## Math Teacher, Badger High School Grades 7-12

*the option to begin now or second semester with the opportunity for  
employment to continue into future school years*

Badger Community School is seeking a fulltime math teacher for second semester of this current 2023-2024, plus next school year 2024-2025 and beyond with the opportunity to begin as early as January 2, 2024. The qualified applicant will be responsible to teach math classes to grades 7-12. This position has the support of a dedicated staff which is a vibrant mix of veteran and younger educators focused on serving the needs of students and each other.

Badger is a stable right-sized smaller school near the northern border of greater Minnesota located on state highway 11. It does not take too much imagination to come up with four seasons of fun with the neighboring forest areas, inviting rivers and wetlands, golf courses and recreational trails. Fishing Lake of the Woods is less than an hours drive from Badger.

**Pay and Benefits:** Looking ahead starting pay for 2024-2025 will be no less than \$47,062 and may be up to \$75,235 based on education and experience along with a comprehensive benefit package.

Preference will be given to candidates that are credentialed to teach college in the high school courses or the willingness to work toward becoming credentialed to be eligible in the future.

**Licensure:** Valid Minnesota mathematics teaching license or ability to obtain such licensure by August 26, 2024 for grades 7-12.

**Candidates with training, degrees or licenses in other related content areas are welcome to apply.** Badger School is willing to explore Tier 1, Tier 2 or an Out of Field Permission if necessary within accordance with PELSB guidelines and timelines.

Other income opportunities may also include co-curricular advising, directing or coaching athletics; however, not required.

For your convenience, there are three ways interested candidates may apply:
