Academic Year:	<b>Academic Year 2025-2026</b>	Subject:	<b>Language Arts</b>
Subject Domain:	<b>All Domains</b>	Grade:	<b>All Grades</b>
Show By:	<b>Location</b>	Schools:	<b>All My Locations</b>
Demographics:	<b>All Demographics</b>	NPR Data:	<b>2025</b>

This report shows how your students are performing on diagnostics for each testing window throughout the academic year.

National percentile ranks (NPR) are calculated based on your students' diagnostic performance compared to students of their same grade nationally who tested in the spring.

An NPR below 50th means students performed lower than students nationally, whereas an NPR above 50th means students performed higher.
