

Kindergarten Math MAP Scores							
Achievement					Growth		
	Fall		Spring				
	Score	Percentile	Score	Percentile	Growth	Projected	Growth Percentile
2017	140.5	53	157.9	42	17.3	19	27
2018	135.9	24	161.9	67	26	19.2	99
2019	135.8	27	162	67	26.2	19.9	99

Percentile 50= National Norm.

Fall National Norm 140.0

Spring National Norm 159.1

The last 2 years achievement scores are below the National Norm at the beginning of the year, and they are above the National Norm at the end of the year.

The last 2 years growth has been significantly better than the National Norm. 99% very few schools have shown more growth.

These results are fantastic!

1st Grade Math MAP Scores							
Achievement					Growth		
	Fall		Spring				
	Score	Percentile	Score	Percentile	Growth	Projected	Growth Percentile
2017	164	61	183.4	66	19.5	18.4	64
2018	157.5	16	180.5	48	23	17.7	97
2019	161.7	45	186.7	82	25	18.4	99

Percentile 50= National Norm.

Fall National Norm 162.4

Spring National Norm 180.2

2018 the achievement percentile was just below the 50 percentile of National Norm. It was still a great year as the achievement percentile went from 16 to 48. This class came in lower, but the growth percentile was at 97 percentile. The Class grew more than a year.

The 2019 results are tremendous in both achievement and growth.
