**Board Memorandum**  
**Information Item**

---

**Date:** March 9, 2022

**Subject:** Early Learning Expansion Update

**Prepared by:** Don Angelaccio

---

This update is provided to inform the Board of progress made each month on our Early Learning Expansion (ELE) Project.

**Focus Groups:** Drs. Zaher and Sroka facilitated faculty focus group discussions on February 23, March 1st and March 7th. Future meetings include March 17th and a Parent/Community Focus group on March 29th.

**Site Visits:** Members of the ELE focus groups participated in site visits to programs in District 26, District 25, and District 59 to learn about their instructional approach and facilities planning.

**ELE Team Meeting:** The ELE team, composed of administration and our consultants, will meet again on March 10 to review information received to date and discuss project parameters.
