**From:** Matt Holtry, Principal  
**CC:** R. Sauer, Superintendent  
**Date:** 2/6/2019  
**Re:** High School Principal Report February 2019

---

Homedale Board of Trustees,

Greetings from HHS! This semester we as a staff have committed to doing everything we can to help our students do great things on the spring assessments. Those assessments include the ACT, SAT, MAP and ISAT. As a staff we review the results of each of these assessments on a yearly basis. The information gathered from these assessments helps guide our instruction and set our lessons to best meet the needs of our students. This semester specifically we are utilizing Khan academy in our advisory periods as well as in our classrooms as a study tool and instructional tool to help students fill in the blanks or to help them build on prior knowledge in hopes to knock these assessments out of the park this coming semester. As we continue to work with PBIS in our school, our English department has taken on the theme of the month for February. Going along with the Valentines theme this month it will be "Fall in Love with a book" as we encourage students to spend more time reading and engaging in educational texts. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams. Thank you for your continued support of Homedale High School!
