-----------------	----------------------

Consideration and Possible Approval of College Board AP Exams	Justification: The College Board AP program offers college-level courses and exams that students can take in high school. Taking AP courses and exams in high school give students an advantage in college by 1) earning college credit and placement, 2) save money and time, 3) stand out to colleges, and 4) keep students' options open. The total estimate cost of the spring 2024 AP exams for grades 9th - 12th is up to \$50,434. The College Board AP exams contributes to the meeting the CCMR Board Goal 1.2.
