

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomingdale, Illinois
Regular Meeting October 28, 2024**

FOR ACTION

Subject: Approval of Snow Removal Services

The District has worked with TNT Landscape Construction Company for the past several years in the provision of snow removal services. The last contract charged \$795.00 per snow event for all three buildings. Last year, the company did not meet the expectations of the District and Mr. Rosales solicited firms to submit quotes for service.

Three companies submitted quotes for consideration. Romo Professional Services submitted the highest quotation. Midland Snow Management submitted the lowest quotation, but indicated that they subcontract the work to local companies. This creates a potential communication issue when snow removal services are needed. ALM Group Landscaping submitted a quote that is \$50 more than Midland, are a local company that uses their own employees for this work and will hire more people depending on the snow season the area experiences.

With those factors considered, the Administration is recommending the approval of ALM Group Landscaping to provide snow removal services for the District in 2024-2025.

Recommendation: The Board approve the 2024-2025 contract with ALM Group Landscaping for the provision of snow removal services, as presented.
