<b>McCall Elem.</b>			<b>X</b>			
<b>Teacher Training Center/Technology- Police Bldg.</b>					<b>X</b>	
<b>Aledo 9<sup>th</sup> Grade Campus</b>	<b>Opens Fall of 2010</b>					<b>X</b>

## **Recommendation for Approval**

As a part of our regular building maintenance, Aledo ISD maintains a 5 year painting schedule for all buildings. Each year, two buildings are painted as a part of this schedule. In the past, we have used part-time, non-professional paint crews to complete the task of painting our buildings. The work has usually taken the entire summer and requires many hours of supervision and direction by our maintenance staff.

A professional painting crew would be able to provide a higher quality paint job, in less time, with longer lasting results and without the requirement of our maintenance department's time for direct supervision.

Therefore, administration recommends Board approval for putting the painting of our buildings up for a competitive bidding process.
