

5220 STUDENT DRESS AND GROOMING STANDARDS *Draft

Revised: Jan 2023

I. PURPOSE & PHILOSOPHY

Weber District is committed to providing a safe, orderly, and positive environment conducive to teaching and learning. The Board recognizes that dress and grooming affect students' behavior and that there are sanitation and safety factors directly related to proper dress and grooming. The Board seeks to emphasize the importance of school, parent, and student collaboration in encouraging students to come to school dressed appropriately for school work. The District believes that the student and their parent/guardian hold the primary responsibility in determining the students' personal apparel (including clothing, jewelry, bags, accessories, etc.) Schools are responsible for ensuring that student attire, jewelry, and personal items do not interfere with the health or safety of any student and do not contribute to a hostile, disruptive, or intimidating environment for any student or staff.

II. POLICY

It is the policy of Weber School District to ensure students' dress and grooming at school comply with the standards outlined below. Violations of the policy will result in corrective action that will not exclude students from school and do not shame a student. While parents are primarily responsible for determining what is appropriate apparel for school, schools have the authority to address and correct violations of this policy where the violation contributes to a health or safety risk, or to a hostile, disruptive, or intimidating environment for other students or staff.
