RE: **MONTHLY FINANCIAL REPORT – April 2016**

Attached for your review is the financial report for the month ending April 30, 2016.

Revenue received to date is 87.64% of the budget. This is considerably higher than last year mostly due to receiving timely IDEA Flow Through and Preschool funds that were not received at this time last year. We also show an increase in tuition payments this year compared to the same time last year.

Actual expenditures to date are 72.72% of budget, also higher than last year. This is also due to the disbursement of the IDEA Flow Through and Preschool money to the districts. All other expenditures are tracking consistently. We are definitely on target for where we should be at this point in the fiscal year.

Cash balances as of April 30, 2016 are \$4,502,434.
