 – 2018 Theme 'Building Relationships - 360' throughout our campus. The administrators and staff at HHS strongly believe that by building relationships with all those involved in the educational process including but not limited to – administrators, teachers, staff, students, parents, and community members – positive things will continue to allow for success at HHS. Specifically, 'Building Relationships – 360' will improve a variety of key focus areas. Those focus areas will be Student Grades, Student Discipline, Student Attendance, Student Achievement, and Student Involvement in Extra Curricular Activities.

Both of these focus areas will be highlighted throughout our campus during the school year.

## Senior Class Officers

It is also that time of year at Hillsboro High School when students are running for official Class Officer positions. This is always an exciting time of year as students campaign for their classmates votes. The various posters and campaign slogans across campus bring back high school memories for a lot of us administrators and teachers. Below are a few samples of our students campaign posters.
