Dear Mr. Schneider,

The Mid-Valley Special Education Cooperative Executive Advisory Board has accepted your generous donation of \$1,000 today. I wish to express our gratitude for your contribution to our organization. Gifts like your enable us to provide baby-sitting services at no cost for parents so they can participate in important informational and social events. These activities help their children succeed and participate in the community, increase their social interactions, and gain in self-confidence and strength. We truly appreciate your thoughtfulness in providing the donation.

Sincerely,

Carla Cumblad, Ed.D.
Executive Director
