December 16, 2024

Dear Principal Stefan & King Team,

It is with a heavy heart that I am submitting this letter as my formal resignation from the Early Childhood Special Education Paraprofessional position at King Elementary. My last day of employment will be December 31, 2024. (Last day in person will be Friday, December 20, 2024.)

This decision was not an easy one to make. As a single mother, I have struggled to support my family on these wages, but I made it work because I loved my job and my coworkers. However, I can no longer make ends meet & have recently been presented with an opportunity starting in the new year that I simply cannot pass up and I will be relocating my family within the next few months.

It has been an absolute pleasure being a member of the King School family and I sincerely thank you for the opportunity to work with such an amazing group of educators and caregivers. I have learned so much and made many amazing friends.

If I can help with anything or if you need any further information, please feel free to contact me.

Thank you for your understanding. I'll truly miss being a part of this team.

With warm regards,

Brianna Jerry

I first wanted to start this by saying thank you for the opportunity however I had a great opportunity for me and my family in Remer. Because of this I will not be returning after the Christmas break. I apologize for the inconvenience this brings and thank you for the opportunity.

Erika.

**Subject:** Paternity Leave

Dear Mr. Rendle and ISD 317 School Board members,

I am writing to inform you of my intent to take paternity leave for approximately 3 months due to the anticipation of having a child in the month of January. I will be using my sick leave for the days I am gone, and Dale Marleau will be my long term sub.

I am very grateful to work in a district that year after year shows their support towards ISD 317 employees and values their families. It is one of the many reasons I love working here.

I am also very grateful to Mr. Anderson for helping me navigate this new adventure I will be taking on, and to Mr. Marleau for coming out of retirement for a few months to ensure there will still be high quality instruction in my classroom during my absence. I have already been in contact with Mr. Marleau, and will continue to do so during my absence to ensure that our students are put in the best situations to succeed.

Sincelery,

Nick Koerbitz

Deer River High School Science Teacher
