***Addition information-***

Three students identified as Special Education moved into our district in September

We are expecting a student with significant disabilities to check in around October 13<sup>th</sup>.

We are waiting on information from the doctor to evaluate a homebound setting for a high school student.

Our preliminary PBMAS report has been received. Our Special Education Representation is down to a level 1 however we have two 3's in the area of SpEd TAKS passing rate we will have to address.

Please feel free to contact me with any questions.

Respectfully,  
Melanie Jones
