RE: Consider Approval of the 2011-2012 Annual Financial Audit

Background: As required by the Texas Education Code 44.008 (a-d), school districts must have their fiscal accounts audited annually by an independent audit firm and presented to the Board of Trustees. The District's auditors will present the 2011-2012 fiscal year end audit for the Board of Trustee's approval.

Recommendation: That the Members of the Board approve the 2011-2012 Annual Financial Report as presented.
