

Board of Education

INFORMATION

TITLE: Drawing of Board Members Lots

DATE: June 20, 2022

RESPONSIBLE ADMINISTRATOR: Terry Morawski, Ed.D.
Superintendent

BACKGROUND/CONSIDERATIONS:

Recent census data and rezoning of existing boundaries required the election of Board members into five (5) single-member zones and two (2) at large positions, ultimately resulting in five-year terms.

The administration recommends and legal counsel has advised that the Board of Education will draw lots for (2) two year terms expiring 2024, (2) three year terms expiring 2025, (2) four year terms expiring 2026, and (1) five year term expiring 2027. This recommendation allows Board members to serve a minimum two-year term before running for re-election.

RECOMMENDATION:

The administration recommends that the Board draw for lots as suggested.
