4:45 Insufficient Fund Checks and Debt Recovery

Insufficient Fund Checks

The Superintendent or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the District that are not honored upon presentation to the respective bank or other depository institution for any reason. The Superintendent is authorized to contact the Board Attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Delinquent Debt Recovery

The Superintendent is authorized to seek collection of delinquent debt owed the District to the fullest extent of the law.

A Local Debt Recovery Program may be available through the Illinois Office of the Comptroller (IOC) [in the future](#). [PRESSPlus1](#) To participate in it, an intergovernmental agreement (IGA) between the District and the IOC must be in existence. The IGA establishes the terms under which the District may refer a delinquent debt to the IOC for an offset (deduction). The IOC may execute an offset, in the amount of the delinquent debt owed to the District, from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.

The Superintendent or designee shall execute the requirements of the IGA. While executing the requirements of the IGA, the Superintendent or designee is responsible, without limitation, for each of the following:

1. Providing a District-wide, uniform, method of notice and due process to the individual or entity against whom a claim for delinquent debt payment (*claim*) is made. Written notice and an opportunity to be heard must be given to the individual or entity responsible for paying a delinquent debt before the claim is certified to the IOC for offset. The notice must state the claim's amount, the reason for the amount due, the claim's date or time period, and a description of the process to challenge the claim. If reimbursable meals or snacks provided under the Hunger-Free Students' Bill of Rights Act are the basis of the District's delinquent debt claim of no less than \$500, the notice must be sent to a student's parent(s)/guardian(s) only after: (a) the student owes the District more than five meals and/or snacks; (b) the Superintendent or designee made: (i) repeated contacts to collect the amounts owed, and (ii) reasonable efforts to collect the amount due for at least one year; and (c) the District requested the student's parent(s)/guardian(s) to apply for meal benefits pursuant to policy 4:130, *Free and Reduced-Price Food Services*, and they either: (i) did not qualify, or (ii) refused to apply.
2. An individual or entity challenging a claim shall be provided an informal proceeding to refute the claim's existence, amount, or current collectability; the decision following this proceeding shall be reviewable.
 - a. If a waiver of student fees is requested as a challenge to paying the claim, and the waiver of student fees is denied, an appeal of the denial of a fee waiver request shall be handled according to 4:140, *Waiver of Student Fees*. If no waiver of student fees is requested, reviews regarding payment of the claim shall be handled according to this policy before

certification to the IOC for offset.

- b. If application for meal benefits pursuant to policy 4:130, *Free and Reduced-Price Food Services*, is requested as a challenge to paying the claim, and the request is denied, an appeal of the denial of the request shall be handled according to 4:130, *Free and Reduced-Price Food Services*. If no request for meal benefits is received, review of the claim's payment shall be handled according to this policy before certification to the IOC for offset.
3. Certifying to the IOC that the debt is past due and legally enforceable, and notifying the IOC of any change in the status of an offset claim for delinquent debt.
4. Responding to requests for information from the IOC to facilitate the prompt resolution of any administrative review requests received by the IOC.

LEGAL REF.:

15 ILCS 405/10.05 and 10.05d, State Comptroller Act.

105 ILCS 123/, Hunger-Free Students' Bill of Rights Act.

PRESSPlus Comments

PRESSPlus 1. The Ill. Office of the Comptroller (IOC) operates an Offset System for collecting debt owed to the State, political subdivisions of the State, and school districts by persons receiving payments from the State. Seeking debt recovery through an offset of a future payment the State makes to a debtor is optional. The requirements in this policy for obtaining an offset are either in statute or the IOC's intergovernmental agreement (IGA). 15 ILCS 405/10.05 and 10.05d. The first step to participate is to contact a LDRP manager with the IOC to request an IGA with the IOC's office. Program managers work one-on-one with districts and matters are handled on a case-by-case basis. The LDRP's number for local governments is 312-814-3090. Contact the board attorney for advice and assistance. Note that historically, the IOC has been reluctant to pursue school lunch debts under the LDRP. **Issue 112, June 2023**

5:230 Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other certificated **[licensed] educational employees (except for individuals employed as paraprofessional educators)**, **PRESSPlus1** and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board of Education policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.
