- We are so excited that Lincoln Elementary School is now the proud recipients of the National Showcase selected as a *Capturing Kids' Hearts National Showcase School*®! I received the following email from Capturing Kids' Hearts explaining this honor:

"We recognize the hard work that your campus has put into becoming an awardee and we want you to be able to share this good news with your community. As a first-year awardee you will receive a National Showcase school banner to display on your campus as well as a canvas with a special quote. Capturing Kids' Hearts® recognizes and celebrates schools that go the extra mile each day, creating the social-emotional safety on school campuses that is conducive to learning. Because of the rigor of our evaluation process, the Capturing Kids' Hearts National Showcase School award is both a high aspiration and an exemplary recognition of excellence".

Thank You

As you are aware I have resigned my position as principal from Lincoln Elementary and as I wrap up the 21-22 School Year things will be very busy. I don't want to miss this opportunity to thank the board for their support over the last 4 years. It has been a pleasure building relationships with colleagues, working alongside the staff at Lincoln Elementary and positively impacting students. Working at Pana CUSD #8 has been full of valuable learning experiences that I will take with me as I move forward in my career as an educator. I feel blessed to have been part of the Panther Nation for this period of time.

With Warm Regards,

Kelly Millburg, Lincoln Elementary Principal
