I am resigning from my position as school bus driver, for the Indus School District #363.

I have decided to retire out, as I am still in the recovery process from a serious illness.

I was hospitalized in St Lukes Hospital-Duluth MN from April 24, 2020 to May 29, 2020, due to sepsis, this making my immune system more vulnerable, at this time.

Taking the school bus policy of Indus, "Safety First," into consideration, for the students, for myself, I feel this is a responsible decision on my part.

I am grateful for the years at Indus, Thank You.

Bus Driver Dave-David Walters
