Dear Susie,

Rebecca Ford
Secretary

Bruce Baca

Jenny Carrillo

Leah Coleman

Fabian Cordova

Todd Jaeger
Superintendent,
Amphitheater Public School
District

Since 1983, our mission has been to promote academic excellence through the expansion of resources that enrich the education, development, and well-being of the students of the Amphitheater Public School District. The Amphi Foundation has, for most of its history, focused primarily on services that help make it possible for students to attend school and participate in activities and in recent years we have added Classroom Grants to support our students' teachers and their classrooms. Our Scholarships & Grants committee is proud to honor your grant request. Congratulations!

Funding for this grant was provided by the Nova Home Loans Arizona Bowl. Our hope with this partnership is that the Amphi Foundation will receive this gift again next year and beyond. You can help us by sharing photos, thank you notes and success stories about the impact of this funding so that we can share with our partners at the Arizona Bowl.

Please keep the following items in mind as you move forward with implementing your project and purchasing materials.

Jon Lansa

Roseanne Lopez, Ed. D.

Jacob Parduhn

Erica Rokop

Russ Smith

Julie Turpin

Carol Tracy

- If, for some reason, you do not proceed with this project, we ask that you return this money to the Amphi Foundation so that we can assist another classroom in need.
- Please be sure to follow district and school procedures for procurement.
- For any equipment or durable goods that have been purchased with this funding we ask that you consider gifting items to an Amphi colleague or teaching partner should you choose to leave the district.

On behalf of the Amphi Foundation Grants & Scholarships Committee, thank you for all that you do!

Best Regards,

Leah Noreng

Amphi Foundation Grant Application

The mission of the Amphi Foundation is to promote academic excellence through the expansion of resources that enrich the education, development and well-being of the students in the Amphitheater Public School District.
We are a 501(c) (3) organization.

Project Title: **Harelson Computer Science/Coding Launch**

Applicant(s): **Susie Herman**

Project Director: **Susie Herman**

Project Site/School: **Harelson Elementary School; Grade 6**

Project Duration: Start Date: **September 2018** Ending Date: **Ongoing Project**

Impact/Target Population: # of Students: **60** # of Teachers: **1**

Ages/Grades: **6th Grade**

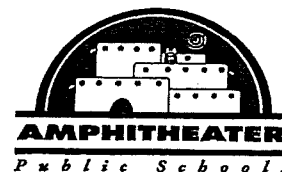

Budget Worksheet

Item Description	Cost Per Item	
Ozobot Classroom Set	\$ 1,195.00	1,195.00
	\$	
	\$	
	\$	
	\$	
	\$	
	Estimate of Tax and Shipping	\$50.00
	TOTAL	\$1245.00
Total Expenses for entire project		\$1245.00
Funding from other sources.....		\$245.00
Foundation grant request amount.....		\$1,000.00
*List Other Funding Sources	Harelson School Funds, PTO	

This project is / is not eligible for extra-curricular tax credit funds. (select one)

Amphi Foundation Grant Proposal

Provide an objective and the purpose of the project

General purpose of the project:

The purpose of our project is to launch a coding program at Harelson. I would like to introduce computer science at our school.

Describe the project and how it will enhance the learning environment and promote academic excellence.
List the subject areas involved in the project.

Project Synopsis:

Our team would like introduce coding to our 6th graders. I will introduce use the Ozobots to teach basic coding in a fun and engaging way.

Provide the standards of measurement to be used to determine if goal(s) have been achieved and timeline for assessment of results. *If applicable, explain how the project will be sustained without committing district funds.*

Evaluation and Sustainability plan:

Students will use the Ozobots to learn basic coding. I will then expand their learning using sites like Code.org. I think that this will inspire kids to continue learning about computer science. This program would be integrated into the 6th grade curriculum year after year. I would also like to use the Ozobots with my buddy class to introduce coding in the primary grades. This program would help us expand our STEAM curriculum and introduce Computer Science at Harelson.

We plan to measure growth of our students using a pre and post survey. I will develop a survey that measures student's current knowledge and experience with computer science. I hope to show growth in the areas of computer science, coding and interest level in computer science jobs.

Supercharge full-scale collaboration with excitement-laced opportunities for class-wide robotics.

- Catalyze collaborative coding experiences that prime kids for the future
- Boost creativity and design thinking with fun, active experimentation
- Transform complex STEM concepts into interactive learning activities
- Centralize teamwork and highlight the importance of problem solving
- Introduce color coding as kids get a real feel for innovative robotics

Grades: 2-8
