School Board Report July 17, 2013

- 1.. Summer School Summary reported by Mrs. Munoz.
 - Summer School occurred from June 3rd-June 27th for students in Grades Kinder thru 12th.
 - On average about 141 students attended this summer and the majority of them were provided free breakfast and lunch by our cafeteria staff. Parent involvement was encouraged and welcomed.
 - For Grades Kinder—4th - Teachers provided assistance in areas of need for Reading and Math.
 - For Grades 5th-12th— Teachers provided accelerated instruction in Reading and Math in order to ensure success and mastery on the STAAR.
 - Office summer school staff took pride in emphasizing and ensuring that all our students attended summer school. Students and parents were contacted if they were not present and students were required to submit notes when they were absent.
 - Few attendance issues and no discipline referrals were issued during summer school.
 - Mrs. Munoz presented the summer school article and picture to the Ozona Stockman in regards to our Summer School ESL Program.
 - Mrs. Parker, our counselor, coordinated the summer school third administration and administered the last assessment on June 28th.

- 2.. Interviewing and seeking the best candidate for the PEIMS \Attendance Clerk position. The interviewing committee was diligent, extensive, and fair during the two day process. In addition to selecting a candidate for the position, there is a pool of candidates with excellent qualities available to our school if there is ever a need in the future. A special thanks to Patty Villarreal, our secretary, for taking the time to participate in the interviewing process during summer.

3. Electronic STAAR results from the third Reading and Math summer administrations were available for viewing on July 10th.
 - Notifying students, parents, and guardians of the results.
 - Scheduling and preparing for Grade Placement Committees so that critical decisions can be made by the committee.

4. Gearing up for the beginning of the school.
 - Working on schedules, professional development activities, communicating with staff over summer concerns and maintenance happenings at OES.
 - Collaborating and planning with Mrs. Munoz.
 - Collaborating and revising the Student Code of Conduct and Student Handbook with campus principals.
