ATTN(NOTE)

GENERAL INFORMATION ABOUT THIS UPDATE

Please note:

Changes at Update 114 are based almost exclusively on legislation from the 86th Regular Legislative Session.

Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 86th Regular Legislative Session. All referenced bills have already gone into effect unless otherwise noted.

For more information about the bills mentioned below and other changes from the 86th Legislative Session, download the free *2019 Legislative Summary for TASB Members* PDF at <https://store.tasb.org/legislative-summary-for-tasb-members-pdf/>.

An overview video of the local policy changes is available under Policy Manual Update Resources in the myTASB Policy Service Resource Library at <https://www.tasb.org/services/policy-service/mytasb/policy-manual-update-resources.aspx>. **(LEGAL) policies provide the legal framework for key areas of district operations; they are not adopted by the board.**

AF(LEGAL)

INNOVATION DISTRICTS

Revisions from HB 3 explain that the commissioner may revoke district of innovation status for the district's failure to comply with TEA's employment registry or criminal history background requirements.

AG(LEGAL)

HOME-RULE DISTRICTS

Minor revisions to the list of Education Code requirements that apply to home-rule districts are from HB 3. The bill also provides that it is a material violation of a home-rule district's charter if the district fails to comply with TEA's employment registry or criminal history background requirements.

AIB(LEGAL)

ACCOUNTABILITY: PERFORMANCE REPORTING

HB 3 requires the annual performance report to include progress on early childhood literacy and mathematics proficiency plans and college, career, and military readiness plans.

Provisions on the high school allotment performance review have been repealed.

AIC(LEGAL)

ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

The commissioner may authorize a district to enter into a memorandum of understanding with an institution of higher education to improve district performance (HB 4170).

Campus interventions and sanctions were affected by:

- HB 4170, which revised the duties of the campus intervention team; and
- HB 4205, which revised provisions on repurposing of a campus and clarified that commissioner decisions on campus turnaround are final and not subject to appeal.

Monitoring reviews and random on-site investigations may be conducted to ensure qualification of funding in accordance with HB 3.

SB 11 permits the commissioner to appoint a conservator for the district if TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan.

B(LLEGAL) LOCAL GOVERNANCE

The B Section table of contents has been revised to delete BDAF, the content of which has been moved to CCG.

BAA(LLEGAL) BOARD LEGAL STATUS: POWERS AND DUTIES

New board duties include adoption of a cybersecurity policy (SB 820); development of early childhood literacy and mathematics proficiency plans (HB 3); development of college, career, and military readiness plans (HB 3); and completion of an efficiency audit before holding an election seeking voter approval to adopt a maintenance and operations tax rate. Adjustments to the board's discretionary powers and duties include reference to the use of the board evaluation tool developed by the commissioner and deletion of a provision that is not located in Chapter 11 of the Education Code.

BBA(LLEGAL) BOARD MEMBERS: ELIGIBILITY/QUALIFICATIONS

SB 2283 clarifies that a person convicted of a felony is ineligible to serve on a school board.

HB 831 clarifies the factors for a court to consider when determining whether a candidate has satisfied continuous residency requirements after a temporary absence.

BBBA(LLEGAL) ELECTIONS: CONDUCTING ELECTIONS

Legislation affected several provisions on conducting elections:

- HB 1241 requires additional detail in notices of polling place locations;
- HB 933 clarifies posting obligations and notice to the county clerk and voter registrar;
- HB 1067 provides guidance on ballot adjustments in the event of a candidate's death;
- HB 1888 repeals the exception to the use of county election precincts in May elections if certain circumstances are met;
- HBs 1048 and 1888 affect early voting, including designation of early voting polling places in November elections and the use of temporary branch polling places; and
- HB 1850 addresses posting of information from branch daily registers and early voting rosters.

BBBB(LLEGAL) ELECTIONS: POST-ELECTION PROCEDURES

The order of candidate names on the ballot of a runoff election or election to resolve a tie is specified by HB 88.

BBD(LLEGAL) BOARD MEMBERS: TRAINING AND ORIENTATION

HB 403 requires trustees to complete, every two years, one hour of training on identifying and reporting potential victims of sexual abuse, human trafficking, and other maltreatment of children.

BBFA(LLEGAL) ETHICS: CONFLICT OF INTEREST DISCLOSURES

This policy has been updated to better reflect statute.

BBI(LLEGAL) BOARD MEMBERS: TECHNOLOGY RESOURCES AND ELECTRONIC COMMUNICATIONS

SB 944 requires a current or former trustee who maintains public information on a privately owned device to forward or transfer the information to the district or preserve the public information in its original form in a backup or archive and on the device for the relevant retention period.

BDAE(LEGAL) OFFICERS AND OFFICIALS: DUTIES AND REQUIREMENTS OF DEPOSITORY

Depository contracts and bonds no longer have to be filed with TEA per SB 1376.

BDAF(LEGAL) OFFICERS AND OFFICIALS: SELECTION AND DUTIES OF CHIEF TAX OFFICIALS

Provisions on tax officials as revised by SB 2, effective January 1, 2020, have been moved to CCG. BDAF is no longer an active code.

BE(LEGAL) BOARD MEETINGS

SB 494 reduces the posting requirement for emergency meetings from two hours to one hour, with conforming changes for notice to the media, and provides examples of what constitutes an emergency or urgent public necessity required for an emergency meeting.

SB 1640 adds provisions on prohibited series of communications among trustees to address what are commonly called "walking quorums." The bill also revises the definition of "deliberation."

BE(LOCAL) BOARD MEETINGS

A recommended revision at Notice to Members reduces the notice to the board to one hour before an emergency meeting to align with the changes from SB 494 (see above).

The *Legal Issues in Update 114* memo describes common legal concerns and best practices specific to [this policy topic](#).

BED(LEGAL) BOARD MEETINGS: PUBLIC PARTICIPATION

HB 2840 significantly revises public comment requirements at board meetings:

- Public comment on agenda items is required at all meetings, including special meetings and workshops;
- A board must allow each individual who wishes to address the board on an agenda item to do so before or during the board's consideration of the item;
- A board may adopt reasonable rules, including rules that limit the total time an individual is allowed to speak, with additional time for certain types of translation services; and
- A board may not prohibit public criticism of the board, including criticism of any act, omission, policy, procedure, program, or service.

BED(LOCAL) BOARD MEETINGS: PUBLIC PARTICIPATION

Revisions to this local policy are to incorporate the new requirements for public comment from HB 2840 (see above). The policy distinguishes between public comment at regular and special meetings to permit public comment at regular meetings on both agenda and nonagenda items to be consistent with the district's current practice, but limits comments at special meetings to agenda items only. The policy provides that public comment will occur at the beginning of the meeting. The provisions on procedures and meeting management are intended to provide the board's presiding officer flexibility in implementing the new requirements and include:

- A requirement for individuals to sign up for public comment before the meeting begins and to indicate which agenda item they wish to address, if any;
- Retention of the district's current time limit for an individual to speak at a meeting;

Explanatory Notes

TASB Localized Policy Manual Update 114

Denton ISD

- Deletion of an overall time limit for public comment at a meeting;
- Deletion of the provision requiring delegations of more than five persons to appoint one spokesperson; and
- Broad authority for the presiding officer to make adjustments to the board's public comment procedures, such as adjusting when public comment will occur (it must occur before or during the relevant agenda item), reordering or continuing agenda items to a later meeting, deferring public comment on nonagenda items, expanding opportunities for public comment, or establishing an overall time limit and shortening the time allotted to each speaker to no less than one minute.

Please contact the district's policy consultant if the board wishes to:

- Limit public comment to agenda items only at all meetings;
- Revise the time individuals are permitted to speak at each meeting; or
- Make other adjustments to this policy.

CBA(LLEGAL) STATE AND FEDERAL REVENUE SOURCES: STATE

As a result of HB 3, this policy has been updated with a high-level overview of state funding, including the requirement to submit certain information through PEIMS for funding determinations.

HB 3 moves foundation school program funding provisions from Education Code Chapter 42 to Chapter 48.

CCA(LLEGAL) LOCAL REVENUE SOURCES: BOND ISSUES

Several bills affect this legally referenced policy on bonds.

- SB 11 permits debt issuance for purchasing and retrofitting buses and school vehicles for safety and security purposes.
- HB 440 addresses limitations on bond issuance and provides guidance on use of unspent bond proceeds.
- HB 477 adjusts the information required to be included in bond election orders.
- HBs 3 and 477 and SB 30 address language for bond propositions and ballot contents.
- HB 477 requires a district to prepare voter information about proposed bond issuance.

CCG(LLEGAL) LOCAL REVENUE SOURCES: AD VALOREM TAXES

The revisions to this legally referenced policy on ad valorem taxes are based on HB 3 and SB 2, which significantly revise the ad valorem taxation process for school districts.

TEA has published videos explaining the HB 3 tax rate changes and other financial provisions, available at https://tea.texas.gov/About_TEA/Government_Relations_and_Legal/Government_Relations/House_Bill_3.

Information from the Texas comptroller on changes from SB 2, effective January 1, 2020, is available at <https://comptroller.texas.gov/taxes/property-tax/legal-resource.php>. Provisions on tax officials as revised by SB 2 have been moved to this code from BDAF.

CCGA(LLEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

Provisions on ad valorem exemptions and payments are revised as follows:

- HB 1313 extends under certain conditions the residence homestead exemption to the surviving spouse of an individual who was disabled;

Explanatory Notes

TASB Localized Policy Manual Update 114

Denton ISD

- SB 2, effective January 1, 2020, addresses exemptions for historical structures or archeological sites; and
- Additional detail has been added on split payments, which permit a taxpayer to pay taxes (without discount) in two installments.

Please confirm that the district's CCGA(LOCAL) accurately reflects whether the district permits split payments.

CCH(LEGAL)

LOCAL REVENUE SOURCES: APPRAISAL DISTRICT

SB 2, effective January 1, 2020, revises appraisal district procedures. The bill:

- Adds a prohibition on employing an individual who is an officer or employee of a taxing unit that participates in the appraisal district; and
- Adjusts eligibility to serve on an appraisal district board for prior property appraisers or owner representatives.

CDA(LEGAL)

OTHER REVENUES: INVESTMENTS

HB 293 creates an exception to the ongoing investment training requirements for school district financial officers in limited circumstances.

HB 2706 modifies investment provisions on bond proceeds, fully collateralized repurchase agreements, and commercial paper. The bill modifies the requirements for a public funds investment pool that uses amortized cost.

CDA(LOCAL)

OTHER REVENUES: INVESTMENTS

There are several recommended revisions to this local policy on investments.

HB 2706 allows investment of bond proceeds or pledged revenue only to the extent permitted by the Public Funds Investment Act and in accordance with relevant statutory provisions and the district's local investment policy. Based on these new provisions, the policy revisions authorize investment of bond proceeds and pledged revenue to the extent allowed by law but clarify that bond proceeds may not be invested in no-load mutual funds.

Governmental Accounting Standards Board (GASB) Statement No. 84 revised terminology from "agency" funds to "custodial" funds to avoid confusion, prompting a conforming change to this policy. TEA's To The Administrator Addressed Letter, GASB Statement No. 84, Fiduciary Activities, issued on May 23, 2019, provides additional information about GASB 84 and is available at https://tea.texas.gov/About_TEA/News_and_Multimedia/Correspondence/TAA_Letters/GASB_Statement_No_84_Fiduciary_Activities/.

CE(LEGAL)

CFC(LEGAL)

ACCOUNTING: AUDITS

A district must post on its website certain information, including the district's most recent financial audit, as required by SB 2, effective January 1, 2020.

CFEA(LEGAL)

PAYROLL PROCEDURES: SALARY DEDUCTIONS AND REDUCTIONS

The definition of "eligible qualified investment product" is revised by HB 2820. The change permits 403(b) products to be offered by a company that is eligible to offer the product under law. TRS no longer has oversight.

CH(LEGAL)

PURCHASING AND ACQUISITION

The prohibition on contracting with a company that boycotts Israel is revised by HB 793, which clarifies that the prohibition does not apply to a sole proprietorship and revises the contracts subject to the prohibition.

Certain district contracts must include provisions requiring the contracting entity to preserve contracting information and provide that information on request of the district. These provisions are from SB 943.

HB 1495 and SB 65 revise the requirements regarding contracts subject to the disclosure of interested parties to include contracts for services that require a person to register as a lobbyist.

Interior design services must be procured under the Professional Services Procurement Act per HB 2868.

HB 2826 adds provisions on contingent fee contracts for legal services.

Districts with fewer than 10,000 students are exempted by SB 1376 from Texas Commission on Environmental Quality provisions requiring a purchasing preference for recycled products.

Other new provisions on contracts address entertainment event contracts (HB 81) and taxpayer resource transactions (SB 22).

CH(LOCAL)

PURCHASING AND ACQUISITION

To address the need for the district to have purchasing procedures on a variety of state and federal laws as recommended by TEA, new policy text requires the superintendent to develop appropriate procedures.

Please note that BJA(LOCAL) permits the superintendent to delegate responsibilities to other employees as permitted by law; therefore, references to the superintendent's designee have been removed throughout.

The *Legal Issues in Update 114* memo describes common legal concerns and best practices specific to [this policy topic](#).

CK(LEGAL)

SAFETY PROGRAM/RISK MANAGEMENT

Revisions from SB 11 include:

- Adjustments to the responsibilities, membership, and meeting requirements for the school safety and security committee; and
- Additional provisions on the safety and security audit, including consequences for failing to meet the reporting requirements.

CKC(LEGAL)

SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY PLANS

Several revisions are based on SB 11, which:

Explanatory Notes

TASB Localized Policy Manual Update 114

Denton ISD

- Adds required notice to parents of bomb or terroristic threats at any district facility where students are present;
- Adds to the content of emergency operations plans (EOP); and
- Addresses a district's failure to submit its EOP for review by the Texas School Safety Center (TxSSC) or to correct plan deficiencies identified by the TxSSC.

HB 2195 requires EOPs to include provisions on responding to active shooter emergencies.

CKC(LOCAL) SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY PLANS

Recommended revisions are to comply with new requirements for the district's emergency operations plan (EOP) to include "policies" on responding to an active shooter (HB 2195) and access to campus buildings and materials necessary for a substitute teacher to carry out his or her duties during an emergency or emergency drill (SB 11). The policy text affirms that the district's procedures on these topics will be included in the EOP.

The *Legal Issues in Update 114* memo describes common legal concerns and best practices specific to [this policy topic](#).

CKD(LEGAL) SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY MEDICAL EQUIPMENT AND PROCEDURES

Districts must develop a traumatic injury response protocol no later than January 1, 2020, in accordance with HB 496. The protocol must provide bleeding control stations, require training for security personnel and all other district personnel who may be reasonably expected to use a bleeding control station, and offer similar training to students enrolled at the campus in grade 7 or higher.

Sample administrative procedures on this issue are included in the *TASB Regulations Resource Manual*.

CKE(LEGAL) SAFETY PROGRAM/RISK MANAGEMENT: SECURITY PERSONNEL

As mentioned above, CKE includes general provisions applicable to the various types of district security personnel. Legislative revisions include:

- Clarification that the board determines the law enforcement duties of security personnel, which must be included in the listed district publications and documents and cannot include routine student discipline, school administrative tasks, or contact with students unrelated to the law enforcement duties (SB 1707); and
- Clarification of training requirements (HB 2195 and SB 11).

CKE(LOCAL) SAFETY PROGRAM/RISK MANAGEMENT: SECURITY PERSONNEL

Recommended revisions are to address SB 1707, which requires the board to determine the duties of school resource officers (SRO) and include those duties in the district improvement plan, the student code of conduct, any memorandum of understanding, and other relevant publications. We have retained your locally developed text at School Security Officers and Authority which addresses the duties that have been given to SROs and school security officers. These duties/authorities should be aligned in all documents listed above. We have added a provision prohibiting the assignment of routine student discipline or school administrative tasks to an SRO, in keeping with SB 1707.

The *Legal Issues in Update 114* memo describes common legal concerns and best practices specific to [this policy topic](#).

Explanatory Notes

TASB Localized Policy Manual Update 114

Denton ISD

Please note: If, based on a district of innovation plan, your district is exempt from the statutory requirement to have a district improvement plan, the district should include the law enforcement duties of security personnel in an equivalent district-level planning document.

CKEA(LLEGAL) SECURITY PERSONNEL: COMMISSIONED PEACE OFFICERS

Legal provisions specifically addressing commissioned peace officers have been moved from CKE to this new code. Legislative changes include the optional provision for a law enforcement agency to have an unassigned epinephrine auto-injector program (SB 1827). Other changes are to include the relevant statutory cite in place of the list of duties for peace officers and to revise wording to better reflect statute.

CKEB(LLEGAL) SECURITY PERSONNEL: SCHOOL MARSHALS

Legal provisions specifically addressing school marshals have been moved from CKE to this new code and revised to reflect HB 1387, including:

- Clarification of the board's authority to appoint one or more school marshals for each campus; and
- Deletion of the previous cap on the number of school marshals a board may appoint.

Other changes are to better reflect statute.

CKEC(LLEGAL) SECURITY PERSONNEL: SCHOOL RESOURCE OFFICERS

Legal provisions specifically addressing school resource officers have been moved from CKE to this new code.

CL(LLEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT

SB 668 excludes school districts from provisions that require energy usage reports and repeals the requirement that districts purchase certain energy efficient light bulbs.

Districts with fewer than 10,000 students are exempted by SB 1376 from recycling programs required by the Texas Commission on Environmental Quality (TCEQ). In addition, the TCEQ may exempt a district for which compliance would constitute a hardship.

CMD(LLEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT: INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

Legislative changes on instructional materials include:

- Revised references to "instructional materials and technology" throughout (HB 4170);
- Clarification of permitted expenditures using the instructional materials allotment (HB 396); and
- Removal of the annual June 1 deadline for a district to make an online requisition for instructional materials (SB 668).

CNA(LLEGAL) TRANSPORTATION MANAGEMENT: STUDENT TRANSPORTATION

HB 3 affected several student transportation provisions, including:

- Modifying the transportation allotment to be based on a rate per mile per regular eligible student and revising the definition of "regular eligible student" to include a student who is homeless;
- Revising provisions on the cost of transporting CTE students from a campus to the work-based learning site; and

Explanatory Notes

TASB Localized Policy Manual Update 114

Denton ISD

- Providing reimbursement on a per-mile basis for transporting a dual credit student to specific locations for a course not available at the student's campus.

CNC(LEGAL) TRANSPORTATION MANAGEMENT: TRANSPORTATION SAFETY

HB 771 clarifies the use of wireless communication devices on buses.

CPC(LEGAL) OFFICE MANAGEMENT: RECORDS MANAGEMENT

Revisions to records management provisions are from HB 1962 and include:

- Clarification of the duties of the district and the records management officer;
- Deletion of TSLAC's obligations to approve, disapprove, accept, or reject various district filings; and
- Revision of the standards for destruction of records.

CQ(LEGAL) TECHNOLOGY RESOURCES

Technology provisions have been split into discrete codes:

- CQ continues to address general technology issues;
- CQA continues to address websites;
- CQB is a new code addressing cybersecurity and federal provisions on access to electronic communications; and
- CQC is a new code addressing equipment.

CQ(LOCAL) TECHNOLOGY RESOURCES

Provisions on security breaches have been moved to CQB(LOCAL), where the corresponding legal authority is now coded.

Please note that because BJA(LOCAL) permits the superintendent to delegate responsibilities to other employees, we have removed language referring to the superintendent's designee throughout.

HB 305 requires most districts to post online the district's contact information; trustee information; election date, location, and filing information; and meeting notices and minutes.

HB 963 requires online posting of the name, email address, and beginning and end dates of terms of office for each trustee.

Other new online posting requirements are for:

- Certain early voting (HB 1850) and bond election items (HBs 440 and 477);
- Efficiency audits before an election to approve a tax rate (HB 3);
- Tax rate and budget information (SB 2, effective January 1, 2020);
- Early childhood literacy and mathematics plans, including progress on goals (HB 3);
- Progress on goals set for college, career, and military readiness plans (HB 3);

- Contact information for campus behavior coordinators (SB 1306); and
- Certain information pertaining to public information requests (SB 944).

Districts no longer need to post reports on energy usage per SB 668.

CQB(LEGAL) TECHNOLOGY RESOURCES: CYBERSECURITY

SB 820 includes new requirements on cybersecurity. A district must have a cybersecurity policy and the superintendent must designate a cybersecurity coordinator who will report breaches of system security involving student information to TEA and parents.

HB 3834 requires cybersecurity training for district employees who have access to a district computer system or database and for all board members.

Security breach notifications were affected by HB 4390, which changes the timelines for disclosures to individuals and the attorney general.

Federal provisions on access to electronic communications were moved to this code from CQ.

CQB(LOCAL) TECHNOLOGY RESOURCES: CYBERSECURITY

This new policy is recommended to address SB 820, which requires a cybersecurity policy, and HB 3834, which requires cybersecurity training of employees and board members, as described above. The policy includes the following elements:

- An affirmative statement that the district will develop a cybersecurity plan;
- A requirement for the superintendent to designate a cybersecurity coordinator to serve as the liaison between the district and TEA and report any breaches to TEA as required by law; and
- Provisions on required employee and board member cybersecurity training and reporting.

Security breach provisions have been moved from CQ(LOCAL) and revised to address reporting requirements to TEA in accordance with SB 820.

Sample administrative procedures on cybersecurity are included in the *TASB Regulations Resource Manual*.

CQC(LEGAL) TECHNOLOGY RESOURCES: EQUIPMENT

Provisions on technology equipment have been moved to this new code from CQ(LEGAL), and existing provisions on the Technology Lending Program Grant have been added.

CRG(LEGAL) INSURANCE AND ANNUITIES MANAGEMENT: DEFERRED COMPENSATION AND ANNUITIES

The definition of "eligible qualified investment product" is revised by HB 2820. The change permits 403(b) products to be offered by a company that is eligible to offer the product under law. TRS no longer has oversight.

CV(LEGAL) FACILITIES CONSTRUCTION

HB 985 prohibits a school district from considering whether a bidder on a public work contract has an agreement with a collective bargaining organization relating to the project.

Explanatory Notes

New provisions have been added regarding use of proceeds from construction defect litigation (HB 1734) and construction liability claims (HB 1999).

Provisions on contract requirements that are included in CH have been deleted and replaced with a cross-reference to that code.

D(LLEGAL) PERSONNEL

The D Section table of contents has been revised to add DHC, addressing reports to TEA of misconduct by noncertified employees.

DAA(LLEGAL) EMPLOYMENT OBJECTIVES: EQUAL EMPLOYMENT OPPORTUNITY

SB 37 prohibits a district that issues a license from taking disciplinary action against a person who has defaulted on a student loan.

Additional detail has been added regarding the existing state law prohibition on age discrimination.

DBAA(LLEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS: CRIMINAL HISTORY AND CREDIT REPORTS

HB 3 amended several provisions on criminal history. The bill:

- Clarifies that districts of innovation (DOI) are subject to Education Code provisions relating to criminal history records and may have their DOI status terminated for failing to provide requested information to TEA.
- Expands the criminal history for which a district must refuse to hire an applicant to include deferred adjudication community supervision for an offense requiring registration as a sex offender or conviction of a Title 5 felony if the victim was a minor.

DC(LLEGAL) EMPLOYMENT PRACTICES

Several bills affect this legally referenced policy on employment practices:

- HB 3 requires a district to refuse to hire a person listed on TEA's registry of persons who are not eligible to be employed in public schools and those under investigation.
- SB 2073 allows a district anticipating fewer than 180 days of instruction to reduce proportionally the minimum days of service for an educator to below 187 days. A reduction in days of service does not reduce salary.
- SB 1230 adds obtaining employment at a private school to the prohibition on assisting a person in obtaining employment if the person previously engaged in misconduct with a minor.

TEA has published a video explaining the HB 3 do-not-hire registry, available at https://tea.texas.gov/About_TEA/Government_Relations_and_Legal/Government_Relations/House_Bill_3.

DEA(LLEGAL) COMPENSATION AND BENEFITS: COMPENSATION PLAN

A new provision has been added from HB 3 triggering compensation increases when the basic allotment increases from the prior year.

DEAA(LEGAL) COMPENSATION PLAN: INCENTIVES AND STIPENDS

HB 3 adds a local optional teacher designation system under which the district may receive an allotment for teachers designated as master, exemplary, or recognized. Master teacher grant programs have been deleted in accordance with SB 1376.

New requirements for optional mentor teacher programs are from HB 3.

Please note: Districts that choose to provide incentives to teachers who complete autism training must adopt a policy in accordance with HB 3. Contact the district's policy consultant for appropriate language if your district decides to pursue this option.

DEB(LEGAL) COMPENSATION AND BENEFITS: FRINGE BENEFITS

HB 872 revises the information a district must provide to the Employees Retirement System when a peace officer is killed in the line of duty.

Note that SB 2, effective January 1, 2020, prohibits the board from decreasing the total compensation of a first responder, including a peace officer, employed by the district in the fiscal year beginning in 2020. This provision is not reflected in policy due to its temporary effect.

DEC(LEGAL) COMPENSATION AND BENEFITS: LEAVES AND ABSENCES

Some provisions on jury duty have been moved to DG(LEGAL).

DF(LEGAL) TERMINATION OF EMPLOYMENT

HB 3 expands the criminal history for which a district must discharge an employee to include deferred adjudication community supervision for an offense requiring registration as a sex offender or conviction of a Title 5 felony if the victim was a minor.

HB 3 requires a district to discharge a person listed on TEA's registry of persons who are not eligible to be employed in public schools and those under investigation.

DFFA(LOCAL) REDUCTION IN FORCE: FINANCIAL EXIGENCY

The recommended revision to this local policy on financial exigency was prompted by HB 3. The bill moved provisions from Education Code Chapter 42 to Chapter 48 and affected existing text on furloughs, which has been deleted, as the cross-reference provides sufficient guidance to the relevant legal authority.

Please note that because BJA(LOCAL) permits the superintendent to delegate responsibilities to other employees, we have removed language referring to the superintendent's designee throughout.

DG(LEGAL) EMPLOYEE RIGHTS AND PRIVILEGES

Several bills affect this legally referenced policy on employee rights and privileges:

- HB 621 amends the prohibition on employer retaliation against a professional for a good faith report of child abuse or neglect to include defined adverse employment actions.
- HB 4310 prohibits a district from penalizing a teacher who does not follow the scope and sequence for a required curriculum subject if the teacher determines that students need more or less time to demonstrate proficiency in the TEKS.
- SB 370 and HB 504 prohibit certain negative actions against an employee who serves as a juror or grand juror.

DH(LEGAL) EMPLOYEE STANDARDS OF CONDUCT

In accordance with SB 944, a current or former district employee who maintains public information on a privately owned device must forward or transfer the information to the district or preserve the public information in its original form in a backup or archive and on the device for the relevant retention period.

HB 1143 prohibits a district from regulating the manner in which a handgun, firearm, or ammunition is stored in a locked vehicle in a school parking area, provided the item is not in plain view.

DH(LOCAL) EMPLOYEE STANDARDS OF CONDUCT

Because HB 1143 prohibits a district from regulating the manner in which a handgun, firearm, or ammunition is stored in a locked vehicle in a school parking area, provided the item is not in plain view, language requiring firearms to be unloaded has been deleted. No other revisions have been made to this local policy.

Since the district has school resource officers and school security officers, an exception has been added at Weapons Prohibited that points to CKE that allows the use or possession of a firearm by these employees.

The *Legal Issues in Update 114* memo describes common legal concerns and best practices specific to [this policy topic](#).

DHB(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

HB 3 clarifies that reports to SBEC of educator misconduct may be filed through the new SBEC internet portal.

SB 1476 creates an exception to a superintendent's obligation to report educator misconduct to SBEC if, before the educator's termination or resignation, the superintendent completes an investigation and determines the educator did not engage in the alleged misconduct specified in law.

DHC(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO TEXAS EDUCATION AGENCY

As reflected in this new policy, HB 3 establishes a procedure for reporting noncertified employee misconduct to TEA that mirrors required reporting of certified employee misconduct to SBEC.

DMA(LEGAL) PROFESSIONAL DEVELOPMENT: REQUIRED STAFF DEVELOPMENT

New staff development is required in the areas of:

- Prevention techniques for and recognition of sex trafficking of children (HB 111);
- Implementation of trauma-informed care (SB 11);
- Test administration procedures (Administrative Code rules, effective April 23, 2019);
- Cybersecurity (HB 3834);

- A district may not discipline a teacher on the basis of documentation the teacher submitted regarding a student's violation of the student code of conduct (SB 1451).
- Information regarding out-of-school suspensions must be reported to TEA (HB 65).

FOA(LLEGAL)

STUDENT DISCIPLINE: REMOVAL BY TEACHER OR BUS DRIVER

SB 1451 clarifies that students sent to the campus behavior coordinator's or other administrator's office under a routine referral or a discretionary removal are not considered to have been removed from the classroom for purposes of reporting data through PEIMS or other similar reports required by state or federal law.

FOB(LLEGAL)

In determining whether there is a reasonable belief that a student engaged in felony conduct, a superintendent may not consider additional information requested by the district from law enforcement for the purpose of creating a threat assessment or safety plan (HB 2135).

For clarity, additional details from statute have been added regarding terms of removal.

FOCA(LLEGAL)

PLACEMENT IN A DISCIPLINARY ALTERNATIVE EDUCATION SETTING: DISCIPLINARY ALTERNATIVE EDUCATION PROGRAM OPERATIONS

GA(LLEGAL) ACCESS TO PROGRAMS, SERVICES, AND ACTIVITIES

A provision has been added from SB 1978 that prohibits a district from taking any adverse action (as defined in the policy) against a person based on the person's membership in, affiliation with, or contribution, donation, or other support provided to a religious organization.

GB(LLEGAL) PUBLIC INFORMATION PROGRAM

In accordance with SB 944, a current or former district officer or employee who maintains public information on a privately owned device must forward or transfer the information to the district or preserve the public information in its original form in a backup or archive and on the device for the relevant retention period. An employee may be disciplined for failure to comply.

GBA(LLEGAL) PUBLIC INFORMATION PROGRAM: ACCESS TO PUBLIC INFORMATION

Provisions on public information have been revised, including those addressing release of:

- Certain contracting information (SB 943);
- Evaluations (SB 1230);
- Information regarding the location or physical layout of certain shelter centers (HB 3091);
- Protected health information and out-of-state health-care provider information (SB 944);
- Information on applicants for disaster recovery funds (HB 3175);
- Information that would provide an advantage to competitors or bidders (SB 943);
- Expenditures for parades, concerts, or other entertainment events (HB 81); and
- Certain commercial, financial, and proprietary information (SB 943).

GBAA(LLEGAL) INFORMATION ACCESS: REQUESTS FOR INFORMATION

Legislation affected multiple provisions on requests for information, including:

- Duties of the officer for public information (SB 944);
- Methods for requesting information (SB 944);
- Requests for contracting information not maintained by the district (SB 943);
- Requests for an attorney general decision (SBs 943 and 944); and
- Temporary suspension of the Public Information Act by the board of a district currently impacted by a catastrophe (SB 494).

Other revisions are to better reflect statutory wording.

GBAA(LOCAL) INFORMATION ACCESS: REQUESTS FOR INFORMATION

As mentioned above, SB 494 permits the board of a district impacted by a catastrophe to temporarily suspend the Public Information Act. Recommended local policy text delegates to the superintendent the authority to approve the initial suspension period of up to seven consecutive days and provide the required notices to the attorney general and public. If an extension of the initial suspension period is needed, the law requires the board to determine that it is still impacted by the catastrophe, so the local policy text requires the board to approve an extension.

Districts may no longer regulate the manner in which a handgun, firearm, or ammunition is stored in a locked vehicle in a district parking area, provided the item is not in plain view (HB 1143).

HB 1791 broadens existing provisions that limit a district from providing unauthorized notice that handguns are prohibited.

GKA(LOCAL) COMMUNITY RELATIONS: CONDUCT ON SCHOOL PREMISES

Because HB 1143 prohibits a district from regulating the manner in which a handgun, firearm, or ammunition is stored in a locked vehicle in a district parking area, provided the item is not in plain view, we have deleted language requiring firearms to be unloaded. In addition, a superintendent may request information for the purpose of conducting a threat assessment or preparing a safety plan.

District of Innovation

A district is eligible for designation as a district of innovation if the district's most recent performance rating under Education Code 39.054 reflects at least acceptable performance.

A board may not vote on the final approval of the innovation plan if the district is assigned either a final or preliminary rating below acceptable performance. In the event the preliminary rating is changed, the board may then vote to become an innovation district.

Consideration of designation as a district of innovation may be initiated by a resolution adopted by the board or a petition signed by a majority of the members of the district-level committee [see BQA].

After adopting a resolution or receiving a petition for consideration as a district of innovation, a board shall hold a public hearing as soon as possible, but not later than 30 days, to consider whether the district should develop a local innovation plan for the designation of the district as a district of innovation.

At the conclusion of the public hearing or within 30 days after conclusion of the public hearing, the board may decline to pursue designation of the district as a district of innovation or appoint a committee to develop a local innovation plan.

The commissioner of education shall maintain a list of provisions from which designated districts of innovation are exempt. The commissioner shall notify the legislature of each provision from which districts enrolling a majority of students in this state are exempt.

If the performance of a campus satisfies performance standards under Education Code 39.054(e) for the current school year but would not satisfy the performance standards if the standards to be used for the following school year were applied to the current school year, on the request of the commissioner, the campus-level planning and decision-making committee shall revise and submit to the commissioner the portions of the campus improvement plan that are relevant to those areas for which the campus would not satisfy performance standards. The revised portions of the improvement plan must be submitted in an electronic format. *Education Code 39A.062*

Accountability

Notwithstanding the provisions of Education Code Chapter 39A, if the commissioner determines that a campus subject to interventions or sanctions has implemented substantially similar intervention measures under federal accountability requirements, the commissioner may accept the substantially similar intervention measures as measures in compliance with Education Code Chapter 39A. *Education Code 39A.063*

If the commissioner does not approve a campus turnaround plan, the commissioner shall order:

1. Appointment of a board of managers to govern the district;
2. Alternative management of the campus; or

If no election is to be held by the district on election day, a copy of the order shall be posted on election day at each polling place used or that would have been used in the election.

The ballots used at a separate election held at the same time as an election that would have been held if the candidates were not declared elected shall include the offices and names of the candi-

A person commits an offense if, during the voting period and within 100 feet of an outside door through which a voter may enter the building in which a polling place is located, the person loiters or electioneers for or against any candidate, measure, or political party.

A district that owns or controls a public building being used as a polling place or early voting polling place may not, at any time during the voting period or early voting period, as applicable, prohibit electioneering on the building's premises outside of the area described above, but may enact reasonable regulations concerning the time, place, and manner of electioneering.

Places

In an election on the November uniform election date in which the district is not holding a joint election with a county and has not executed a contract with a county elections officer under which the district and the county share early voting polling places, the district:

1. Shall designate as an early voting polling place for the election an eligible county polling place located in the district; and
2. May not designate as an early voting polling place a location other than an eligible county polling place unless each eligible county polling place located in the district is designated as an early voting polling place by the district.

“Eligible county polling place” means an early voting polling place, other than a polling place established under Election Code 85.062(e), established by a county.

Election Code 85.010(a), (a-1), (b)

Temporary Branch
Days and Hours

Early voting by personal appearance at each temporary branch polling place shall be conducted on the days that voting is required to be conducted at the main early voting polling place under Election Code 85.005 and remain open for at least:

1. Eight hours each day; or
2. Three hours each day if the city or county clerk does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters.

Election Code 85.064(b)

Bilingual election materials shall be used in each election precinct situated wholly or partly in a county in which five percent or more of the inhabitants are persons of Spanish origin or descent according to the most recent federal decennial census that may be officially recognized or acted upon by the state or political subdivisions.

Election Code 272.002

Other Languages

If the director of the census determines that a district must provide election materials in a language other than English or Spanish, the district shall provide election materials in that language in the same manner in which the district would be required to provide materials in Spanish, to the extent applicable. *Election Code 272.011; 52 U.S.C. 10503*

Section 15481(a)(3)] and its subsequent amendments, and that provides a practical and effective means for voters with physical disabilities to cast a secret ballot.

Election Code 61.012

Electronic Voting System Exceptions

For an election other than an election of a district that is held jointly with another election in which a federal office appears on the ballot, a district is not required to meet the requirements for accessibility under Election Code 61.012(a)(1)(C) if the district is located in a county that meets certain population and other requirements set forth in Election Code 61.013(a). A district that intends to use this provision to provide fewer voting stations that meet the requirements for accessibility than required must provide notice under Election Code 61.013(d). *Election Code 61.013*

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Tie Votes

Second Election

In an election requiring a plurality, if two or more candidates for the same office tie for the number of votes required to be elected, a second election to fill the office shall be held in accordance with the deadlines and other requirements of Election Code 2.002.

Other Options

Casting Lots

The tying candidates may agree to cast lots to resolve the tie. The agreement must be filed with the board. The board president shall supervise the casting of lots.

Withdrawal

A tying candidate may resolve the tie by filing with the board a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a second election or casting of lots is not held.

Automatic Recount

If the tie is not resolved by casting lots or withdrawal, an automatic recount shall be conducted under Election Code Chapter 216 before the second election is held.

Election Code 2.002

Runoff Election

In a district in which trustees are elected by majority vote under Education Code 11.057(c) [see BBB], if no candidate for a particular office receives the vote necessary to be elected, a runoff election for that office is required. *Election Code 2.021 et seq.*

If the candidates in a runoff election tie, an automatic recount shall be conducted under Election Code Chapter 216. If the recount does not resolve the tie, the tied candidates shall cast lots to determine the winner. The board president shall supervise the casting of lots. A tying candidate may resolve the tie by filing with the board president a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a casting of lots is not held. *Election Code 2.028*

Ballot Order

The order of the candidates' names on the ballot of any resulting runoff election or election held to resolve a tie vote shall be the relative order of names on the original election ballot. *Election Code 2.002(d), 52.094(a)*

Recounts

The district shall conduct an authorized recount in accordance with Election Code Title 13. *Election Code 211.001*

A candidate in a board election may obtain an initial recount in an election if the difference in the number of votes received by the candidate and any candidate for the office who is shown by the election returns to be elected, tied, or entitled to a place on a runoff ballot, if applicable, is less than ten percent of that candidate's number of votes, or the total number of votes received by all candidates for the office is less than 1,000. *Election Code 212.022*

A ground for obtaining an initial recount is not required to obtain an initial recount of electronic voting system results. A candidate may obtain an initial recount of electronic voting system results in an election only if the candidate is shown by the election returns not to be elected. *Election Code 212.0241*

An initial recount may not be conducted unless an authorized candidate submits a petition for the recount to the presiding officer of the local canvassing authority in accordance with Election Code Chapter 212, Subchapter B, accompanied by a deposit to cover the costs of the recount in accordance with Subchapter E. *Election Code 212.025, .026, .111*

Effect of Petition

The submission of a recount petition before a board completes its canvass does not delay the canvass for the office involved in the recount. The board shall make a notation on the tabulation of any office involved in a recount. The submission of a recount petition delays the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. This provision does not affect a candidate who has received a certificate of election and qualified for office before the submission of a recount petition involving the office. *Election Code 212.033, .0331*

Canvass Returns

General Rule

Except as provided below, a board shall convene to conduct the local canvass at the time set by the presiding officer not later than the 11th day after election day and not earlier than the later of:

Federal Securities Law

Disclosure
Obligations for
Bond and Other
Debt Offerings

Prior to publicly offering bonds, a school district must prepare and deliver to an underwriter an official statement containing the terms of the bond offering, a description of the district itself, financial and operating data of the district, and any other information that may be material to an investor interested in purchasing the district's bonds or otherwise required by Rule 15c2-12 (the "Rule") of the Securities Exchange Commission (SEC). *SEC Rule 15c2-12(b)* [See Note, below]

Liability under
Federal Securities
Law

School districts, board members, and employees of the district are subject to liability under the "antifraud provisions" of the federal securities laws contained in Section 17(a) of the Securities Act of 1933 (the "Securities Act"), Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 of the SEC. The antifraud provisions generally prohibit false or misleading statements made in connection with the offer or sale of a district's bonds (or the omission of material facts from such statements), including the official statement itself and any other statement reasonably expected to reach bond investors ("disclosures"). *SEC Exchange Act Release No. 33741 (Mar. 9, 1994)*

The antifraud provisions also apply to a district's continuing disclosure obligations under the Rule after a district's bonds are issued. [See Continuing Disclosure after Issuing Bonds, below] *SEC Report on the Municipal Securities Market (July 31, 2012) (the "SEC 2012 Report") at pg. 29 and SEC Exchange Act Release No. 33741 (Mar. 9, 1994)*

Continuing
Disclosure after
Issuing Bonds

Except for exempt offerings, the Rule requires underwriters to obtain a continuing disclosure agreement (CDA) from the district when the district issues bonds. The CDA obligates the district to prepare and file "continuing disclosures" of financial information and operating data after the bonds are issued. *SEC Rule 15c2-12(b)(5)* [See Note, below]

Note: In preparing an official statement, a district may reasonably rely on the advice of outside professionals who are also subject to the antifraud provisions, but a district is primarily liable for the content of its official statement and other disclosures. *SEC Exchange Act Release No. 36761 (Jan. 24, 1996)*

A district may engage qualified consultants, including qualified disclosure or securities counsel and a financial adviser, to assist with preparing an official statement and other disclosures relating to a bond offering. Creation of internal procedures may help to insulate a district against criticism or liability under federal securities laws.

Internal procedures may provide for (1) appointment of, and disclosure training for, district officials and employees who will be part of the financing team, (2) a procedure of accountability for review of the disclosures, and (3) ensuring that any procedures established are in fact followed.

Tax Rate Adoption	The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. <i>Education Code 45.002, .003(a)</i>
Maintenance Taxes	
<i>Restriction on Maintenance Tax Levy</i>	A district may not increase the rate of the district's maintenance taxes to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. <i>Education Code 45.0021(a)</i> [See Taxpayer Injunction, below]
<i>Maintenance Tax Rate Components</i>	A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and operations that does not exceed the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00.
Tier One	
Tier Two	A district's enrichment tax rate consists of: <ol style="list-style-type: none">1. Any cents of additional maintenance and operations tax effort, not to exceed eight cents over the maximum tier one tax rate; and2. Any cents of additional maintenance and operations tax effort that exceeds the sum of the maximum tier one tax rate and the maximum number of cents permitted under item 1 above. <i>Education Code 45.0032(a), (b)</i>
Districts Subject to Disaster Exception	For a district to which the Disaster Exception to Election Requirement described below applies, the amount by which the district's maintenance tax rate exceeds the district's voter-approval tax rate, excluding the district's current debt rate under Tax Code 26.08(n)(1)(C) for the preceding year is not considered in determining a district's tier one maintenance and operations tax rate or the district's enrichment tax rate for the current tax year. <i>Education Code 45.0032(d)</i>
<i>Maximum Tax Rate</i>	For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year. <i>Education Code 45.003(d), (e)</i>

Districts with
2005 Tax Rate
over \$1.50

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law [Art. 2784g Tex. Rev. Civ. Stat.] may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of 66.67 percent multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year, minus any amount by which \$1.00 exceeds the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. *Education Code 45.003(f)*

For a district described above, any cents of maintenance and operations tax effort that exceeds the maximum rate described at Maximum Tax Rate are not included in the district's tier one maintenance and operations tax rate or the district's enrichment tax rate and the district is not entitled to the guaranteed yield amount of state funds under Education Code 48.202 for those cents of tax effort. *Education Code 45.0032(c)*

Assessor and
Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

A district that used a method of selection for the 1994 tax year that was authorized by former Education Code Chapter 23, Subchapter F, may continue to use that method until the district uses another method authorized above. *Education Code 45.232*

The assessor and collector shall assess, collect, or assess and collect taxes, as applicable. *Tax Code 6.23(b)*

Collector's Bond

A district that has its own collector shall require the collector to give bond conditioned on the faithful performance of duties. The bond must be made payable to and be approved by the board in an amount determined by the board. The board may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The board may prescribe additional requirements for the bond.

A district whose taxes are collected by a person other than the district's own collector may require that person to give bond conditioned on the faithful performance of duties. The bond must be payable to, approved by, and paid for by the board in an amount determined by the board. The board may prescribe additional requirements for the bond.

If by July 20 the appraisal review board has not approved the appraisal records as required under Tax Code 41.12, the chief appraiser shall not later than July 25 prepare and certify to the assessor for a school district an estimate of the taxable value of property in the school district.

Tax Code 26.01(a)-(a-1)

By August 1 or as soon thereafter as practicable, a district's collector shall certify to the board the anticipated collection rate for the current year. *Districts with
July 1 Fiscal Year*

Notwithstanding the provisions above, a district with a fiscal year beginning July 1 may use the certified estimate of the taxable value of district property in preparing the required notice if the district does not receive the certified appraisal roll on or before June 7. A district that uses a certified estimate may adopt a budget at the public meeting designated in the published notice prepared using the estimate, but the district may not adopt a tax rate before the district receives the certified appraisal roll for the district.

After receipt of the certified appraisal roll, a district must publish a revised notice and hold another public meeting before the district may adopt a tax rate that exceeds:

1. The rate proposed in the notice prepared using the estimate; or
2. The district's voter-approval rate determined under Tax Code 26.08 using the certified appraisal roll.

*Early Adoption
Method*

Notwithstanding the provisions above or at Deadline below, a district may adopt a budget after the district adopts a tax rate for the tax year in which the fiscal year covered by the budget begins if the district elects to adopt a tax rate before receiving the certified appraisal roll for the district. If a district elects to adopt a tax rate before adopting a budget, the district must publish notice and hold a meeting for the purpose of discussing the proposed tax rate as provided above. Following adoption of the tax rate, the district must publish notice and hold another public meeting before the district may adopt a budget. The comptroller shall prescribe the language and format to be used in the notices. The district may use the certified estimate of taxable value in preparing a notice under this provision. *Education Code 44.004(j)*

The board of a district that elects to adopt a tax rate before the adoption of a budget for the fiscal year that begins in the current tax year may adopt a tax rate for the current tax year before receipt of the certified appraisal roll for the district if the chief appraiser of the appraisal district in which the district participates has certified to the assessor for the district an estimate of the taxable value of property in the district as specified at Certified Estimate of Values above. If a district adopts a tax rate under this provision, the non-revenue tax rate and the voter-approval tax rate of the district shall be calculated based on the certified estimate of taxable value. *Tax Code 26.05(g)*

Tax Rate Adoption
Requirements

Deadline

The board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll, below] The board must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the district, except that the board must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date that occurs in November of that year. [Note that Election Code 3.005(c) requires that an election to be held on a uniform date be ordered not later than the 78th day before election day; see Time for Election, below.]

The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and
2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

Tax Date for
Certain Districts

A district that before January 1, 1989, has for at least ten years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42.

Tax Code 26.135

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's no-new-revenue maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

Motion

A motion to adopt an ordinance, resolution, or order setting a tax rate that exceeds the no-new-revenue tax rate must be made in the following form: "I move that the property tax rate be increased

by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate.”

*Language and
Internet Posting*

If the ordinance, resolution, or order sets a tax rate that, if applied to the total taxable value, will impose an amount of taxes to fund maintenance and operation expenditures of the district that exceeds the amount of taxes imposed for that purpose in the preceding year the district must:

1. Include in the ordinance, resolution, or order in type larger than the type used in any other portion of the document:
 - a. The following statement: “THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR’S TAX RATE”; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: “THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”; and
2. Include on the home page of any internet website operated by the district:
 - a. The following statement: “(Insert name of unit) ADOPTED A TAX RATE THAT WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR’S TAX RATE”; and
 - b. If the tax rate exceeds the no-new-revenue maintenance and operations rate, the following statement: “THE TAX RATE WILL EFFECTIVELY BE RAISED BY (INSERT PERCENTAGE BY WHICH THE TAX RATE EXCEEDS THE NO-NEW-REVENUE MAINTENANCE AND OPERATIONS RATE) PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$(Insert amount).”

Failure to Adopt Tax
Rate

If the board does not adopt a tax rate before the date required at Deadline above, the tax rate for the district for that tax year is the lower of the no-new-revenue tax rate calculated for that tax year or the tax rate adopted by the district for the preceding tax year. A tax rate established by this provision is treated as an adopted tax rate. Before the fifth day after the establishment of a tax rate by this provision, the board must ratify the applicable tax rate in the manner set out at Tax Rate Adoption Requirements above. *Tax Code 26.05(c)*

Taxpayer Injunction

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district has not complied with the requirements above at Published Notice, including Form and Contents, Districts with July 1 Fiscal Year, if applicable, and Tax Rate Adoption Requirements, and the failure to comply was not in good faith. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 44.004(e); Tax Code 26.05(e)*

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district adopts a maintenance tax in violation of the prohibition described above at Restriction on Maintenance Tax Levy. An action to enjoin the collection of taxes must be filed before the date a district delivers substantially all of its tax bills. *Education Code 45.0021(b)*

Tax Information to
County

A district shall provide to the county assessor-collector for each county in which all or part of district territory is located the district's adopted tax rate, maintenance and operations rate, debt rate, no-new-revenue tax rate, no-new-revenue maintenance and operations rate, and voter-approval tax rate for posting on the county's internet website. The district shall provide the information annually following the adoption of a tax rate by the district for the current tax year. *Tax Code 26.16(a)-(b)*

Appraisal District
Property Tax
Database

The officer or employee designated by the board to calculate the no-new-revenue tax rate and the voter-approval tax rate for the district must electronically incorporate into the database created and maintained by the chief appraiser under Tax Code 26.17 the information required by Tax Code 26.17(e). *Tax Code 26.17(e)*

**Internet Posting of
Tax Rate and Budget

Each district shall maintain an internet website or have access to a generally accessible internet website that may be used for the purposes of this provision. Each district shall post or cause to be posted on the internet website the information required by Tax Code 26.18 in a format prescribed by the comptroller. *Tax Code 26.18* [See CE for required information]

**Election to Approve
Tax Rate**

If the board adopts a tax rate that exceeds the district's voter-approval tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. *Tax Code 26.08(a), (n)*

[For information on conducting elections, see the BBB series.]

Efficiency Audit

"Efficiency audit" means an investigation of the operations of a district to examine fiscal management, efficiency, and utilization of resources.

The board shall conduct an efficiency audit before seeking voter approval to adopt a tax rate for the maintenance and operations of the district at an election held for that purpose and may not hold an election without complying with this requirement.

The board may select the auditor that conducts the district's annual audit under Education Code 44.008 and may include the efficiency audit as part of the district's annual audit. [See CFC] A district must pay for the costs associated with an efficiency audit required under this provision. A district shall provide all documents, records, and personnel requested by the auditor as needed to conduct the audit in an efficient manner.

The board must select an auditor to conduct an efficiency audit not later than four months before the date on which the district proposes to hold an election to adopt a maintenance and operations tax rate. An auditor selected by the board must maintain independence from the district and complete the efficiency audit not later than three months after the date the auditor was selected.

Before an election at which a district seeks voter approval to adopt a tax rate, the board must hold an open meeting to discuss the results of the efficiency audit. Not later than 30 days before the date of the election, the results of an efficiency audit must be posted on the district's internet website.

Disaster Exception	The board of a district all or part of which is located in an area declared a disaster area by the governor may hold an election to seek voter approval to adopt a maintenance and operations tax rate during the two-year period following the date of the declaration without conducting an efficiency audit otherwise required above. <i>Education Code 11.184(b-1)</i>
<i>To Efficiency Audit Requirement</i>	
<i>To Election Requirement</i>	When increased expenditure of money by a district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, that has impacted a district and the governor has requested federal disaster assistance for the area in which the district is located, an election is not required to approve the tax rate adopted by the board for the year following the year in which the disaster occurs. A tax rate adopted under this provision applies only in the year for which the rate is adopted. If a district adopts a tax rate under this provision, the amount by which that rate exceeds the district's voter-approval tax rate for that tax year may not be considered when calculating the district's voter-approval tax rate for the tax year following the year in which the district adopts the rate. <i>Tax Code 26.08(a-1)</i>
Time for Election	The board shall order that the election be held in the district on the next uniform election date prescribed by Election Code 41.001 that occurs after the date of the election order and that allows sufficient time to comply with the requirements of other law. <i>Tax Code 26.08(b)</i>
<i>Uniform Election Date</i>	For an election to be held on a uniform election date, the election shall be ordered not later than the 78th day before election day. <i>Notice to County Clerk</i>	The board shall deliver notice of the election to the county clerk and voter registrar of each county in which the district is located not later than the 60th day before election day.
Exception	A board that orders an election to ratify a tax rate adopted by the board under the early adoption method described above shall deliver notice of the election to the county clerk of each county in which the district is located not later than the 30th day before election day. <i>Election Code 4.008</i>
Proposition	At the election, the ballots shall be prepared to permit voting for or against the proposition: "Ratifying the ad valorem tax rate of _____"

(insert adopted tax rate) in (name of school district) for the current year, a rate that will result in an increase of _____ (insert percentage increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year) percent in maintenance and operations tax revenue for the district for the current year as compared to the preceding year, which is an additional \$_____ (insert dollar amount of increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year).” *Tax Code 26.08(b)*

In addition to any other requirement imposed by law for a proposition, including a provision prescribing the proposition language, a proposition submitted to the voters for approval of the imposition or increase of a tax shall specifically state the amount of or maximum tax rate of the tax or tax increase for which approval is sought. *Election Code 52.072(e)(1)*

Each proposition on the ballot must identify the name of the authority ordering the election on the measure. *Election Code 52.095(c)*

Election Outcome

If a majority of the votes cast in an election favor the proposition, the tax rate for the current year is the rate that was adopted by the board. If the proposition is not approved, a board may not adopt a tax rate for the current year that exceeds the district’s voter-approval tax rate. *Tax Code 26.08(c)–(d)*

Exemptions

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

Persons 65 or Older or Disabled

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Goods-in-Transit

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2).

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

Authority granted to a person to invest the district's funds is effective until rescinded by the district or until termination of the person's employment by a district, or for an investment management firm, until the expiration of the contract with the district. *Gov't Code 2256.005(f)*

The annual financial audit report and state compensatory agreed-upon procedures report are due 150 days after the end of the fiscal year.

*Independent
Auditor*

A district must hire at its own expense an independent auditor to conduct an independent audit of its financial statements and provide an opinion on its annual financial and compliance report.

The independent auditor must:

2. Be a certified public accountant with a current valid license issued by the Texas State Board of Public Accountancy, as required under Education Code 44.008; and
3. Adhere to the generally accepted auditing standards (GAAS), adopted by the American Institute of CPAs (AICPA), as amended, and the generally accepted government auditing standards (GAGAS), adopted by the U.S. Government Accountability Office, as amended.

The CPA firm must:

Financial Records

Each treasurer receiving or having control of any school fund shall keep a full and separate itemized account of each of the different classes of school funds received, and these records shall be available to audit. *Education Code 44.008(c)*

**Financial
Accountability
Rating System**

TEA will assign a financial accountability rating to each district. The commissioner of education will evaluate the rating system every three years and may modify the system to improve the effectiveness of the rating system. *Education Code 39.082; 19 TAC 109.1001(b), (c)*

Data Reviewed

TEA will use the following sources of data in calculating the financial accountability indicators for school districts:

1. Audited financial data in a district's annual financial report, the audited annual report required by Education Code 44.008 [see Audit Requirements and Procedures above].
2. PEIMS data submitted by a district.
3. Warrant holds as reported by the comptroller.
4. The average daily attendance information used for foundation school program purposes for a district.

19 TAC 109.1001(d)

Basis for Rating

TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year. *19 TAC 109.1001(e)*

Types of Ratings

The types of financial accountability ratings a district may receive are A for superior achievement, B for above standard achievement, C for standard achievement, and F for substandard achievement. A school district receiving territory due to an annexation order by the commissioner under Education Code 13.054, or consolidation under Education Code Chapter 41, Subchapter H, will not receive a rating for two consecutive years beginning with the rating year that is based on financial data from the fiscal year in which the order of annexation becomes effective. After the second rating year, the receiving district will be subject to the financial accountability rating system.

The commissioner may lower a financial accountability rating based on the findings of an action conducted under Education Code Chapter 39, or change a financial accountability rating in cases of disaster, flood, extreme weather conditions, fuel curtailment, or another calamity. A financial accountability rating remains in effect until replaced by a subsequent rating.

19 TAC 109.1001(i), (k), (l)

Issuance of Ratings TEA will issue a preliminary financial accountability rating to a district on or before August 8 of each year. TEA will not delay the issuance of a preliminary or final rating if a district fails to meet the statutory deadline under Education Code 44.008 for submitting the annual financial report. Instead, the district will receive an F rating for substandard achievement.

If TEA receives an appeal of a preliminary rating under 19 Administrative Code 109.1001(n), TEA will issue a final rating to a district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of a preliminary rating.

19 TAC 109.1001(m)

Appeals A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).

A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule. *19 TAC 109.1001(o)*

**Annual Audit of
Dropout Records**

The commissioner shall develop a process for auditing district dropout records electronically. The commissioner shall also develop a system and standards for review of the audit or use systems already available at TEA. The system must be designed to identify districts that are at high risk of having inaccurate dropout records and that, as a result, require on-site monitoring of dropout records.

If the electronic audit of a district's dropout records indicates that the district is not at high risk of having inaccurate dropout records, the district may not be subject to on-site monitoring. If the risk-based system indicates that a district is at high risk of having inaccurate dropout records, the district is entitled to an opportunity to respond to the commissioner's determination before on-site monitoring may be conducted. A district must respond not later than the 30th day after the date the commissioner notifies the district of the commissioner's determination. If a district's response does not change the commissioner's determination that the district is at high risk of having inaccurate dropout records or if the district does not respond in a timely manner, the commissioner shall order TEA staff to conduct on-site monitoring.

or Above \$50,000**

All district contracts for the purchase of goods and services, except contracts for the purchase of produce or vehicle fuel, valued at \$50,000 or more in the aggregate for each 12-month period, shall be made by the method that provides the best value for a district:

1. Competitive bidding for services other than construction services.
2. Competitive sealed proposals for services other than construction services.
3. A request for proposals for services other than construction services.
4. An interlocal contract.
5. The reverse auction procedure as defined by Government Code 2155.062(d).
6. The formation of a political subdivision corporation under Local Government Code 304.001 (purchase of electricity).

Education Code 44.031(a)

[See COA for requirements applicable to school nutrition purchases, including produce, using federal funds.]

Note: Regarding construction of school facilities, see CV generally; CVA for competitive bidding; CVB for competitive sealed proposals; CVC and CVD for contracts using a construction manager; CVE for design/build contracts; and CVF for job order contracts for minor repairs/alterations.

Factors

In awarding a contract, a district shall consider:

1. Purchase price.
2. The reputation of the vendor and of the vendor's goods or services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the goods or services.
8. For a contract that is not for goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This section does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist.*, 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)

Out-of-State Bidders

A board shall not award a contract for services or for purchase of supplies, materials, or equipment to a bidder whose principal place of business is not in this state, unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located, or a state in which a majority of the manufacturing relating to the contract will be performed. *Gov't Code 2252.001–.002*

This requirement shall not apply to a contract involving federal funds. A district shall rely on information published by the comptroller in evaluating the bids of a nonresident bidder. *Gov't Code 2252.003–.004*

Required Contract Provisions

A district may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company that it does not boycott Israel and will not during the term of the contract.

The requirement above applies only to a contract that:

1. Is between a district and a company with ten or more full-time employees; and
2. Has a value of \$100,000 or more that is to be paid wholly or partly from public funds of the district.

Gov't Code 2271.002

2. Results in the expenditure of at least \$1 million in public funds for the purchase of goods or services by the district in a fiscal year of the district.

A board may not accept a bid for a contract described above or award the contract to an entity that the board has determined has

knowingly or intentionally failed to comply with Government Code Chapter 552, Subchapter J (Additional Provisions Relating to Contracting Information) in a previous bid or contract described above unless the board determines and documents that the entity has taken adequate steps to ensure future compliance with the requirements of that subchapter. [For additional information and requirements, see GBA and GBAA.]

1. Preserve all contracting information related to the contract as provided by the records retention requirements applicable to the district for the duration of the contract;

 - a. Provide at no cost to the district all contracting information related to the contract that is in the custody or possession of the entity; or
 - b. Preserve the contracting information related to the contract as provided by the records retention requirements applicable to the district.

Bid and Contract Language

Except as described at Exception, below, a bid for a contract described above and the contract must include the following statement: "The requirements of Subchapter J, Chapter 552, Government Code, may apply to this (include "bid" or "contract" as applicable) and the contractor or vendor agrees that the contract can be terminated if the contractor or vendor knowingly or intentionally fails to comply with a requirement of that subchapter."

Notice of Noncompliance

A board that is the party to a contract described above shall provide notice to the entity that is a party to the contract if the entity fails to comply with a requirement of Government Code Chapter 552, Subchapter J applicable to the entity. The notice must:

1. Be in writing;
2. State the requirement that the entity has violated; and
3. Unless the exception described below applies, advise the entity that the board may terminate the contract without further obligation to the entity if the entity does not cure the violation on or before the tenth business day after the date the board provides the notice.

*Contract
Termination*

Except as provided below, a governmental body may terminate a contract described above if:

1. The board provides the required notice to the entity that is party to the contract;
2. The contracting entity does not cure the violation in the prescribed period;
3. The board determines that the contracting entity has intentionally or knowingly failed to comply with a requirement of Government Code Chapter 552, Subchapter J; and
4. The board determines that the entity has not taken adequate steps to ensure future compliance with the requirements of that subchapter.

An entity has taken adequate steps to ensure future compliance with Government Code Chapter 552, Subchapter J if:

1. The entity produces contracting information requested by the board that is in the custody or possession of the entity not later than the tenth business day after the date the board makes the request; and
2. The entity establishes a records management program to enable the entity to comply with Government Code Chapter 552, Subchapter J.

Exception

A board may not terminate a contract under these provisions if the contract is related to the purchase or underwriting of a public security, the contract is or may be used as collateral on a loan, or the contract's proceeds are used to pay debt service of a public security or loan.

Gov't Code 552.371(a), .372-.374 [See GBA]

3. Is for services that would require a person to register as a lobbyist under Government Code Chapter 305.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Factors, above].

Except as provided below, Local Government Code Chapter 271, Subchapter B does not apply to a competitive bidding process under this policy.

A board shall have the right to reject any and all bids. *Local Gov't Code 271.027(a)*

Safety Record

In determining who is a responsible bidder, a board may take into account the safety record of the bidder; of the firm, corporation, partnership, or institution represented by the bidder; or of anyone acting for such firm, corporation, partnership, or institution, provided that:

1. The board has adopted a written definition and criteria for accurately determining the safety record of the bidder.

2. The board has given notice in the bid specifications that the safety record of a bidder may be considered in determining the bidder's responsibility.
3. The determinations are not arbitrary and capricious.

Local Gov't Code 271.0275

If only one of the bidders submitting identical bids is a resident of a district, that bidder shall be selected. If two or more such bidders are residents of a district, one shall be selected by the casting of lots. In all other cases, one of the identical bids shall be selected by the casting of lots.

A board shall prescribe the manner of casting lots and shall be present when the lots are cast. All qualified bidders or their representatives may be present at the casting of lots.

Local Gov't Code 271.901

Competitive Sealed Proposals

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a school district shall follow the procedures prescribed below.

Request for Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror

and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

Best Value
Determination

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

**Interlocal
Agreements**

To increase efficiency and effectiveness, a district may contract or agree with other local governments and with state agencies, including the comptroller, to perform some of its purchasing functions. *Gov't Code 791.001, .011, .025*

An interlocal contract must be authorized by a board and the governing body of each contracting party; must state the purpose, terms, rights, and duties of the contracting parties; and must specify that each party paying for the performance of governmental functions or services shall make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. The contract may be renewed and may have a specified term of years.

Gov't Code 791.011(d)–(f), (i)

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and services reasonably required for the installation, operation, or maintenance of the goods. Such an agreement may not, however, apply to services provided by firefighters, police officers, or emergency medical personnel.

A district that purchases goods and services by agreement with another local government or with the state or state agency satisfies the requirement to seek competitive bids for the purchase of goods and services.

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of

plans and specifications under Chapter 1001 or 1051, Occupations Code; or

2. The plans and specifications required under Chapters 1001 and 1051, Occupations Code, have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Gov’t Code 791.011(j)

State Purchasing Program

Purchasing services performed for a district by the comptroller shall include:

2. Solicitation of bids on items desired by a district if the solicitation is considered feasible by the comptroller and is desired by the district.

The comptroller may charge a district its actual costs in providing purchasing services.

Local Gov’t Code 271.082

District Requirements

A district may participate in the purchasing program, including participation in purchases that use the reverse auction procedure, by filing with the comptroller a resolution adopted by the board requesting that the district be allowed to participate on a voluntary basis, to the extent the comptroller deems feasible, and stating that the board shall:

1. Designate an official to act for the district in all matters relating to the program, including the purchase of items from the vendor under any contract.
2. Direct the decisions of its representative.
3. Be responsible for:
 - a. Submitting requisitions to the commission under contract(s) and for payment directly to the vendor; and
 - b. Electronically sending purchase orders directly to vendors, or complying with procedures governing a reverse auction purchase, and electronically sending the comptroller reports on actual purchases.

4. Be responsible for the vendor's compliance with all conditions of delivery and quality of the purchased item.

A purchase made through participation in this program meets any state requirement to seek competitive bids for the purchase of the item.

Local Gov't Code 271.083

**Multiple Award
Contract Schedule**

The comptroller shall develop a schedule of multiple award contracts that have been previously awarded using a competitive process by the federal government or any other governmental entity in any state. *Gov't Code 2155.502*

A district may purchase goods or services directly from a vendor under a contract listed on a schedule. A district contracting for the purchase of an automated information system under a contract listed on a schedule shall comply with Government Code 2157.068(e-1) (purchase of information technology commodity items) [see Automated Information System, above]. An authorized purchase satisfies any requirement of state law relating to competitive bids or proposals.

The price listed for a good or service under a multiple award contract is a maximum price. A district may negotiate a lower price for goods or services under a contract listed on a schedule.

Gov't Code 2155.504

**Cooperative
Purchasing Program**

A district may participate in a cooperative purchasing program with another local government of this state or another state or with a local cooperative organization of this state or another state. If a district does so, it may sign an agreement with another participating local government or a local cooperative stating that the district will:

1. Designate a person to act on behalf of the district in all matters relating to the program.
2. Make payments to another participating local government or local cooperative organization or directly under a contract, as provided in the agreement.
3. Be responsible for the vendor's compliance.

If a district participates in a cooperative purchasing program, it satisfies any law requiring it to seek competitive bids.

Local Gov't Code 271.102; Atty. Gen. Op. JC-37 (1999)

Contract-Related Fee

A school district that enters into a purchasing contract valued at \$25,000 or more under Education Code 44.031(a)(5) (interlocal contract), under Local Government Code Chapter 271, Subchapter

The amount, purpose, and disposition of any fee described above must be presented in a written report and submitted annually in an open meeting of the board. The written report must appear as an agenda item. The commissioner of education may audit the written report.

Education Code 44.0331

A district that uses the reverse auction procedure must include in the procedure a notice provision and other provisions necessary to produce a method of purchasing that is advantageous to the district and fair to vendors. *Local Gov't Code 271.906(b)*

Reverse auction procedure means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)–(b)*

Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

No Appeal

The amount of the allotment determined by the commissioner is final and may not be appealed. *19 TAC 66.1307(d)*

**Delayed Publisher
Payment Option**

A district may requisition and receive state-adopted instructional materials before allotment funds for those materials are available. The total cost of delayed-payment-option materials requisitioned may not exceed 80 percent of the district's expected allotment for the subsequent biennium.

When a district submits a requisition for instructional materials under this provision, the Texas Education Agency (TEA) will expend a district's existing allotment balance before applying the delayed payment option. TEA will make payment for any remaining balance for a district's order as the allotment funds become available and will prioritize payment for requisitions over reimbursement of purchases made directly by a district.

The commissioner shall ensure that publishers of instructional materials are informed of any potential delay in payment and that payment is subject to the availability of appropriated funds. Publishers may decline orders for which payments could be delayed. A publisher's decision to decline an order shall affect all of that publisher's orders for which payments could be delayed. Publishers may not selectively decline individual orders or orders from individual districts. Government Code Chapter 2251 does not apply to requisitions under this provision.

Education Code 31.0215; 19 TAC 66.1312

Allotment
Adjustment

*Change in
Enrollment*

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

*High Enrollment
Growth*

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

High-enrollment growth adjustments will be based on the difference between the district's percentage of enrollment growth and that of the state. Enrollment growth calculations will be determined each fiscal year based on fall Texas Student Data Systems Public Education Information Management System (TSDS PEIMS) enrollment data. The amount of the adjustment determined by the commissioner is final and may not be appealed.

If sufficient funds are available, high-enrollment growth adjustments will be granted once each fiscal year. Notwithstanding this, a district that experiences an unexpected growth:

1. Of at least two percent due to a natural or man-made disaster or catastrophic event may apply for additional funding at any time during a fiscal year.
2. In its bilingual population of at least ten percent in any school year may apply for additional bilingual funding at any time during a fiscal year.

Any additional funding will be dependent on the availability of funds.

The per-student high-enrollment growth adjustment granted in the second year of a biennium shall not exceed one-half of the per-student amount established as the biennial allotment.

Certification of
Allotment

A district shall annually certify to the commissioner that the district's allotment has been used only for permitted expenses. *Education Code 31.0213*

Priority of Purchase

Each biennium a district shall use the district's allotment to purchase, in the following order:

Education Code 31.0211(d); 19 TAC 66.1307(e)

**Instructional
Materials and
Technology Account**

The commissioner shall maintain an instructional materials and technology account for each district. In the first year of each biennium, the commissioner shall deposit the district's allotment in the account. The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

A district may also use funds in the district's account to purchase electronic instructional materials or technological equipment. The district shall submit to the commissioner a request for funds for this purpose from the district's account in accordance with the commissioner's rules.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium. At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

Education Code 31.0212

Access to Allotment

The allotment for each biennium will be made available for district use through the state's online instructional material ordering system (EMAT) as early as possible in the fiscal year preceding the beginning of the biennium for which the funds have been appropriated. A district may access its allotment for any upcoming school year upon completion of:

1. Submission to the commissioner certification that:
 - a. The district has instructional materials that cover all the required Texas essential knowledge and skills (TEKS), except those for physical education, as required by Education Code 31.004 [see Certification of Instructional Materials, below]; and
 - b. The district has used its allotment for only the allowable expenditures [see Permitted Expenditures and Certification of Allotment Use, above]; and
2. Preparation by TEA of EMAT for the new school year with the new allotment amounts.

Upon completion of these requirements, a district may access its funds by correctly providing all information required in EMAT.

Online Requisition System (EMAT)

The commissioner shall maintain an online requisition system (EMAT) for districts to requisition instructional materials to be purchased with the district's allotment. *Education Code 31.101(f)*

Delegation of Authority

The board may delegate to an employee the authority to requisition, distribute, and manage the inventory of instructional materials, consistent with Education Code Chapter 31 and rules adopted under that chapter. *Education Code 31.104(a)*

Local Funds	A district may use local funds to purchase any instructional materials in addition to those selected under Education Code Chapter 31. <i>Education Code 31.106</i>
Requisitions, Use, and Distribution	A district shall make a requisition for instructional materials using the online requisition program (EMAT) maintained by the commissioner. Distribution	The board shall distribute printed instructional materials to students in the manner that the board determines is most effective and economical. <i>Education Code 31.102(c)</i>
Supplemental Instructional Materials	A district may requisition supplemental instructional material adopted by the SBOE but not on the instructional material list adopted under Education Code 31.023 only if the district requisitions the supplemental instructional material along with other supplemental instructional materials or instructional materials on the list adopted under Education Code 31.023 that in combination cover each element of the essential knowledge and skills for the course for which the district is requisitioning the supplemental instructional materials. <i>Education Code 31.035(d)</i>
Availability of Open Education Resource Instructional Materials	<p>A district that selects open education resource instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:</p> <ol style="list-style-type: none">1. Electronic access to the instructional material at no cost to the student; or2. Printed copies of the portion of the instructional material that will be used in the course. <p><i>Education Code 31.103(d)</i></p>

Training shall be completed prior to ordering instructional materials for the first time and again each time the district is notified by TEA that the training has been updated. The district shall maintain documentation of the completion of the required training. <i>19 TAC 66.107(d)</i>
Special Instructional Materials	All laws and rules applying to instructional materials provided to students with no disabilities that are not in conflict with Education Code 31.028 or 19 Administrative Code 66.1311 shall apply to the

**Bilingual
Instructional
Materials**

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. The commissioner shall determine the amount of the allotment for bilingual education based on TSDS PEIMS bilingual enrollment data from the fall collection of the school year preceding the first year of each biennium. *Education Code 31.029; 19 TAC 66.1307(c)*

**Certification of
Instructional
Materials**

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that for each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level, the district provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level. The certification shall be submitted in a format approved by the commissioner and can be based on both state-adopted and non-state-adopted materials.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;
2. Materials adopted or purchased by the commissioner under Education Code 31.0231 or Education Code Chapter 31, Subchapter B-1;
3. Open education resource instructional materials submitted by eligible institutions and adopted by the SBOE;
4. Open education resource instructional materials made available by other public schools;
5. Instructional materials developed or purchased by the district; and
6. Open education resource instructional materials and other electronic instructional materials included in the repository under Education Code 31.083.

The certifications shall be ratified by the board in a public, noticed meeting.

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which open education resource instructional material that a district does not intend to use for another student is distributed, the printed copy of the open education resource instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of open education resource instructional material.

Education Code 31.104(c), (g)–(h); 19 TAC 66.107(b)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of open education resource instructional material.

Education Code 31.104(d), (e), (h); 19 TAC 66.107(c) [See also EF]

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and

The board may dispose of printed instructional material before the date the instructional material is discontinued for use in the public schools by the SBOE if the board determines that the instructional material is not needed by the district and the board does not reasonably expect that the instructional material will be needed. A district must notify the commissioner of any instructional material the district disposes of under this provision.

Fees for
Transportation

For information regarding fees a district may charge for transportation, see FP(LEGAL).

**Hazardous

Eligibility

A district or county is eligible to report hazardous area service annual mileage in the Foundation School Program (FSP) transportation application if the district submits to the Texas Education Agency (TEA) a policy adopted by the board that:

1. Explains the specific hazardous traffic conditions or areas presenting high risk for violence that apply to the district and exist within two miles of its campuses; and

2. If a district elects to implement community walking transportation programs or innovative school safety projects, requires such district-supported community walking transportation programs or innovative school safety projects to:
 - a. Utilize trained adults with current background checks to either walk students to their home or school or to stand guard along safe routes; and
 - b. Provide financial reports to the district each semester.

19 TAC 61.1016(c)

Reporting

A district is required to submit a hazardous area policy prior to the start of the school year and to report annual hazardous area service mileage by August 1 of each school year on the home-to-school/school-to-home section of the FSP transportation route services report. Districts requesting funds for an area presenting a high risk of violence must provide to TEA, contemporaneously with the explanation required at Eligibility above, consolidated law enforcement records that document violent crimes identified by reporting agencies within the relevant jurisdiction. *19 TAC 61.1016(d)*

Designation of
Child-Care Facility
or Grandparent's
Residence

A board, after determining eligibility for transportation services, shall allow a parent to designate a child-care facility or the residence of a grandparent of the child instead of the child's residence as the regular location for purposes of obtaining transportation under the system to and from the child's school, if the location is an approved stop on an approved route. *Education Code 34.007(b)(2)*

These procedures shall:

1. Ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with 42 U.S.C. 675(4)(A); and
2. Ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the district will provide transportation to the school of origin if:
 - a. The local child welfare agency agrees to reimburse the district for the cost of such transportation;

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

as provided by Government Code 2254.004 [see Procuring Professional Services, below].

Gov't Code 2269.057

This section does not prohibit a district from choosing a registered architect or a registered professional engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand, limit, or otherwise alter the scope of a design professional's practice nor does it allow a design professional to prepare an architectural plan or specification described above.

Occupations Code 1051.703; 22 TAC 1.212

*Registered
Engineer*

Electrical or mechanical engineering plans, specifications, and estimates for a district construction project whose contemplated cost at completion is more than \$8,000 and that involves public health, welfare, or safety must be prepared by a registered professional engineer, and the engineering construction executed under the supervision of such an engineer. *Occupations Code 1001.053; Atty. Gen. Op. C-791 (1966)*

A district is not required to secure the services of a registered professional engineer to prepare plans for or supervise a construction project that does not involve electrical or mechanical engineering and for which the contemplated cost does not exceed \$20,000. *Occupations Code 1001.053*

*Certification for
Purchases
Through
Purchasing
Cooperatives*

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Chapter 1001 or 1051, Occupations Code; or
2. The plans and specifications required under Chapters 1001 and 1051, Occupations Code, have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Gov't Code 791.011(j)

Procuring

A district may contract for professional services rendered by a financial consultant or a technology consultant in the manner provided by Government Code 2254.003, in lieu of the methods provided by Education Code 44.031. *Education Code 44.031(f)*

Competitive bids shall not be solicited for professional services of any architect, landscape architect, land surveyor, professional engineer, or state-certified or state-licensed real estate appraiser. Contracts for these professional services shall be made on the basis of demonstrated competence and qualifications to perform the services and for a fair and reasonable price. *Gov't Code 2254.002, .003(a)*

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate a contract with that provider at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable

price. A district shall continue this process until the parties enter into a contract.

Gov't Code 2254.004

Contracts for
Engineering or
Architectural
Services

Indemnification

A covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which the district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.

Duty to Defend

Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which the district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer or architect or that person's agent, employee, or subconsultant, over which the district exercises control. A covenant or promise may provide for the reimbursement of the district's reasonable attorney's fees in proportion to the engineer's or architect's liability.

*District as
Additional
Insured*

The district may require in a contract for engineering or architectural services that the engineer or architect name the district as an additional insured under the engineer's or architect's general liability insurance policy and provide any defense provided by the policy.

Standard of Care

A contract for engineering or architectural services to which a governmental agency is a party must require a licensed engineer or registered architect to perform services:

1. With the professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license; and

2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

In a contract for engineering or architectural services to which the district is a party, a provision establishing a different standard of care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

Local Gov't Code 271.904

Right to Work

While engaged in procuring goods or services, awarding a contract, or overseeing procurement or construction for a public work or public improvement under Government Code Chapter 2269, a district:

1. May not consider whether a person is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to an organization.

Gov't Code 2269.054

**Collective
Bargaining**

A district awarding a public work contract funded with state money, including the issuance of debt guaranteed by the state, may not:

1. Prohibit, require, discourage, or encourage a person bidding on the public work contract, including a contractor or subcontractor, from entering into or adhering to an agreement with a collective bargaining organization relating to the project; or
2. Discriminate against a person described by item 1 based on the person's involvement in the agreement, including the person's status or lack of status as a party to the agreement or willingness or refusal to enter into the agreement.

Gov't Code 2269.0541

Accessibility

Each facility or part of a facility constructed by, on behalf of, or for the use of a district shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by individuals with disabilities. Alterations of facilities

that affect or could affect their usability shall, to the maximum extent feasible, be altered in such manner that the altered portion is readily accessible to and usable by individuals with disabilities. 28 C.F.R. 35.151, 34 C.F.R. 104.23

**Payment and
Performance Bonds**

When a board makes a public work contract for constructing, altering, or repairing a public building or carrying out or completing any public work, it shall require the contractor, before beginning the work, to execute payment and/or performance bonds as specified below. The bonds shall be executed by a corporate surety in accordance with Insurance Code 7.19-1. The bond shall be payable to the board and in a form approved by the board. *Gov't Code 2253.021(a), (d)–(e)*

For a contract in excess of \$100,000, a performance bond shall be executed in the amount of the contract conditioned on the faithful performance of the work according to the plans, specifications, and contract documents. The bond is solely for the protection of a district. *Gov't Code 2253.021(b)*

For a contract in excess of \$25,000, a payment bond shall be executed in the amount of the contract solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material. *Gov't Code 2253.021(c)*

**Failure to Obtain
Payment Bond**

If a board fails to obtain a payment bond covering a contract in excess of \$25,000 from the prime contractor, it is subject to the same liability as a surety would be, and a payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the contract were subject to Subchapter J, Chapter 53, Property Code. *Gov't Code 2253.027*

**No Bond for Design
Services Only**

A payment or performance bond is not required and may not provide coverage for the design portion of the design-build contract with the design-build firm. *Gov't Code 2269.311(a)* [See CVE for more information on design/build contracts, including bond amounts.]

**Bond for Insured
Loss**

A board shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the governmental entity, furnishes or has furnished by a contractor:

1. A performance bond for the benefit of a district, as described above; and
2. A payment bond, as described above. If the payment bond is not furnished, a district is subject to the same liability that a

surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

These bonds shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

Exception to Bond Requirement

The requirement that a district secure a performance or payment bond from an insurance company, above, does not apply when a surety company is complying with an obligation under a bond that had been issued for the benefit of the district.

Gov't Code 2253.022

Prevailing Wage on Public Works

A worker, laborer, or mechanic employed on a public work, exclusive of maintenance work, by or on behalf of a district shall be paid not less than the general prevailing rate of per diem wages. The general prevailing rate of per diem wages is the rate of per diem wages for work of a similar character in the locality in which the work is performed, and also includes the rate of per diem wages for legal holiday and overtime work. A worker is employed on a public work if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

Gov't Code 2258.001, .021

A board shall determine, as a sum certain, the general prevailing rate of per diem wages in a district for each craft or type of worker needed to execute the contract and also for legal holiday and overtime work. To ascertain the general prevailing rate of per diem wages, a board shall either conduct a survey of the wages received by classes of workers, laborers, and mechanics employed on projects of a character similar to the contract work in a district or adopt the prevailing wage rate as determined by the U.S. Department of Labor. A board shall specify the prevailing rate of per diem wages in the call for bids and in the contract itself. A board's determination of the general prevailing rates of per diem wages shall be final. *Gov't Code 2258.001, .022*

Enforcement

A board, and an agent or officer of the board, shall receive complaints regarding violations of the prevailing wage requirements of Chapter 2258, and withhold money from the contractor as required by statute. Upon receipt of a complaint, a board shall determine, before the 31st day after the date the information is received, whether good cause exists to believe that a contractor or subcontractor has failed to pay the prevailing wage and shall provide written notice of its determination to the contractor or subcontractor and any affected laborer, worker, or mechanic of its initial determination. *Gov't Code 2258.051-.052*

Retainage and
Reimbursement

A board shall retain any amounts due under the contract pending a final determination of the violation. Upon a final determination that violations have occurred, a board shall use those retained amounts to pay the laborer, worker, or mechanic the difference between the amount the worker received in wages and the amount the worker would have received at the prevailing rate of per diem wages provided in the arbitrator's award. A board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.052(d), .056*

Penalty for
Noncompliance

The contractor to whom the contract is awarded or any subcontractors of the contractor shall pay not less than the specified rates to all laborers, workers, and mechanics employed in the execution of the contract. A contractor or subcontractor who fails to pay the specified rates as required shall pay to a district \$60 for each worker, laborer, or mechanic employed for each calendar day or part of a calendar day the worker is paid less than the wage rates specified in the contract. A board must specify this penalty in the contract. If a district does not determine the prevailing wage rates and specify them in the contract, the contractor or subcontractor may not be fined. A board shall use any penalty money collected to offset the costs incurred in administering Government Code Chapter 2258. *Gov't Code 2258.023*

**Required Workers'
Compensation
Coverage**

A district that enters into a building or construction contract shall require the contractor to certify in writing that the contractor provides workers' compensation insurance coverage for each employee of the contractor employed on the public project. Each subcontractor shall provide such a certificate relating to coverage of the subcontractor's employees to the general contractor, who shall provide the subcontractor's certificate to the district. *Labor Code 406.096*

"Project" includes the provision of all services related to a building or construction contract for a district. A district that enters into a building or construction contract on a project shall:

1. Include in the bid specifications all the duties and responsibilities of contractors pertaining to required workers' compensation coverage, using the language required by 28 Administrative Code 110.110(c)(7).
2. As part of the contract, using the language required by 28 Administrative Code 110.110(c)(7), require the contractor to perform the duties and responsibilities pertaining to required workers' compensation coverage as set out in 28 Administrative Code 110.110(d).
3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person

beginning work on the project. This provision includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, but is not limited to, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity furnishing persons to perform services on the project. "Services" includes, but is not limited to, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

4. Obtain from the contractor a new certificate of coverage showing extension of coverage:
 - a. Before the end of the current coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and
 - b. No later than seven days after the expiration of the coverage for each other person providing services on the project whose current certificate shows that the coverage period ends during the duration of the project.
5. Retain certificates of coverage on file for the duration of the project and for three years thereafter.
6. Provide a copy of the certificate of coverage to the Texas Department of Insurance, Division of Workers' Compensation upon request and to any person entitled to a copy by law.
7. Use the language contained in 28 Administrative Code 110.110(c)(7) for bid specifications and contracts, without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation.

28 TAC 110.110(a)(7), (8), (c)

Exception

This coverage requirement does not apply to sole proprietors or partners of a covered business entity or certain corporate officers, if the sole proprietor, partner or officer is explicitly excluded from the coverage of their business entity through an endorsement to the insurance policy or certificate of authority to self-insure. *Labor Code 406.097; 28 TAC 110.110(i)*

The replacement of the facility on which the action is brought;3. The reimbursement of the district for a repair or replacement; or4. Any other purpose with written approval from the commissioner.

The state's share resulting from an action brought under these provisions involving an instructional facility financed by bonds for which the school district receives state assistance under Education Code Chapter 46, Subchapter A is state property. The district shall send to the comptroller any portion of the state's share not used by the district to repair the defective design, construction, renovation, or improvement of the instructional facility on which the action is brought or to replace the facility. Education Code 48.272 applies to the state's share.

"State's share" means an amount equal to the district's net proceeds from the recovery multiplied by a percentage determined by dividing the amount of state assistance under Education Code Chapter 46, Subchapter A used to pay the principal of and interest on bonds issued in connection with the instructional facility that is the subject of the action by the total amount of principal and interest paid on the bonds as of the date of the judgment or settlement.

Attorney General Enforcement

If the attorney general believes that a district has violated or is violating Education Code 44.151(d), (e), or (f) (use of proceeds, accounting, and the state's share), the attorney general may, after providing at least two weeks' notice to the district, bring an action on behalf of the state to enjoin the district from violating those sections.

In such an action, the attorney general may request and the court may order any other appropriate relief that is in the public interest, including payment of:

1. A civil penalty in an amount not to exceed \$20,000 for each violation;
2. The attorney general's reasonable costs for investigating and prosecuting the violation; or
3. If applicable, the amount of the state's share.

Education Code 44.151

Attorney Fees

A governmental contract for general construction, an improvement, a service, or a public works project may not provide for the award

of attorney's fees to a district in a dispute in which the district prevails unless the contract provides for the award of attorney's fees to each other party to the contract if that party prevails in the dispute. *Gov't Code 2252.904*

The term includes a contract to obtain professional services subject to Government Code 2254. *Gov't Code 2252.151(3)*

Construction

Disparate
Treatment

Disparate treatment (intentional discrimination) occurs when members of a protected group have been denied the same employment, promotion, membership, or other employment opportunities as have been available to other employees or applicants. 29 C.F.R. 1607.11

Disparate Impact

Disparate impact occurs when an employer uses a particular employment practice that causes a disparate (disproportionate) impact on a protected group and the employer fails to demonstrate that the challenged practice is job-related and consistent with business necessity. 42 U.S.C. 2000e-2(k)(1)(A); Labor Code 21.115, .122

Definition of
Disability

"Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

EMPLOYMENT OBJECTIVES
EQUAL EMPLOYMENT OPPORTUNITY

DAA
(LEGAL)

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

*“Regarded as”
Having an
Impairment*

An individual meets the requirement of being “regarded as” having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and
Minor

The “regarded as” prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of six months or less. The “transitory” exception does not apply to the “actual disability” or “record of disability” prongs of the definition.

*Mitigating
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

42 U.S.C. 12102(1), (3), (4); 29 C.F.R. 1630.2(g), (j)(1); Labor Code 21.002, .0021

Other Definitions

*Physical or
Mental
Impairment*

“Physical or mental impairment” means:

1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more body systems, such as neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; or
2. Any mental or psychological disorder, such as an intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, and specific learning disabilities.

*Major Life
Activities*

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working.

“Major life activities” also include the operation of major bodily functions, including functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within the body system.

A district must verify employment eligibility, pursuant to the Immigration Reform and Control Act, and complete Form I-9 by the following dates:

If a district hires an individual for employment for a duration of less than three business days, the district must verify employment at the time of hire. A district shall not be deemed to have hired an individual if the individual is continuing in his or her employment and has a reasonable expectation of employment at all times. When a district rehires an individual, the district may, in lieu of completing a new I-9, inspect a previously completed I-9 executed within three years of the date of rehire, to determine whether the individual is still eligible to work.
2. For an individual whose employment authorization expires, not later than the date of expiration.

A board may not implement a furlough program under Education Code 21.4021 or reduce salaries until the district has complied with the requirements below.

*Employee
Involvement*

A district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

**Incentive Grants—

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
 - a. The results of classroom observation, which may include student comments;
 - b. The degree of student educational growth and learning; and
 - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

REDUCTION IN FORCE
FINANCIAL EXIGENCY

DFFA
(LOCAL)

**Plan to Reduce
Personnel Costs**

If the Superintendent determines that there is a need to reduce personnel costs, the Superintendent shall develop, in consultation with the Board as necessary, a plan for reducing costs that may include one or more of the following:

- Salary reductions [see DEA];
- Furloughs [see DEA];
- Reductions in force of contract personnel due to financial exigency, if the District meets the standard for declaring a financial exigency as defined by the commissioner [see CEA and provisions at Reduction in Force Due to Financial Exigency, below];
- Reductions in force of contract personnel due to program change [see DFFB]; or
- Other means of reducing personnel costs.

A plan to reduce personnel costs may include the reduction of personnel employed pursuant to employment arrangements not covered at Applicability, below.

- See DCD for the termination at any time of at-will employment.
- See DFAB for the termination of a probationary contract at the end of the contract period.
- See DFCA for the termination of a continuing contract, if applicable.
- See DCE for the termination at the end of the contract period of a contract not governed by Chapter 21 of the Education Code.

**Reduction in Force
Due to Financial
Exigency**

Applicability

The following provisions shall apply when a reduction in force due to financial exigency requires:

1. The nonrenewal or termination of a term contract;
2. The termination of a probationary contract during the contract period; or
3. The termination of a contract not governed by Chapter 21 of the Education Code during the contract period.

Definitions

Definitions used in this policy are as follows:

1. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

2. "Discharge" shall mean termination of a contract during the contract period.

General Grounds

A reduction in force may take place when the Superintendent recommends and the Board adopts a resolution declaring a financial exigency. [See CEA] A determination of financial exigency constitutes sufficient reason for nonrenewal or sufficient cause for discharge.

Employment Areas

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.
2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.
3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.
4. Disciplinary alternative education programs (DAEPs) and other discipline management programs.
5. Counseling programs.
6. Library programs.
7. Nursing and other health services programs.
8. An educational support program that does not provide direct instruction to students.
9. Other District-wide programs.
10. An individual campus.
11. Any administrative position, unit, or department.
12. Programs funded by state or federal grants or other dedicated funding.
13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or

2. Applied on a District-wide or campus-wide basis (e.g., “the counseling program at [named elementary campus]”).

The Board shall determine the employment areas to be affected.

Criteria for Decision

The Superintendent shall apply the following criteria to the employees within an affected employment area when a reduction in force will not result in the nonrenewal or discharge of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, and/or specialized or advanced content-specific training or skills for the current or projected assignment.
2. Performance: Effectiveness, as reflected by the most recent formal appraisal and, if available, consecutive formal appraisals from more than one year [see DNA] and any other written evaluative information, including disciplinary information, from the last 36 months. If the Superintendent at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he or she may proceed to apply the remaining criteria in the order listed below.
3. Extra Duties: Currently performing an extra-duty assignment, such as department or grade-level chair, band director, athletic coach, or activity sponsor.
4. Professional Background: Professional education and work experience related to the current or projected assignment.
5. Seniority: Length of service in the District, as measured from the employee’s most recent date of hire.

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); *Tinker v. Des Moines Indep. Cmty. Sch. Dist.*, 393 U.S. 503 (1969) [See also GKD]

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

Definitions

“Employee” means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov’t Code 554.001(4)*

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

A “good faith” belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and
2. The employee’s belief was reasonable in light of the employee’s training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A “good faith” belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
 - a. Regulate under or enforce the law alleged to be violated in the report, or
 - b. Investigate or prosecute a violation of criminal law; and
2. The employee’s belief was reasonable in light of the employee’s training and experience.

Tex. Dep’t of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

**Whistleblower
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney’s fees, as well as other relief specified in Government Code 554.003. *Gov’t Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district’s grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district’s grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district’s grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the time lines established by Government Code 554.005 and 554.006.

Gov’t Code 554.005, 554.006 [See DGBA regarding grievance procedures]

Burden of Proof

If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.

Use of Physical
Force

A professional employee may not be subject to disciplinary proceedings for the employee’s use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. Att’y Gen. Op. GA-0202 (2004)*

Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

Penal Code 9.62

**Failure to Follow
Scope and Sequence**

A district may not penalize a teacher who does not follow a recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher’s determination that the teacher’s students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

Education Code 28.0027(b), (c)

**Instructional
Materials and
Technological
Equipment**

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Education Code 31.104(e); 19 TAC 66.107(c)

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. and Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. The district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district is not required to compensate the employee receiving reasonable break time for any work time spent for such purpose.

A district that employs fewer than 50 employees is not subject to these requirements if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

29 U.S.C. 207(r)

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Teacher Appraisal The employment policies adopted by the board must require a written evaluation of each teacher at annual or more frequent intervals.

A teacher appraisal must be done at least once for each school year. A teacher may be appraised less frequently if the teacher agrees in writing and the teacher's most recent evaluation rated the teacher as at least proficient, or the equivalent, and did not identify any area of deficiency. A teacher who is appraised less frequently than annually must be appraised at least once during each period of five school years.

Education Code 21.203, .352(c)

Interim Evaluations and Guidance In addition to conducting a complete appraisal as frequently as required by Education Code 21.352(c), a district shall require that appropriate components of the appraisal process, such as classroom observations and walk-throughs, occur more frequently as necessary to ensure that a teacher receives adequate evaluation and guidance. A district shall give priority to conducting appropriate components more frequently for inexperienced teachers or experienced teachers with identified areas of deficiency. *Education Code 21.352(c-1)*

Required Components The statutorily required components of teacher appraisal are defined as follows:

1. The implementation of discipline management procedures is the teacher's pedagogical practices that produce student engagement and establish the learning environment.
2. The performance of teachers' students is how the individual teacher's students progress academically in response to the teacher's pedagogical practice as measured at the individual teacher level by one or more student growth measures.

Disciplinary Referrals

A district may not assign an area of deficiency to a teacher solely on the basis of disciplinary referrals made by the teacher or documentation regarding student conduct submitted by the teacher under Education Code 37.002. [See FOA for discretionary removal] A district is not prohibited from assigning an area of deficiency to a teacher based on documented evidence of a deficiency in classroom management obtained through observation or a substantiated report. *Education Code 21.352(a-1)*

Access to Evaluations

A district shall maintain a written copy of the evaluation of each teacher's performance in the teacher's personnel file.

Each teacher is entitled to receive a written copy of the evaluation promptly on its completion. The evaluation and any rebuttal may be given to another school district at which the teacher has applied for employment at the request of that district.

Confidentiality

A document evaluating the performance of a teacher or administrator is confidential and is not subject to disclosure under the Public Information Act, Government Code 552. *Education Code 21.355(a)* [For disclosure requirements on evaluations, see GBA]

Two Appraisal Methods

A district shall use one of the following methods to appraise teachers:

1. The teacher appraisal system recommended by the commissioner of education [see State Method (T-TESS), below]; or
2. A local teacher appraisal system [see District Option and Campus Option, below].

Education Code 21.352(a); 19 TAC 150.1001(a)

Selection of Appraisal Method

A superintendent, with the approval of a board, may select the state appraisal method. Each district or campus wanting to select or develop an alternative teacher appraisal system must follow the requirements set forth below at District Option or Campus Option. *19 TAC 150.1001(c)*

Notice to Service Center

A superintendent shall notify the executive director of the district's regional education service center in writing of the district's choice of appraisal system when using an alternative to the state appraisal method and detail the components of that system by the first day of instruction for the school year in which the alternative system is used.

A district shall submit annually to its service center a summary of the campus-level evaluation scores from the state appraisal

method or the district's locally adopted appraisal system, in a manner prescribed by the commissioner.

19 TAC 150.1008

Note: The following provisions apply to teacher appraisal using the state appraisal method.

Orientation and
Annual Review

A district shall ensure that all teachers are provided with an orientation to the T-TESS no later than the final day of the first three weeks of school and at least two weeks before the first observation when:

1. The teacher is new to the district;
2. The teacher has never been appraised under the T-TESS; or
3. District policy regarding teacher appraisal has changed since the last time the teacher was provided with an orientation to the T-TESS.

The teacher orientation shall be conducted in a face-to-face setting during a district's first year of T-TESS implementation and include all state and local appraisal policies and the local appraisal calendar. In addition to the orientation, campuses may hold other sessions sufficient in length allowing teachers to actively participate in a discussion of the T-TESS specifics and to have their questions answered.

19 TAC 150.1006

Appraisers

The teacher appraisal process requires at least one certified appraiser. An appraiser must be the teacher's supervisor or a person approved by the board.

*Campus
Administrator*

Only a campus administrator may act as a certified appraiser, except as provided below.

Under the T-TESS, a "campus administrator" includes a principal, an assistant principal, an administrator who holds a comparable administrator/supervisor certificate established by the State Board for Educator Certification, or supervisory staff whose job description includes the appraisal of teachers and who is not a classroom teacher.

An individual other than a campus administrator may act as a certified appraiser if:

1. The individual has been certified by completing the required training prior to conducting appraisals; and
2. In the case where the certified appraiser is a classroom teacher, the certified appraiser:
 - a. Conducts appraisals at the same school campus at which the certified appraiser teaches if the certified appraiser is the chair of a department or grade level whose job description includes classroom observation responsibilities; or
 - b. Does not conduct appraisals of classroom teachers who teach at the same campus as the certified appraiser if the certified appraiser is not a department or grade-level chair.

Training and Certification

Before conducting appraisals, an appraiser must be certified by having satisfactorily completed the state-approved T-TESS appraiser training and having passed the T-TESS certification examination, and must have received Instructional Leadership Training (ILT), Instructional Leadership Development (ILD), or Advanced Educational Leadership (AEL) certification. Appraisers without ILT, ILD, or AEL certification before January 1, 2016, may not take ILT or ILD to satisfy the requirement. Periodic recertification and training shall be required.

Education Code 21.351(c); 19 TAC 150.1005

Appraisal Calendar

A district shall establish a calendar for teacher appraisals and provide that calendar to teachers within three weeks from the first day of instruction. The appraisal period for each teacher must include all of the days of the teacher's contract.

Observations during the appraisal period must be conducted during the required days of instruction for students during one school year.

The appraisal calendar shall:

1. Exclude observations in the two weeks after the day of completion of the T-TESS orientation in the school years when an orientation is required; and
2. Indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction for students.

<p>Assessment of Teacher Performance</p>	<p>Each teacher must be appraised each school year, except as provided below at Less-Than-Annual Appraisal. <p><i>Less-Than- Annual Appraisal</i></p>	<p>A teacher may receive a full appraisal less than annually if the teacher agrees in writing and the teacher's most recent full appraisal resulted in the teacher receiving summative ratings of at least proficient on nine of the sixteen dimensions and did not identify any area of deficiency, defined as a rating of Improvement Needed or its equivalent, on any of the sixteen dimensions identified in 19 Administrative Code 150.1002(a) or the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2). A teacher who receives a full appraisal less than annually must receive a full appraisal at least once during each period of five school years.</p> <p>District policy may stipulate:</p> <ol style="list-style-type: none">1. Whether the option to receive a full appraisal less frequently than annually is to be made available to teachers;2. Whether the option to receive a full appraisal less frequently than annually is to be adopted district-wide or is to be campus specific;3. If the appraisal accompanying a teacher new to a district or campus meets this option, whether the appraisal is to be accepted or whether that teacher is to be appraised by the new campus administrator; and4. Whether a certified appraiser may place a teacher on the traditional appraisal cycle as a result of performance deficiencies documented in accordance with 19 Administrative Code 150.1003(b)(6) and (f) (cumulative data regarding teacher performance in addition to formal classroom observations).

A school district may choose annually to review the written agreement to have less frequent full appraisals with the teacher. However, at the conclusion of the school year, the district may modify appraisal options through board policy and may make changes to expectations for appraisals that apply to all teachers regardless of a teacher's participation in the appraisal option in the previous year(s).

In a year in which a teacher does not receive a full appraisal due to meeting the requirements, a teacher shall participate in:

1. The Goal-Setting and Professional Development Plan process;
2. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
3. A modified end-of-year conference that addresses:
 - a. The progress on the Goal-Setting and Professional Development Plan;
 - b. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
 - c. The following year's Goal-Setting and Professional Development plan.

The data for the appraisal of each dimension shall be gathered from pre-conferences, observations, post-conferences, end-of-year conferences, the Goal-Setting and Professional Development Plan process, and other documented sources.

Each teacher shall be evaluated on the 16 dimensions in Domains I–IV identified above using the following categories:

Additional observations and walk-throughs do not require an observation post-conference. Additional observations and walk-throughs do require a written summary if the data gathered during the additional observation or walk-through will impact the teacher's summative appraisal ratings, in which case the written summary shall be shared within ten working days after the completion of the additional observation or walk-through. Title 19 Administrative Code 150.1004 (Teacher Response and Appeals) applies to a written summary of an additional observation or walk-through that will impact the teacher's summative appraisal ratings;
5. An observation post-conference that:

Cumulative Data

The certified appraiser is responsible for documentation of cumulative data. Any third-party information from a source other than the certified appraiser that the certified appraiser wishes to include as cumulative data shall be verified and documented by the certified appraiser. Any documentation that will influence the teacher's summative annual appraisal report must be shared in writing with the teacher within ten working days of the certified appraiser's knowledge of the occurrence. 2. For Domain IV and for the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), after receiving a written summative annual appraisal report with which the teacher disagrees.

The second appraisal must be requested within ten working days of receiving a written observation summary or a written summative annual appraisal report. A teacher may not request a second appraisal by another certified appraiser in response to a written summative annual appraisal report for the ratings of dimensions in Domains I, II, and III if those ratings are based entirely on observation summaries or written documentation already received by the

teacher earlier in the appraisal year for which the teacher already had the opportunity to request a second appraisal.

A teacher may be given advance notice of the date or time of a second appraisal, but advance notice is not required.

The second appraiser shall make observations and walk-throughs as necessary to evaluate the dimensions in Domains I–III or shall review the Goal-Setting and Professional Development Plan for evidence of goal attainment and professional development activities, when applicable. Cumulative data may also be used by the second appraiser to evaluate other dimensions.

Appraiser Qualifications The principal appraisal process requires at least one certified appraiser. Before conducting an appraisal, an appraiser must be certified by having satisfactorily completed the state-approved

T-PESS. Periodic recertification and training may be required. *19 TAC 150.1024*

Orientation

A district shall ensure that a principal is provided with an orientation of the T-PESS either prior to or in conjunction with the pre-evaluation conference when:

1. The principal is new to the district;
2. The principal has never been appraised under the T-PESS; or
3. District policy regarding principal appraisal has changed since the last time the principal was provided with an orientation to the T-PESS.

The principal orientation shall include all state and local appraisal policies and the local appraisal calendar.

19 TAC 150.1025

Alternatives to
T-PESS

A district that does not choose to use the T-PESS must develop its own principal appraisal system supported by locally adopted policy and procedures; developed in consultation with the district-level and campus-level committees established under Education Code 11.251; and adopted by the board. *Education Code 21.3541; 19 TAC 150.1026*

Note: The standards, indicators, knowledge, and skills to be used to align with the training, appraisal, and professional development of principals are outlined in 19 Administrative Code 149.2001.

**Appraisal of Campus
Administrators Other
Than Principals**

A district shall appraise each campus administrator, other than a principal, annually using either:

1. The commissioner's recommended appraisal process and performance criteria; or
2. An appraisal process and performance criteria developed by the district in consultation with the district- and campus-level committees and adopted by the board.

Education Code 21.354(c)

A district may use the T-PESS to appraise campus administrators other than principals provided the school district makes appropriate modifications to ensure that the T-PESS rubric and components fit the job descriptions of the campus administrators other than principals evaluated with the T-PESS. A district using T-PESS for administrators other than principals shall evaluate administrators on the

attainment and progress toward at least one goal, as referenced in 19 Administrative Code 150.1023 (Appraisals, Data Sources, and Conferences). At least one goal shall be focused on the improvement of the administrator's practice, as captured in the T-P ESS rubric indicators and descriptors.

Each school district wanting to select or develop a local appraisal system for campus administrators other than principals must use an appraisal process and performance criteria developed in consultation with the district- and campus-level committees established under Education Code 11.251; and adopted by the board.

Education Code 21.354(c)(2); 19 TAC 150.1028, 244.2(c)

Appraisers

A district using T-P ESS for administrators other than principals or that locally develops and adopts its own educator appraisal system should have a clearly defined set of procedures for training appraisers. The school district should identify the qualities appraisers must demonstrate and include appropriate proficiency checks to evaluate the performance of all educators performing appraisals under the district's adopted appraisal systems. The school district shall be responsible for documenting that appraisers have met training criteria established by the district. *19 TAC 244.2(c), .3*

School Counselors

The commissioner shall develop and periodically update an evaluation form for use by districts in evaluating school counselors. *Education Code 21.356*

Each plan must:

1. Identify annual goals for students in each group evaluated under the closing the gaps domain under Education Code 39.053(c)(3) [see AIA];
2. Include annual goals for aggregate student growth on the third grade reading or mathematics assessment instrument, as applicable, administered under Education Code 39.023 [see EKB] or on an alternative assessment instrument determined by the board;

4. Assign at least one district-level administrator or employee of the regional education service center (ESC) for the district's region to:
 - a. Coordinate implementation of the plan; and
 - b. Submit an annual report to the board on the district's progress toward the goals set under the plan; and

Note: The Board has adopted an [innovation plan](#)¹ that affects application of provisions in this legally referenced policy.

School Start Date

A district may not begin instruction for students for a school year before the fourth Monday in August unless the district operates a year-round system (see below). A district may not receive a waiver of this requirement.

Exceptions

A district that does not offer each grade level from kindergarten through grade 12 and whose prospective or former students generally attend school in another state for the grade levels the district does not offer may instead start school on any date permitted under the law of the other state.

A district with a student enrollment of 190,000 or more may begin instruction for students for a school year on or after the first Monday in August at a campus or at not more than 20 percent of the campuses in the district if:

1. The district at the beginning of the school year provides, financed with local funds, days of instruction for students at the campus or at each of the multiple campuses, in addition to the minimum number of days of instruction required under Education Code 25.081;
2. The campus or each of the multiple campuses are undergoing comprehensive reform, as determined by the board; and
3. A majority of the students at the campus or at each of the multiple campuses are educationally disadvantaged.

Education Code 25.0811

Length of School Year

Each school year, a district shall operate for at least 75,600 minutes, including time allocated for instruction, intermissions, and recesses for students.

Exceptions

The commissioner of education may approve the operation of schools for fewer than the number of minutes specified above when disaster, flood, extreme weather conditions, fuel curtailments, or other calamities have caused the closing of schools.

If the commissioner does not approve reduced operation time, a district may add additional minutes to the end of the district's normal school hours as necessary to compensate for minutes lost due to school closures caused by disaster, flood, extreme weather conditions, fuel curtailment, or another calamity.

Education Code 25.081

The commissioner shall provide for a waiver allowing for fewer minutes of operation and instructional time than required for a district that requires each educator employed by the district to attend an approved school safety training course. *Education Code 25.0815(a)*

Last Day of School A district may not schedule the last day of school for students for a school year before May 15. However, a district that does not offer each grade level from kindergarten through grade 12 and whose prospective or former students generally attend school in another state for the grade levels the district does not offer may schedule the last day of school on any date permitted under Texas law or the law of the other state. *Education Code 25.0812*

Optional Flexible Year Program To enable a school district to provide additional instructional days for an optional extended year program [see EHBC], the school district may, with the approval of the commissioner, provide a number of days of instruction during the regular school year that is not more than ten days fewer than 180 days. *Education Code 29.0821(b)(1)*

No Instruction on Memorial Day A district may not provide student instruction on Memorial Day. If a district would be required to provide student instruction on Memorial Day to compensate for minutes of instruction lost because of school closures caused by disaster, flood, extreme weather conditions, fuel curtailment, or another calamity, the commissioner shall approve the instruction of students for fewer than the required number of minutes. *Education Code 25.081(f)*

Reduction of Funding The commissioner may proportionally reduce the amount of funding a district receives under Education Code, Chapters 46, 48, or 49 and the average daily attendance calculation for the district if the district operates on a calendar that provides fewer minutes of operation than required. *Education Code 25.081(g)*

Exemption A school district is exempt from the minimum minutes of operation requirement if the district's or program's average daily attendance is calculated in the manner provided below. *Education Code 25.081(e)*

A district or charter school is eligible to earn full average daily attendance if the district provides at least 43,200 minutes of instructional time to students enrolled in:

1. A dropout recovery school or program operating under Education Code 12.1141(c) or Education Code 39.0548;
2. An alternative education program operating under Education Code 37.008;

3. A school program located at a day treatment facility, residential treatment facility, psychiatric hospital, or medical hospital;
4. A school program offered at a correctional facility; or
5. A school operating under Education Code 29.259.

**Year-Round
Schools**

A district may operate its schools year-round on a single or a multi-track system. If it adopts a year-round system, it may modify:

1. The number of contract days of employees and the number of days of operation, including any time required for staff development, planning and preparation, and continuing education, otherwise required by law.
2. Testing dates, data reporting, and related matters.
3. The date of the first day of instruction of the school year under Education Code 25.0811 for a school that was operating year-round for the 2000–01 school year.
4. Students' eligibility to participate in extracurricular activities when their calendar track is not in session.

Pledges of Allegiance

A board shall require students, once during each school day, to recite the pledges of allegiance to the United States and Texas flags.

On written request from a student's parent or guardian, a district shall excuse the student from reciting a pledge of allegiance.

Minute of Silence

A board shall provide for the observance of one minute of silence following the recitation of the pledges of allegiance. During the one-minute period, each student may reflect, pray, or meditate, or engage in any other silent activity that is not likely to interfere with or distract another student. Each teacher or other school employee in charge of the students during that period shall ensure that each student remains silent and does not act in a manner that is likely to interfere with or distract another student.

Kindergarten Program

A public school kindergarten may be operated on a half-day or full-day basis as determined by the board. *Education Code 29.152*

Grant Programs

A district may use funds from grants administered by the commissioner to operate an existing half-day kindergarten on a full-day basis. *Education Code 29.155(a)*

Interruptions

A board shall adopt and strictly enforce a policy limiting interruptions of classes during the school day for nonacademic activities such as announcements and sales promotions. At a minimum, the policy must limit announcements other than emergency announcements to once during the school day.

Loss of Class Time

A board shall adopt and strictly enforce a policy limiting the removal of students from class for remedial tutoring or test preparation. A district may not remove a student from a regularly scheduled class for remedial tutoring or test preparation if, as a result of the removal, the student would miss more than ten percent of the school days on which the class is offered, unless the student's parent or another person standing in parental relation to the student provides to the district written consent for removal from class for such purpose. **Kindergarten-

A district shall not enroll more than 22 students in a class, kindergarten through fourth grade, except as allowed by the commissioner of education. The limit on class size, kindergarten through grade 4, shall not apply during:

1. The last 12 weeks of the school year; or
2. Any 12-week period of the school year selected by a district, if the district's average daily attendance has been adjusted due to a significant percentage of students who are migratory children under Education Code 48.005(c). A district claiming this exemption must notify the commissioner in writing not later than the 30th day after the first day of the 12-week period.

A "migratory child" is a child or youth who made a qualifying move:

1. As a migratory agricultural worker or a migratory fisher; or
2. With, or to join, a parent or spouse who is a migratory agricultural worker or migratory fisher.

A "qualifying move" is a move due to economic necessity:

1. From one residence to another residence; and
2. From one school district to another school district, except in the case of a school district of more than 15,000 square miles, wherein a qualifying move is a distance of 20 miles or more to a temporary residence.

A "migratory agricultural worker" is an individual who made a qualifying move in the preceding 36 months and, after doing so, engaged in new temporary or seasonal employment or personal subsistence in agriculture, which may be dairy work or the initial processing of raw agricultural products. If an individual did not engage in such new employment soon after a qualifying move, such individual may be considered a migratory agricultural worker if the individual actively sought such new employment and has a recent

history of moves for temporary or seasonal agricultural employment.

A “migratory fisher” is an individual who made a qualifying move in the preceding 36 months and, after doing so, engaged in new temporary or seasonal employment or personal subsistence in fishing. If the individual did not engage in such new employment soon after the move, the individual may be considered a migratory fisher if the individual actively sought such new employment and has a recent history of moves for temporary or seasonal fishing employment.

Exception to Class
Size Limits

The commissioner may except a district, on application, from the class size limits above if the limit works an undue hardship on the district. An exception expires at the end of the school year for which it is granted.

A school district seeking an exception shall notify the commissioner and apply for the exception not later than the later of:

1. October 1; or
2. The 30th day after the first school day the district exceeds the limit described above.

Education Code 25.112(d)–(e)

Notice to Parents

A campus or district that is granted an exception from class size limits shall provide written notice of the exception to the parent of or person standing in parental relation to each student affected by the exception. The notice must be in conspicuous bold or underlined print and:

1. Specify the class for which an exception was granted;
2. State the number of children in the class; and
3. Be included in a regular mailing or other communication from the campus or district, such as information sent home with students.

The notice must be provided not later than the 31st day after the first day of the school year or the date the exception is granted, if the exception is granted after the beginning of the school year.

Education Code 25.113

Funding

If a district provides education services to pre-adjudicated and post-adjudicated students who are confined by court order in a juvenile residential facility operated by a juvenile board, the district is entitled to count those students in the district's average daily attendance.

If a district has a local revenue level greater than the guaranteed local revenue level but less than the level established under Education Code 48.257, the district in which the student is enrolled on the date a court orders the student to be confined to a juvenile residential facility shall transfer to the district providing education services an amount equal to the difference between:

1. The average Foundation School Program costs per student of the district providing education services; and
2. The sum of the state aid and the money from the available school fund received by the district that is attributable to the student for the portion of the school year for which the district provides education services to the student.

Education Code 37.0061

Operations

Definitions

A "pre-adjudication secure detention facility" is a secure facility administered by a governing board that includes construction and fixtures designed to physically restrict the movements and activities of juveniles or other individuals held in lawful custody in the facility and is used for the temporary placement of any juvenile or other individual who is accused of having committed an offense and is awaiting court action, an administrative hearing, or other transfer action.

A "post-adjudication secure correctional facility" is a secure facility administered by a governing board or the Texas Juvenile Justice Department that includes construction and fixtures designed to physically restrict the movements and activities of the residents and are intended for the treatment and rehabilitation of youth who have been adjudicated. A post-adjudication secure correctional facility does not include any non-secure residential program operating under the authority of a juvenile board as defined by Family Code 51.12(j).

A "resident" is a juvenile or other individual who has been admitted into a pre-adjudication secure detention facility or a post-adjudication secure correctional facility.

"Residential facility" means:

School Library

A district possesses significant discretion to determine the content of its school libraries. A district must, however, exercise its discretion in a manner consistent with the First Amendment.

Removal of Library
Materials

Students' First Amendment rights are implicated by the removal of books from the shelves of a school library. A district shall not remove materials from a library for the purpose of denying students access to ideas with which the district disagrees. A district may remove materials because they are pervasively vulgar or based solely upon the educational suitability of the books in question.

**Instructional
Materials**

Instructional materials selected for use in the public schools shall be furnished without cost to students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment [see CMD]. *Education Code 31.001*

Parental Access

A parent is entitled to review all teaching materials, instructional materials, and other teaching aids used in the classroom of the parent's child and to review each test administered to the child after the test is administered. A district shall make teaching materials and tests readily available for parental review and may specify reasonable hours for such review.

A student's parent is entitled to request that a district allow the student to take home any instructional materials used by the student. Subject to the availability of the instructional materials, a district or school shall honor the request. A student who takes home instructional materials must return the instructional materials to school at the beginning of the next school day if requested to do so by the student's teacher.

A district must provide the instructional materials to the student in printed format if the student does not have reliable access to technology at the student's home. This requirement does not require a district to purchase printed copies of instructional materials that the district would not otherwise purchase. A district may comply with this requirement by providing the student a printout of the relevant electronic instructional materials.

A district may use emergency medical technicians, paramedics, police officers, firefighters, representatives of the American Heart Association or the American Red Cross, teachers, other school employees, or other similarly qualified individuals to provide instruction and training. Instruction is not required to result in CPR certification. If instruction is intended to result in certification, the course instructor must be authorized to provide the instruction by the American Heart Association, the American Red Cross, or a similar nationally recognized association; otherwise, an instructor is not required to be certified in CPR.

Waivers for
Students with
Disabilities

A district may waive this requirement for a student who, due to a disability, is unable to complete the instruction. The determination regarding a student's ability to complete the CPR requirement must be made by:

1. The student's admission, review, and dismissal (ARD) committee if the student receives special education services under Education Code, Chapter 29, Subchapter A; or
2. The committee established for the student under Section 504, if the student does not receive special education services, but is covered by Section 504.

Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. *20 U.S.C. 1412(a)(5); 34 C.F.R. 300.114(a)(2)*

The term includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, school nurse services designed to enable a child with a disability to receive FAPE as described in the child’s IEP, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services, except that medical services shall be for diagnostic and evaluation purposes only.

The term does not include a medical device that is surgically implanted, the optimization of the device’s functioning, or the replacement of such device.

Extended School
Year Services

Extended school year (ESY) services are defined as individualized instructional programs beyond the regular school year for eligible students with disabilities.

A district shall ensure that ESY services are available as necessary to provide a student with a disability with FAPE.

ESY services must be provided only if the ARD committee determines, on an individual basis, that the services are necessary for FAPE. A district may not limit ESY services to particular categories of disability or unilaterally limit the type, amount, or duration of ESY services.

**Private School—
District Placed**

Student Receives
IEP

If a district places a child with a disability in a private school or facility, or refers the child to a private school or facility, as a means of carrying out the requirements of the special education laws, the district shall ensure that the child is provided special education and related services, in accordance with an individualized education program (IEP), at no cost to the parents. *20 U.S.C. 1412(a)(10)(B)(i)*

**Private School—
Parent Placed**

When a parentally placed child with a disability is referred to a district, the district shall convene an admission, review, and dismissal (ARD) committee to determine whether the district can offer the child a free appropriate public education (FAPE). If the district determines that it can offer FAPE, it is not responsible for providing educational services to the child, except that the district must develop and implement an individualized services plan (ISP). *19 TAC 89.1096(b)*

Offer of FAPE
Rejected

*Student Receives
ISP*

If a district made FAPE available to a child with a disability and the parents elected to place the child in a private school or facility, the district is not required to pay for the cost of education, including special education and related services. However, the district must develop and implement an ISP. *20 U.S.C. 1412(a)(10)(C)(i); 34 C.F.R. 300.148(a)*

FAPE Offered but
Not Provided

Reimbursement

If the parents of a child with a disability, who previously received special education and related services under the authority of a district, enroll the child in a private school without the consent or referral by the district, a court or a hearing officer may require the district to reimburse the parents for the cost of that enrollment if the court or hearing officer finds that the district had not made FAPE available to the child in a timely manner before the enrollment. This right of reimbursement is subject to the notice and other requirements set forth at *34 C.F.R. 300.148(d)*. *20 U.S.C. 1412(a)(10)(C)(ii); 34 C.F.R. 300.148(c)*

**Home School
Students**

A home school student is considered a private school student, for purposes of a district's obligations under IDEA, if the home school provides elementary or secondary education that incorporates an adopted curriculum designed to meet basic educational goals, including scope and sequence of courses, and formal review and documentation of student progress. *19 TAC 89.1096(a)(2)*

**Individualized
Services Plan (ISP)**

Each parentally placed private school child with a disability who has been designated to receive services shall have an ISP that describes the specific special education and related services that a district will provide the child.

Parentally placed private school children with disabilities may receive a different amount of services than children with disabilities in

public schools. No parentally placed private school child has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.

Decisions about the services that will be provided must be made in accordance with 34 C.F.R. 300.134(c) (consultation process) and 300.137(c) (attendance of private school representatives at services plan committee meetings). A district must make the final decisions with respect to the services to be provided.

34 C.F.R. 300.137, .138

Dual Enrollment

Parents shall have the right to “dual enroll” an eligible student age three or four in both the public school and a private school beginning on the student’s third birthday and continuing until the end of the school year in which the student turns five, or until the student is eligible to attend a district’s kindergarten program, whichever comes first, subject to the following:

1. The student’s ARD committee shall develop an IEP designed to provide the student with FAPE in the least restrictive environment (LRE).
2. From the IEP, the parent and the district shall determine which special education and/or related services will be provided to the student and the location where those services will be provided, based on the requirements concerning placement in the LRE and the policies and procedures of the district.
3. The district shall be responsible for employing and supervising the personnel providing the service, providing the needed instructional materials, and maintaining pupil accounting records. Materials and services provided shall be consistent with those provided for students enrolled only in the public school and shall remain the property of the district.

19 TAC 89.1096(c)

Responsible District

The district where a student resides is responsible for providing special education and related services to a student whose parents choose dual enrollment.

If the parents decline dual enrollment, but request an ISP, the district where the private school is located is responsible for development of the ISP for a student designated to receive services.

19 TAC 89.1096(c), (d)

Transportation

If a student has been placed by his or her parents in a private school or facility, a district shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP. *19 TAC 89.1096(e)*

District Charter Schools

A district shall serve children with disabilities attending district charter schools in the same manner as it serves children with disabilities in its other schools and shall provide federal special education funds to those schools in the same manner as it provides those funds to its other schools. *20 U.S.C. 1413(a)(5); 34 C.F.R. 300.209(b)*

Residential Facilities

Identification of
Students

If a residential facility that is licensed by appropriate state agencies is located within the district's boundaries, the district must provide special education and related services to eligible students residing in the facility.

If, after contacting the facility to offer services to eligible students with disabilities, a district determines that educational services are provided through a charter school, approved non-public school, or a facility operated private school, the district is not required to provide services. However, a district shall annually contact the facility to offer services to eligible students with disabilities.

19 TAC 89.1001(c)

District Placements

A district may contract with a public or private facility, institution, or agency inside or outside of Texas for residential placement for a student with a disability when the ARD committee determines that a residential placement is necessary for the student to receive FAPE. Contracts for residential placement must be approved by the commissioner. *Education Code 29.008(a); 19 TAC 89.61(a)*

If placement in a public or private residential program is necessary to provide special education and related services, the program, including non-medical care and room and board, must be at no cost to the parents. *34 C.F.R. 300.104*

If a district contracts for education services, rather than providing the services itself, it shall oversee the implementation of the student's IEP and shall annually reevaluate the appropriateness of the arrangement. *Education Code 29.008(d)*

Further, a district shall have the responsibilities set forth at 19 Administrative Code 89.61 regarding students in residential placements.

Out-of-State
Placements

If a district contracts for an out-of-state residential placement, it shall do so in accordance with the rules for in-state residential placement, except that the facility shall be approved by the appropriate agency in the state in which the facility is located rather than by the Texas commissioner of education. *19 TAC 89.61(c)(3)*

**School for the Blind
and Visually
Impaired and School
for the Deaf**

A district shall share the cost of education (excluding the summer program) for each of its students enrolled in the Texas School for the Blind and Visually Impaired or Texas School for the Deaf.

Before considering the student's educational placement for special education services, a district shall provide each parent of a student with visual or auditory impairments the following written information regarding the Texas School for the Deaf or Texas School for the Blind and Visually Impaired:

1. The availability of programs offered.
2. The eligibility and admissions requirements.
3. The student's rights to admission and to appeal admission decisions.

Education Code 30.003(a), .004(a); 19 TAC 89.62

A district may request services through the Texas School for the Blind and Visually Impaired or the Texas School for the Deaf in accordance with 19 Administrative Code 89.1085. *19 TAC 89.1085*

Adult Prisons

If a child with a disability is convicted as an adult under state law and incarcerated in an adult prison, the child's ARD committee may modify the child's IEP or placement, notwithstanding the LRE requirements, if the state has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

The following requirements do not apply to children with disabilities who are convicted as adults under state law and incarcerated in adult prisons:

1. Federal requirements pertaining to participation of students with disabilities in general assessments;
2. Requirements concerning transition planning and transition services, if the children's eligibility will end, because of their age, before they will be released from prison.

20 U.S.C. 1414(d)(7)

**Procedural
Safeguards**

A district shall establish and maintain procedures to ensure that children with disabilities and their parents are guaranteed procedural safeguards with respect to the provision of a free appropriate public education (FAPE). *20 U.S.C. 1415(a)*

These procedures shall include the following:

1. An opportunity for the parents to review all education records and to participate in meetings relating to the identification, evaluation, and educational placement of the child and the provision of FAPE to the child. *34 C.F.R. 300.501*

3. Protecting the rights of a child when no parent can be identified, a district cannot locate the parents, or the child is a ward of the state, which may include the assignment of an individual to act as a surrogate parent. *34 C.F.R. 300.519*
4. Prior written notice to the parents when a district proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or educational placement of the child, or the provision of FAPE to the child. *34 C.F.R. 300.503* [See Prior Notice and Consent, below]

7. Procedures that require either party, or the attorney representing a party, to provide to the other party a due process complaint (which shall remain confidential). *34 C.F.R. 300.508*

Consent

Consent means that:

1. The parent has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or other mode of communication;
2. The parent understands and agrees in writing to the activity for which his or her consent is sought, and the consent describes that activity and lists the records (if any) that will be released and to whom; and

3. The parent understands that the granting of consent is voluntary on the part of the parent and may be revoked at any time. A revocation of consent is not retroactive.

If the parent revokes consent in writing for his or her child's receipt of services after the child is initially provided special education and related services, the district is not required to amend the child's education records to remove any references to the child's receipt of services because of the revocation of consent.

34 C.F.R. 300.9

Language of Notices

The procedural safeguards and prior notices described below must be written in language understandable to the general public. The notice must be provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so. *34 C.F.R. 300.503(c), .504(d)*

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

*Students
Receiving
Special
Education
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and

2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Education Code 28.02121

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

State Graduation Requirements

Note: For current state graduation requirements, including those for students who entered grade 9 before the 2007–08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

1. Science, technology, engineering, and mathematics (STEM);
2. Business and industry;
3. Public services;

1. A fourth credit in mathematics;
2. An additional credit in science; and
3. Two additional elective credits.

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

A district may define advanced courses and determine a coherent sequence of courses for an endorsement area, provided that prerequisites in 19 Administrative Code Chapters 110–118, 126, 127, and 130 are followed.

Education Code 28.025; 19 TAC 74.13

Not later than September 1 of each school year, a district shall notify by regular mail or email the parent of or other person standing in parental relation to each student enrolled in grade 9 or above that the student is not required to complete an Algebra II course to graduate under the foundation high school program. The notification must include information regarding the potential consequences to a student of not completing an Algebra II course, including the impact on eligibility for:

1. Automatic college admission under Education Code 51.803; and
2. Certain financial aid authorized under Title 3 of the Education Code.

Education Code 28.02123

In accordance with local district policy, the required physical education credit may be earned through completion of any TEKS-based course that is not being used to satisfy another specific graduation requirement. [See Restrictions, below]

In accordance with local district policy, credit for any physical education course may be earned through participation in the following activities:

1. Athletics;
2. JROTC; and
3. Appropriate private or commercially sponsored physical activity programs conducted on or off campus. A district must apply to the commissioner of education for approval of such programs, which may be substituted for state graduation credit in physical education. Such approval may be granted under the following conditions:
 - a. Olympic-level participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. Students qualifying and participating at this level may be dismissed from school one hour per day. Students dismissed may not miss any class other than physical education.
 - b. Private or commercially sponsored physical activities include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. Student participation of at least five hours per week must be required. Students certified to participate

at this level may not be dismissed from any part of the regular school day.

A credit allowed to be substituted may not also be used by the student to satisfy a graduation requirement other than completion of the physical education credit. The determination regarding a student's ability to participate in physical activity must be made by:

1. The student's ARD committee if the student receives special education services under Education Code Chapter 29, Subchapter A;
2. The committee established for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794) if the student does not receive special education services under Education Code Chapter 29, Subchapter A but is covered by the Rehabilitation Act of 1973; or
3. A committee, established by the district, of persons with appropriate knowledge regarding the student if each of the committees described above is inapplicable. This committee must follow the same procedures required of an ARD or a Section 504 committee.

The student must also successfully complete the student's IEP and meet one of the following conditions:
 - a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.

The student's ARD committee shall determine whether satisfactory performance on the required state assessments is necessary for graduation.
4. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–118, 126–128, and 130 through courses, one or more of which contain modified content that is aligned to the standards required under the Minimum High School Program as well as the satisfactorily completed credit requirements under the Minimum High School Program, including participation in required state assessments. The student's ARD committee shall determine whether satisfactory performance on the required state assessments is necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:
 - a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering

sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district;

- b. Consistent with the IEP, the student has demonstrated mastery of specific employability skills and self-help skills that do not require direct ongoing educational support of the local school district;
- c. The student has access to services that are not within the legal responsibility of public education, or employment or educational options for which the student has been prepared by the academic program; or
- d. The student no longer meets age eligibility requirements.

When a student receives a diploma under item 3(a), (b), or (c), above, the ARD committee must determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high

school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, A, C [See FDD]

**Graduation of
Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

**Local Achievement
Testing**

In addition to the state-administered assessment instruments, a district may adopt and administer criterion-referenced or norm-referenced assessment instruments, or both, at any grade level. A locally adopted norm-referenced assessment instrument must be economical, nationally recognized, and state-approved.

For purposes of this provision, "assessment instrument" means a district-commissioned achievement test, either nationally normed or criterion-referenced, that is group administered and reported publicly (such as to a board) in the aggregate.

A company or organization scoring an assessment instrument shall send test results to a district for verification. A district shall have 90 days to verify the accuracy of test data and report the results to the board.

A district shall follow procedures for test security and confidentiality set forth in 19 Administrative Code Chapter 101, Subchapter C. [See EKB]

Education Code 39.026, .032; 19 TAC 101.101

**Assessment
Instrument
Limitations**

In any subject area for which a state assessment is administered, a district may not administer locally required assessments designed to prepare students for state assessments to any student on more than ten percent of the instructional days in any school year. A campus-level planning and decision-making committee may limit the administration of locally required assessments to ten percent or a lower percentage of the instructional days in any school year. This prohibition does not apply to the administration of college preparation assessments, advanced placement tests, international baccalaureate examinations, or state assessments. *Education Code 39.0262*

**Benchmark
Assessment
Instruments**

"Benchmark assessment instrument" means a district-required assessment instrument designed to prepare students for a corresponding state-administered assessment instrument.

A district may not administer to any student more than two benchmark assessment instruments to prepare the student for a corresponding state-administered assessment instrument.

This prohibition does not apply to the administration of a college preparation assessment instrument, including the PSAT, the ACT-Plan, the SAT, or the ACT, an advanced placement test, an international baccalaureate examination, or an independent classroom examination designed or adopted and administered by a classroom teacher.

A parent of or person standing in parental relation to a student who has special needs, as determined in accordance with commissioner of education rule, may request administration to the student of additional benchmark assessment instruments.

Education Code 39.0263

Designed to
Prepare

For purposes of Education Code 39.0262 and 39.0263, an assessment instrument designed to prepare students for state-administered assessment instruments is an assessment that:

1. Evaluates students' potential performance relative to the state's blueprint in whole for a state-administered assessment; or
2. Is primarily focused on test-taking techniques.

This provision does not include an assessment designed to evaluate students' mastery of parts of the Texas Essential Knowledge and Skills or the efficacy of instructional practice.

19 TAC 101.6003

**College Preparation
Assessments**

Each school year, and at state cost, a district may administer an established, valid, reliable, and nationally norm-referenced preliminary college preparation assessment instrument:

1. To students in the spring of the eighth grade, for the purpose of diagnosing the academic strengths and deficiencies of students before entrance into high school; and
2. To students in the tenth grade, for the purpose of measuring a student's progress toward readiness for college and the workplace.

The provisions of Education Code 39.0261(a)(1) and (a)(2), above, apply only if the legislature appropriates funds for those purposes.

Education Code 39.0261(a)(1)–(a)(2), (f)

High school students, in the spring of the eleventh grade or during the twelfth grade, may select and take once, at state cost:

1. One of the valid, reliable, and nationally norm-referenced assessment instruments used by colleges and universities as part of their undergraduate admissions processes; or
2. The assessment instrument designated by the Texas Higher Education Coordinating Board under Education Code 51.334.

A high school student is not prohibited from taking the test more than once, at the student's own expense.

Education Code 39.0261(a)(3), (e)

A district is entitled to reimbursement for the amount of fees paid by the district for the administration of an assessment instrument under Education Code 39.0261(a)(3), above. *Education Code 48.155*

The Texas Education Agency (TEA) shall:

1. Select and approve vendors of the specific assessment instruments administered under this section; and
2. Provide reimbursement to a district for all fees associated with the administration of the assessment instrument, from funds appropriated for that purpose.

TEA shall ensure that a school district is not reimbursed for the administration of an assessment instrument to a student to whom the assessment instrument is not actually administered.

Education Code 39.0261(b)–(c)

**Homeschooled
Students**

The following provisions apply to a homeschooled student entitled under Education Code 25.001 to attend school in a district.

A district shall permit a homeschooled student to participate in an administration of the PSAT/NMSQT or a college advanced placement test offered by the district.

“Homeschooled student” means a student who predominantly receives instruction in a general elementary or secondary education program that is provided by the parent, or a person standing in parental authority, in or through the child’s home.

Fees

A district shall require a homeschooled student to pay the same fee to participate in such a test that a student enrolled in the district is required to pay.

Notice

A district shall post on an internet website maintained by the district the date the PSAT/NMSQT will be administered and the date any college advanced placement tests will be administered. The notice must state that the PSAT/NMSQT or the advanced placement test is available for homeschooled students eligible to attend school in the district and describe the procedures for a homeschooled student to register for the test.

A district that does not maintain an internet website must publish the notice in a newspaper in the district. If a newspaper is not published in the district, the district shall provide for the publication of notice in at least one newspaper in the county in which the district’s central administrative office is located.

**Armed Services
Vocational Aptitude
Battery Test**

The required notice must be posted or published at the same time and with the same frequency with which the information is provided to a student who attends a district school.

Education Code 29.916

Each school year each school district shall provide students in grades 10 through 12 an opportunity to take the Armed Services Vocational Aptitude Battery (ASVAB) test and consult with a military recruiter.

The test must be scheduled:

1. During normal school hours; and
2. To optimize student participation, at a time that limits conflicts with extracurricular activities.

Each school district shall provide each student in grades 10 through 12 and the student's parent or person standing in parental relation to the student a notice of the date, time, and location of the scheduled administration of the ASVAB test.

A school district may elect not to provide the ASVAB test only if the district or school provides an alternative test that:

1. Assesses a student's aptitude for success in a career field other than a career field that requires postsecondary education;
2. Is free to administer;
3. Requires minimal training and support of district or school faculty and staff to administer the test; and
4. Provides the student with a professional interpretation of the test results that allows the student to:
 - a. Explore occupations that are consistent with the student's interests and skills; and
 - b. Develop strategies to attain the student's career goals.

A school district or high school that, before September 1, 2017, entered into a contract under which a vocational aptitude test that does not comply with the requirements for an alternative test is provided to students in grades 10 through 12, may elect not to provide the ASVAB test for the term of the contract. On the expiration of the contract term, this exemption is not applicable.

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Limited English Proficient Students

In grades 3–12, a limited English proficient (LEP) student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate

test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

**Notice to Parents
and Students**

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.
2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be

provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (LEP students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Writing, including spelling and grammar, in grades 4 and 7;
4. Social studies in grade 8;
5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

Except as required for purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is receiving instruction in the entire curriculum for that subject.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

Education Code 28.0211(p), 39.023(a-2); 19 TAC 101.3011

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the

Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten Assessment Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.027*

Accommodations Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

End-of-Course Assessments

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

Students Enrolled Below High School Level Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment Requirements for Graduation A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative [TSI] as a substitute assessment and is enrolled in certain college preparatory courses; see TSI Additional Criteria, below).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a TSI assessment also meets the additional criteria.

*TSI Additional
Criteria*

A student must meet the criteria established below in order to qualify to use TSI as a substitute assessment.

1. A student must have been enrolled in a college preparatory course for English language arts or mathematics and, in accordance with Education Code 39.025(a-1), have been administered an appropriate TSI assessment at the end of that course.
 - a. A student under this provision who meets all three TSI English language arts score requirements provided in the chart at 19 Administrative Code 101.4002(b) satisfies both the English I and English II EOC assessment graduation requirements.
 - b. A student under this provision may satisfy an assessment graduation requirement in such a manner regardless of previous performance on an Algebra I, English I, or English II EOC assessment.
2. In accordance with Education Code 39.025(a-3), a student who has not been successful on the Algebra I or English II EOC assessment after retaking the assessment may use the corresponding TSI assessment in place of that EOC assessment.

For a student under this provision who took separate reading and writing assessments for the English II EOC assessment and who did not meet the English II assessment graduation requirement using those tests as specified in 19 Administrative Code 101.3022(b) (Assessment Requirements for Graduation), the separate TSI reading or writing assessment may not be used to substitute for the corresponding English II reading or writing EOC assessment.

A student electing to substitute an assessment for graduation purposes must still take the required EOC assessment if the student does not meet the eligibility requirements above. If a student sits for an EOC assessment, a district may not mark the substitute assessment bubble for that administration.

A student who fails to perform satisfactorily on the PSAT-related assessment or the pre-ACT test (or any versions of these tests) as indicated in the chart at 19 Administrative Code 101.4002(b) must take the appropriate required EOC assessment. However, a student who does not receive a passing score on the EOC assessment and retakes the PSAT-related assessment or pre-ACT test (or any versions of these tests) is eligible to meet the requirements to use a substitute assessment.

19 TAC 101.4002

*Verification of
Results*

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory
Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual
Graduation
Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the

IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

19 TAC 101.3023(a), (b)

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. date of the revocation, which shall be no later than the end of the current school year or may be effective immediately in the event of a health or safety concern.

Contract Renewal

Upon the expiration of a charter performance contract, the Board may renew the contract for up to an additional five-year term. In accordance with law, the Board shall renew a charter performance contract only if the Board finds that the campus charter has substantially fulfilled its obligations and met the performance standards in the contract and applicable law.

The Board shall consider the following, in addition to other factors specified in the charter performance contract:

1. Multiple years and measures of performance against the performance standards and expectations established in the charter performance contract and applicable law;
2. Financial audits;
3. Performance and compliance reports, including site visit reports, if applicable; and
4. The campus charter's performance on corrective action plans or other required interventions, if necessary.

Procedure

The District shall publish the renewal application process, including the renewal criteria and timelines.

As part of the renewal application process, the District shall provide each campus charter, in advance of the renewal decision, a cumulative report that summarizes the campus charter's performance record over the contract term and states the District's summative findings concerning the campus's performance and its prospects for renewal.

Decision Not to Renew

The Board may choose not to renew a charter performance contract for any of the following reasons:

1. Failure to meet student performance standards or other obligations in the charter performance contract;
2. Failure to meet generally accepted accounting standards for fiscal management;
3. Violation of any provision of the contract or applicable state or federal law; or
4. Other reason as determined by the Board.

Notification

If the Board decides not to renew a contract, the Board shall notify the campus charter of the action in writing no later than the last Friday in January during the final year of the charter performance contract. The notice shall include the reasons for the action and the effective date of the campus charter closure, which shall be no later than the end of the current school year.

Closure Protocol

The Board shall develop a detailed campus closure protocol to apply if the Board decides not to renew or to revoke a charter performance contract and close the campus. The protocol shall ensure timely notification to parents including assistance in finding new placements; orderly transition of student records to the District; and disposition of campus funds, property, and assets in accordance with law. In the event of closing any campus charter, the District shall oversee and work with the campus charter's governing board and leadership to carry out the closure protocol.

Definitions

"Student with a Disability"

A "student with a disability" is one who has a physical or mental impairment that substantially limits one or more of the student's major life activities, has a record of having such an impairment, or is being regarded as having such an impairment.

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

A student meets the requirement of being "regarded as" having an impairment if the student establishes that he or she has been subjected to a prohibited action because of an actual or perceived

physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity. This provision does not apply to impairments that are transitory or minor. A transitory impairment is one with an actual or expected duration of 6 months or less.

29 U.S.C. 705(20)(B), 42 U.S.C. 12102(1), (3)–(4)

“Qualified Individual with a Disability”

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2)*

“Major Life Activities”

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. “Major life activity” also includes the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. *42 U.S.C. 12102(2)*

Reasonable Modification

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

Direct Threat

“Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices or procedures, or by the provision of auxiliary aids or services as provided below. *28 C.F.R. 35.104*

The ADA does not require a district to permit an individual to participate in or benefit from the services, programs, or activities of that district when that individual poses a direct threat to the health or safety of others.

In determining whether an individual poses a direct threat to the health or safety of others, a district must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain:

1. The nature, duration, and severity of the risk;
2. The probability that the potential injury will actually occur; and

3. Whether reasonable modifications of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk.

28 C.F.R. 35.139

Free Appropriate
Public Education
(FAPE)

A district shall provide a free appropriate public education to each qualified student with a disability within the district's jurisdiction, regardless of the nature or severity of the student's disability.

A student with a disability is "qualified" if he or she is between the ages of three and 21, inclusive. *20 U.S.C. 1412(a)(1); 34 C.F.R. 104.3(l)(2)*

An appropriate education is the provision of regular or special education and related services that are:

1. Designed to meet the student's individual educational needs as adequately as the needs of students who do not have disabilities are met; and
2. Based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards, as set forth below.

34 C.F.R. 104.33(b)

Implementation of an individualized education program (IEP) under IDEA is one means for providing FAPE. *34 C.F.R. 104.33(b)(2)*

Note: See EHBA series for policies regarding the provision of special education to students with disabilities under IDEA who require special education in order to benefit from a free appropriate public education.

Educational Setting

A district shall place a student with a disability in the regular educational environment, unless the district demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. *34 C.F.R. 104.34(a)*

In providing or arranging for nonacademic and extracurricular services and activities, a district shall ensure that a student with a disability participates with students who do not have disabilities to the maximum extent appropriate to the needs of the student with a disability. *34 C.F.R. 104.34(b), 104.37*

Evaluation and
Placement

A district shall conduct an evaluation of any person who, because of disability, needs or is believed to need special education or related services before taking any action with respect to the initial

placement of the person in regular or special education and any subsequent significant change in placement.

*Evaluation
Procedures*

A district shall establish standards and procedures for the evaluation and placement which ensure that:

1. Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
2. Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
3. Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

*Placement
Procedures*

In interpreting evaluation data and in making placement decisions, a district shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social and cultural background, and adaptive behavior;
2. Establish procedures to ensure that information obtained from all such sources is documented and carefully considered;
3. Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options; and
4. Ensure that the placement decision is made in conformity with 34 C.F.R. 104.34.

Reevaluation

A district shall establish procedures for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act [now IDEA] is one means of meeting this requirement.

34 C.F.R. 104.35

<i>Military Dependents</i>	In compliance with the requirements of Section 504, and with Title II of the Americans with Disabilities Act (42 U.S.C. Sections 12131–12165), the district shall make reasonable accommodations and modifications to address the needs of incoming military dependents with disabilities, subject to an existing Section 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. <i>Education Code 162.002 art. V, § C</i> [See FDD]
Procedural Safeguards	<p>A district shall establish a system of procedural safeguards with respect to the identification, evaluation, and educational placement of persons who need or are believed to need special instruction or related services.</p> <p>The system shall include notice, an opportunity for the student’s parent or guardian to examine relevant records, an impartial hearing with the opportunity for participation by the student’s parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of IDEA is one means of meeting this requirement. <i>34 C.F.R. 104.36</i></p>
Children Who Are Homeless	A district shall adopt policies and practices to ensure that homeless children are not stigmatized or segregated on the basis of their homeless status. [See FDC]
Liaison	<p>A district shall designate an appropriate staff person, able to carry out the required duties, as the district liaison for homeless children. A district shall inform school personnel, service providers, advocates working with homeless families, parents and guardians of homeless children, and homeless children of the duties of the liaison. [See FFC]</p> <p><i>42 U.S.C. 11432(g)(1)(J)(i), (ii), (g)(6)(B)</i></p>
Religious Freedom	A district may not substantially burden a student’s free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. <i>Civ. Prac. & Rem. Code 110.003</i> [See also DAA and GA]
Adverse Action Prohibited	Notwithstanding any other law, a district may not take any adverse action against any person based wholly or partly on the person’s membership in, affiliation with, or contribution, donation, or other support provided to a religious organization. <i>Gov’t Code 2400.002</i> [See GA]
Discrimination on the Basis of Sex	No person in the United States shall, on the basis of sex, be excluded from participation in, denied the benefits of, or be subjected

to discrimination by any district receiving federal financial assistance. *20 U.S.C. 1681(a)*

A district shall not provide any course or otherwise carry out any of its educational programs or activities separately on the basis of sex, or require or refuse participation therein on the basis of sex, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses. *34 C.F.R. 106.34*

- Separate Facilities** A district may provide separate toilet, locker room, and shower facilities on the basis of sex, but the facilities provided for one sex shall be comparable to the facilities provided for the other sex. *34 C.F.R. 106.33*

- Physical Education Classes** A district may group students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.
- Skills Assessment** Where use of a single standard of measuring skill or progress in physical education classes has an adverse effect on members of one sex, a district shall use appropriate standards that do not have such effect.
- Contact Sports** A district may separate students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.
34 C.F.R. 106.34, .43

However, where a recipient operates or sponsors a team in a particular sport for members of one sex but not for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport.

"Adult caregiver" means an adult person whom a parent has authorized to provide temporary care for a child under Family Code Chapter 34. *Family Code 34.0015(1)*

A parent, as defined in Family Code 101.024, or both parents of a child may enter into an authorization agreement with an adult caregiver to authorize the adult caregiver to perform acts described in Family Code 34.002 in regard to the child, such as:

1. Authorizing medical, dental, psychological, or surgical treatment and immunization of the child, including executing any consents or authorizations for the release of information as required by law relating to the treatment or immunization;

Only one authorization agreement may be in effect for a child at any time. Execution of a subsequent authorization agreement does not by itself supersede, invalidate, or terminate a prior authorization agreement. An authorization agreement is void if it is executed while a prior authorization agreement remains in effect. *Family Code 34.002(d), .008(f)*

An authorization agreement is for a term of six months and renews automatically for six-month terms unless an earlier expiration date is stated in the agreement, the agreement is terminated under Family Code 34.008, or a court authorizes continuation. *Family Code 34.0075*

Immunity

A person who is not a party to the authorization agreement who relies in good faith on the authorization agreement, without actual knowledge that the authorization agreement is void, revoked, or invalid, is not subject to civil or criminal liability to any person, and is not subject to professional disciplinary action, for that reliance if the agreement is completed as required by Family Code Chapter 34. *Family Code 34.007(a)*

Note: The [Authorization Agreement for Nonparent Relative \(PDF\)](#)¹ is available on the DFPS website.

**Temporary
Authorization for
Care**

A person eligible to consent to treatment of a child under Family Code 32.001 or a person eligible to enter an authorization agreement [see Authorization Agreement, above] may seek a court order for temporary authorization for care of a child by filing a petition in the district court in the county in which the person resides if:

1. The child has resided with the person for at least the 30 days preceding the date the petition was filed; and

2. The person does not have an authorization agreement or other signed, written documentation from a parent, conservator, or guardian that enables the person to provide necessary care for the child.

Family Code 35.001–.002

The order may authorize the petitioner to, among other things:

1. Consent to medical, dental, psychological, and surgical treatment and immunization of the child;
2. Enroll the child in the district; and
3. Authorize the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

A temporary authorization order does not affect the rights of the child's parent, conservator, or guardian regarding the care, custody, and control of the child, and does not establish legal custody of the child. *Family Code 35.007(b)*

Immunity

A person who relies in good faith on a temporary authorization order is not subject to civil or criminal liability to any person, or to professional disciplinary action. *Family Code 35.007(a)*

Students in Foster Care

A child placed in foster care by an agency of the state or a political subdivision shall be permitted to attend schools in the district in which the foster parents reside free of any charge to the foster parents or to the agency. A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of DFPS and who is placed at a residence outside the attendance area for a school or outside a district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g)*

If a student who is in the conservatorship of DFPS is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the

conservatorship of DFPS, the student is entitled to continue to attend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside the district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g-1)*

A written case plan for any child in foster care under the responsibility of the state must include a plan for ensuring the educational stability of the child while in foster care, including:

1. Assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and
2. An assurance that the appropriate state agency has coordinated with a district to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or if remaining in that school is not in the best interests of the child, assurances by the state agency and the district to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

The commissioner shall develop guidelines for determining the amount of the full unsubsidized per capita cost of providing a student's education. A district may not accept tuition in an amount

greater than the amount computed under the commissioner's guidelines unless the commissioner approves a greater amount as a more accurate reflection of the cost of education to be provided by the district.

The attendance of a student for whom a district accepts tuition is not counted for purposes of allocating state funds to the district.

Education Code 25.0031

**Attendance for State
Funding Purposes**

Attendance for all grades shall be determined by the absences recorded in the second or fifth instructional hour of the day, unless the board adopts a policy, or delegates to the superintendent the authority to establish procedures for recording absences in an alternative hour, or unless the students for which attendance is being taken are enrolled in and participating in a commissioner-approved alternative attendance accounting program.

The established period in which absences are recorded may not be changed during the school year.

Students absent at the time the attendance roll is taken, during the daily period selected, are counted absent for the entire day, unless the students are enrolled in and participating in a commissioner-approved alternative attendance accounting program. Students present at the time the attendance roll is taken, during the daily period selected, are counted present for the entire day, unless the students are enrolled in and participating in a commissioner-approved alternative attendance accounting program.

19 TAC 129.21(g)–(h)

A student removed to a disciplinary alternative education program is counted in computing the average daily attendance of students in a district for the student's time in actual attendance in the program. *Education Code 37.008(f)*

Funding for Off-Campus Programs

Funding eligibility for a student participating in an off-campus program will include time instructed in the off-campus program. A campus may choose an alternate attendance-taking time for a group of students that is scheduled to be off-campus during the regular attendance-taking time. The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off-campus during the regular attendance-taking time (for example, for the semester or for the duration of employment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students. If attendance is taken at an off-campus location, the district must ensure that attendance is taken in accordance with the *SAAH*.

For a district to receive FSP funding for a student participating in an off-campus program, the district must have documentation of an agreement between the district and the college.

19 TAC 129.1031(c), (d) [See EHDD]

Exceptions

A student not actually on campus when attendance is taken may be considered in attendance for FSP purposes if:

1. The student is participating in a board-approved activity under the direction of a member of a district's professional or paraprofessional staff, or an adjunct staff member who has a bachelor's degree and is eligible for participation in the Teacher Retirement System of Texas (TRS). [See FM]
2. The student is participating in a mentorship approved by district personnel to serve as one or more of the advanced measures needed to complete the Distinguished Achievement

Program outlined in 19 Administrative Code Chapter 74. [See EIF]

3. The student is absent for one of the purposes listed at Excused Absences for Compulsory Attendance Determinations in FEA(LEGAL).
4. The student is in attendance at a dropout recovery education program under Education Code 29.081. [See GNC]
5. The student's absence is permitted by other conditions related to off-campus instruction described in the *SAAH*.

Disasters

The commissioner may adjust the average daily attendance of a district all or part of which is located in an area declared a disaster area by the governor under Government Code Chapter 418 if the district experiences a decline in average daily attendance that is reasonably attributable to the impact of the disaster.

The commissioner may make the adjustment under this section for the two-year period following the date of the governor's initial proclamation or executive order declaring the state of disaster.

Education Code 48.006(a), (c)

Parental Consent to Leave Campus

Before a district may count a student in attendance under these provisions or in attendance when the student was allowed to leave campus during any part of the school day, the board must adopt a policy, or delegate to the superintendent the authority to establish procedures, addressing parental consent for a student to leave campus and the district must distribute the policy or procedures to staff and to all parents of students in the district. *19 TAC 129.21(l)*

District Complaint or Referral

Against Student

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student's tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FEA]

Against Parent

The district may file a complaint against the student's parent in a county, justice, or municipal court for an offense under Education Code 25.093 if the district provides evidence of the parent's criminal negligence.

A court shall dismiss a complaint made by a district against a parent that does not comply with Education Code 25.0951; does not allege the elements required for the offense; is not timely filed, unless the district delayed the referral as provided below; or is otherwise substantively defective.

Delaying a Referral

A district may delay a referral of a student for truant conduct, or may choose to not refer a student for truant conduct, if the district:

1. Is applying truancy prevention measures to the student under Education Code 25.0915; and
2. Determines that the truancy prevention measures are succeeding and it is in the best interest of the student that a referral be delayed or not be made.

Education Code 25.0951

Referral Prohibited

A district may not refer a student to truancy court if the school determines that the student's truancy is the result of pregnancy, being in the state foster program, homelessness, or being the principal income earner for the student's family. [See Truancy Prevention Measures, below] *Education Code 25.0915(a-3)*

Filing Requirements

Each referral to truancy court for conduct described by Family Code 65.003(a) must:

1. Be accompanied by a statement from the student's school certifying that the school applied the truancy prevention measures to the student, and the measures failed to meaningfully address the student's school attendance; and
2. Specify whether the student is eligible for or receives special education services under Education Code Chapter 29, Subchapter A.

A truancy court shall dismiss a petition filed by a truant conduct prosecutor under Family Code 65.054, if the court determines that the district's referral:

1. Does not comply with the requirement above;
2. Does not satisfy the elements required for truant conduct;
3. Is not timely filed, unless the school district delayed the referral as provided above [see *Delaying a Referral*, above]; or
4. Is otherwise substantively defective.

Education Code 25.0915(b), (c)

Expunction of Records

An individual who was convicted of a truancy offense under former Education Code 25.094 or has had a complaint for a truancy offense dismissed is entitled to have the conviction or complaint and records relating to the conviction or complaint expunged.

Regardless of whether the individual has filed a petition for expunction, the court in which the individual was convicted or a complaint for a truancy offense was filed shall order the conviction, complaints, verdicts, sentences, and other documents relating to the offense, including any documents in the possession of a district or law enforcement agency, to be expunged from the individual's record. After entry of the order, the individual is released from all disabilities resulting from the conviction or complaint, and the conviction or complaint may not be shown or made known for any purpose.

Code of Crim. Proc. 45.0541

5. To make a home visit or otherwise contact the parent of a student who is in violation of compulsory school attendance requirements, except that the attendance officer may not enter a residence without permission of the parent or of the owner or tenant of the residence; and
6. At the request of a parent, to escort a student from any location to a school campus to ensure the student's compliance with compulsory school attendance requirements.

Education Code 25.091(b)

Peace Officers

A peace officer serving as an attendance officer has the following powers and duties concerning enforcement of compulsory school attendance requirements:

1. To investigate each case of a violation of compulsory school attendance requirements referred to the peace officer;

A peace officer who has probable cause to believe that a child is in violation of the compulsory attendance law may take the child into custody for the purpose of returning the child to the school campus of the child to ensure the child's compliance with compulsory attendance requirements.

Education Code 25.091(a), (b-1)

**Truancy Prevention
Measures**

A district shall adopt truancy prevention measures designed to address student conduct related to truancy in the school setting before the student engages in conduct described by Family Code 65.003 and minimize the need for referrals to truancy court for conduct described by Family Code 65.003(a). *Education Code 25.0915(a)*

A district shall take one or more of the following actions as a truancy prevention measure:

1. Impose:
 - a. A behavior improvement plan on the student that must be signed by an employee of the school, that the district has made a good faith effort to have signed by the student and the student's parent or guardian, and that includes:
 - (1) A specific description of the behavior that is required or prohibited for the student;
 - (2) The period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or
 - (3) The penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or

- b. School-based community service; or
2. Refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy. A referral may include participation by the child's parent or guardian if necessary.

A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

1. Pregnancy;
2. Being in the state foster program;
3. Homelessness; or
4. Being the principal income earner for the student's family.

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Education Code 25.0951(a), the district shall initiate truancy prevention measures on the student.

Education Code 25.0915

- Minimum Standards
- The minimum standards for the truancy prevention measures implemented by a district under Education Code 25.0915 include:
1. Identifying the root cause of the student's unexcused absences and actions to address each cause;
 2. Maintaining ongoing communication with students and parents on the actions to be taken to improve attendance;
 3. Establishing reasonable timelines for completion of the truancy prevention measure; and
 4. Establishing procedures to notify the admission, review, and dismissal committee or the Section 504 committee of attendance issues relating to a student with a disability and ensure that the committee considers whether the student's attendance issues warrant an evaluation, a reevaluation, and/or modifications to the student's individualized education program or Section 504 plan, as appropriate.

- Best Practices
- A district shall consider the following best practices for truancy prevention measures:

ATTENDANCE
ATTENDANCE ENFORCEMENT

FED
(LEGAL)

1. Develop an attendance policy that clearly outlines requirements related to truancy in accordance with Education Code, Chapter 25, Subchapter C, and communicate this information to parents at the beginning of the year.
2. Create a culture of attendance that includes training staff to talk with students and parents about the attendance policy and the root causes of unexcused absences.
3. Create incentives for perfect attendance and improved attendance.
4. Educate students and their families on the positive impact of school attendance on performance.
5. Provide opportunities for students and parents to address causes of absence and/or truancy with district staff and link families to relevant community programs and support.
6. Develop collaborative partnerships, including planning, referral and cross-training opportunities, between appropriate school staff, attendance officers, program-related liaisons, and external partners, such as court representatives, community and faith-based organizations, state or locally funded community programs for truancy intervention or prevention, and law enforcement to assist students.
7. Determine root causes of unexcused absences and review campus- and district-level data on unexcused absences to identify systemic issues that affect attendance.
8. Use existing school programs such as Communities in Schools, 21st Century Community Learning Centers, restorative discipline, and positive behavior interventions and supports (PBIS) to provide students and their parents with services.
9. At the beginning of each school year, conduct a needs assessment and identify and list, or map, services and programs available within the district and the community that a school, a student, or a student's parent or guardian may access to address the student's barriers to attendance and make the information available to staff, students, and parents. The information must include, but is not limited to:
 - a. Services for pregnant and parenting students;
 - b. Services for students experiencing homelessness;
 - c. Services for students in foster care;

Sanctions

An aggrieved party may file a written complaint with the Texas Education Agency (TEA) regarding an allegation that a district has failed to comply with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB related to truancy prevention measures. TEA may request that a district provide documentation regarding its compliance in response to a complaint. Maintenance and Administration of Epinephrine Auto-Injectors

A district may adopt and implement a policy regarding the maintenance, administration, and disposal of epinephrine auto-injectors at each campus in the district.

If a policy is adopted, the policy:

1. Must provide that school personnel and school volunteers who are authorized and trained may administer an epinephrine auto-injector to a person who is reasonably believed to be experiencing anaphylaxis on a school campus; and
2. May provide that school personnel and school volunteers who are authorized and trained may administer an epinephrine auto-injector to a person who is reasonably believed to be experiencing anaphylaxis at an off-campus school event or while in transit to or from a school event.

A district that adopts a policy must require that each campus have one or more school personnel members or school volunteers authorized and trained to administer an epinephrine auto-injector present during all hours the campus is open.

The supply of epinephrine auto-injectors at each campus must be stored in a secure location and be easily accessible to school personnel and school volunteers authorized and trained to administer an epinephrine auto-injector.

Education Code 38.208

Definitions

*All Hours the
Campus Is Open*

“All hours the campus is open” is defined as, at a minimum, during regular on-campus school hours, and when school personnel are physically on site for school-sponsored activities.

Campus

A “campus” is defined as a unit of a school district that has an assigned administrator, has enrolled students who are counted for average daily attendance, has assigned instructional staff, provides instructional services to students, has one or more grades in the range from early childhood education through grade 12 or is ungraded, and complies with relevant Texas laws.

*Unassigned
Epinephrine
Auto-Injector*

An “unassigned epinephrine auto-injector” is an epinephrine auto-injector prescribed by an authorized health-care provider in the name of the school issued with a non-patient-specific standing delegation order for the administration of an epinephrine auto-injector, issued by a physician or person who has been delegated prescriptive authority under Occupations Code Chapter 157.

25 TAC 37.603

Prompt Notification

Local emergency medical services must be promptly notified by the school when an individual is suspected of experiencing anaphylaxis and when an epinephrine auto-injector is administered. If the trained school personnel or school volunteer is the only individual available to notify emergency medical services, the trained individual should administer the unassigned epinephrine auto-injector before notifying emergency medical services.

The parent, legal guardian, or emergency contact must be promptly notified by the school when an unassigned epinephrine auto-injector is utilized on their child as soon as is feasible during the emergency response to suspected anaphylaxis.

25 TAC 37.605(e)–(f)

Records

School records of the administration of the unassigned epinephrine auto-injector and suspected anaphylaxis must be provided to the parent or guardian of the recipient upon request. *25 TAC 37.605(f)*

Reports

Not later than the tenth business day after the date a school personnel member or school volunteer administers an epinephrine auto-injector in accordance with district policy, the school shall send a report to the school district; the physician who prescribed the epinephrine auto-injector; and the commissioner of state health services.

The report must include the following information:

1. The age of the person who received the administration of the epinephrine auto-injector;
2. Whether the person who received the administration of the epinephrine auto-injector was a student, a school personnel member or school volunteer, or a visitor;
3. The physical location where the epinephrine auto-injector was administered;
4. The number of doses of epinephrine auto-injector administered;
5. The title of the person who administered the epinephrine auto-injector; and
6. Any other information required by the commissioner of education.

Education Code 38.209

Notifications to the commissioner of DSHS shall be submitted on the designated electronic form available on the DSHS School Health Program website. *25 TAC 37.608*

Personnel or
Volunteers

At each campus in which a school adopts an unassigned epinephrine auto-injector policy, the principal may assign school personnel or school volunteers to be trained to administer unassigned epinephrine auto-injectors or seek school personnel or school volunteers who volunteer to be trained to administer unassigned epinephrine auto-injectors.

In order to increase the number of trained individuals in the administration of unassigned epinephrine auto-injectors, schools may distribute to school personnel or school volunteers in the district, at least once per school year, a notice that includes a description of the request seeking volunteers to be trained to administer an epinephrine auto-injector to a person believed to be experiencing anaphylaxis and a description of the training that the school personnel or school volunteers will receive in the administration of epinephrine with an auto-injector.

Required Elements

The DMTP must:

1. Identify the health-care services the student may receive at school;
2. Evaluate the student's ability to manage and level of understanding of the student's diabetes; and
3. Be signed by the parent or guardian and the physician.

Submission to
School

The parent or guardian must submit the DMTP to the school, and the school must review the plan:

1. Before or at the beginning of the school year;
2. On enrollment of the student, if the student enrolls after the beginning of the school year; or
3. As soon as practicable following a diagnosis of diabetes for the student.

Health and Safety Code 168.002

Individualized

The IHP shall be developed in collaboration with the student's parent or guardian and, to the extent practicable, the physician responsible for the student's diabetes treatment and one or more of the student's teachers.

A student's IHP must incorporate components of the student's DMTP, including the information required under Health and Safety Code 168.002(b) [see Required Elements, above].

Health and Safety Code 168.001(3), .003

Independent
Monitoring and
Treatment

In accordance with the student's IHP, a school shall permit the student to attend to the management and care of the student's diabetes, which may include:

1. Performing blood glucose level checks;

2. Administering insulin through the insulin delivery system the student uses;
3. Treating hypoglycemia and hyperglycemia;

Health and Safety Code 168.008

Required Care

Each school shall adopt a procedure to ensure that a school nurse or at least one unlicensed diabetes care assistant (UDCA) is present and available to provide the required care to a student with diabetes during the regular school day. A district may not restrict the assignment of a student with diabetes to a particular campus on the basis that the campus does not have the required UDCA's.

Health and Safety Code 168.007(c)-(d)

If a school nurse is assigned to a campus and the nurse is available, the nurse shall perform the tasks necessary to assist a student with diabetes in accordance with the student's IHP.

School Nurse Not Available

If a school nurse is not assigned to the campus or a school nurse is not available, a UDCA shall perform the tasks necessary to assist the student in accordance with the student's IHP and in compliance with any guidelines provided during UDCA training. A UDCA may perform these tasks only if the parent or guardian of the student signs an agreement that:

1. Authorizes a UDCA to assist the student; and
2. States that the parent or guardian understands that a UDCA is not liable for civil damages [see Immunity from Liability, below].

Health and Safety Code 168.007(a)

If a school nurse is not assigned to a campus:

 - b. At least three UDCA's if a full-time nurse is not assigned to the school.

"School employee" means a person employed by a school, a local health department that assists the school under Health and Safety Code Chapter 168 (Care of Students with Diabetes), or another entity with whom the school has contracted to perform its duties under that chapter.

"Unlicensed diabetes care assistant" means a school employee who has successfully completed the required training [see UDCA Training, below].

A school employee may not be subject to any penalty or disciplinary action for refusing to serve as a UDCA.

A UDCA shall serve under the supervision of the principal.

Health and Safety Code 168.001(5)–(6), .003–.004

UDCA Training

If a school nurse is assigned to a campus, the nurse shall coordinate the training of school employees acting as UDCA's. Training for UDCA's must be provided by a health-care professional with expertise in the care of persons with diabetes or by a school nurse. The training must include instruction in the elements set forth at Health and Safety Code 168.005(d).

Training must be provided before the beginning of the school year or as soon as practicable following:

1. The enrollment of a student with diabetes at a campus that previously had no students with diabetes; or

1. Identifies the student who has diabetes;
2. Identifies potential emergencies that may occur as a result of the student's diabetes and the appropriate responses to such emergencies; and
3. Provide the telephone number of a contact person in case of an emergency involving the student with diabetes.

Health and Safety Code 168.006

Immunity from
Liability

A school employee may not be subject to any disciplinary proceeding, as defined by Education Code 22.0512(b), resulting from any action taken in compliance with Health and Safety Code Chapter 168. The requirements of Chapter 168 are considered to involve the employee's judgment and discretion and are not considered ministerial acts for purposes of immunity under Education Code 22.0511. *Health and Safety Code 168.009(a)* [See DG]

A school nurse is not responsible for and may not be subject to disciplinary action under Occupations Code Chapter 301 for actions performed by a UDCA. *Health and Safety Code 168.009(b)*

A UDCA who assists a student as provided above [see Required Care, above] in compliance with the student's IHP:

1. Is not considered to be engaging in the practice of professional or vocational nursing under Occupations Code Chapter 301 or other state law; and
2. Is exempt from any applicable state law or rule that restricts the activities that may be performed by a person who is not a health-care provider.

A UDCA may exercise reasonable judgment in deciding whether to contact a health-care provider in the event of a medical emergency involving a student with diabetes.

Health and Safety Code 168.007(e)-(f)

Students at Risk for Anaphylaxis

The board shall adopt and administer a policy for the care of students with a diagnosed food allergy at risk for anaphylaxis based on [Guidelines for the Care of Students with Food Allergies At-Risk for Anaphylaxis](#)² developed by the commissioner of state health services. A district shall annually review the policy and, as necessary, revise its policy for the care of students with a diagnosed food allergy at risk for anaphylaxis to ensure the policy is consistent with the most current version of the guidelines.

This section does not waive any liability or immunity of the district or its officers or employees or create any liability for or a cause of action against the district or its officers or employees.

Notwithstanding any other law, these provisions do not create a civil, criminal, or administrative cause of action or liability or create a standard of care, obligation, or duty that provides the basis for a cause of action.

Education Code 38.0151(a)–(b), (d), (i)–(j)

A district that provides for the maintenance, administration, and disposal of epinephrine auto-injectors under Education Code Chapter 38, Subchapter E [see FFAF] is not required to comply with Education Code 38.0151. *Education Code 38.0151(f)*

Website
Requirements

Each school year, the board shall post a summary of the guidelines on the district's website [see CQA], including instructions on obtaining access to the complete guidelines document. The district's website must be accessible by each student enrolled in the district and a parent or guardian of each student. Any forms used by a district requesting information from a parent or guardian enrolling a child with a food allergy in the district must include information to access on the district's website a summary of the guidelines and instructions on obtaining access to the complete guidelines document. *Education Code 38.0151(b)*

Seizure Management and Treatment Plan

The parent or guardian of a student with a seizure disorder may seek care for the student's seizures while the student is at school or participating in a school activity by submitting to the district at which the student is enrolled a copy of a seizure management and treatment plan developed by the student's parent or guardian and the physician responsible for the student's seizure treatment. The plan must be submitted to and reviewed by the district:

1. Before or at the beginning of the school year;
2. On enrollment of the student, if the student enrolls in the district after the beginning of the school year; or

3. As soon as practicable following a diagnosis of a seizure disorder for the student.

Plan Requirements

A seizure management and treatment plan must:

1. Identify the health-care services the student may receive at school or while participating in a school activity;
2. Evaluate the student's ability to manage and level of understanding of the student's seizures; and
3. Be signed by the student's parent or guardian and the physician responsible for the student's seizure treatment.

Education Code 38.032(a)–(b)

Immunity

The care of a student with a seizure disorder by a district employee under a seizure management plan submitted under Education Code 38.032 is incident to or within the scope of the duties of the employee's position of employment and involves the exercise of judgment or discretion on the part of the employee for purposes of Education Code 22.0511, regarding immunity from liability.

The immunity from liability provided by Education Code 22.0511 applies to an action or failure to act by a district employee in administering a medication, assisting with self-administration, or otherwise providing for the care of a student under a seizure management plan submitted for the student.

Membership

The superintendent shall ensure that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration, school safety and security, emergency management, and law enforcement. A team may serve more

A committee with oversight responsibility must include members with expertise in human resources, education, special education, counseling, behavior management, school administration, mental health and substance use, school safety and security, emergency management, and law enforcement.

Team Duties

Each team shall:

1. Conduct a threat assessment that includes assessing and reporting individuals who make threats of violence or exhibit harmful, threatening, or violent behavior in accordance with district policies and procedures; and gathering and analyzing data to determine the level of risk and appropriate intervention, including:

Determination of
Risk

On determination that a student or other individual poses a serious risk of violence to self or others, a team shall immediately report the team's determination to the superintendent. If the individual is a student, the superintendent shall immediately attempt to inform the

parent or person standing in parental relation to the student. These requirements do not prevent an employee of the school from acting immediately to prevent an imminent threat or respond to an emergency.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

Each district may select from the list a program or programs appropriate for implementation in the district.

Subject Areas

The list must include programs and practices in the following areas:

- 1. Early mental health intervention;
- 2. Mental health promotion;
- 3. Building skills related to managing emotions, establishing and maintaining positive relationships, and responsible decision-making;
- 4. Substance abuse prevention and intervention;
- 5. Suicide prevention;

6. Grief-informed and trauma-informed practices;
7. Positive behavior interventions and supports and positive youth development; and
8. Safe, supportive, and positive school climate.

“School climate” means the quality and character of school life, including interpersonal relationships, teaching and learning practices, and organizational structures, as experienced by students enrolled in the district, parents of those students, and personnel employed by the district.

TDSHS, TEA, and each ESC shall make the list easily accessible on their websites.

**Practices and
Procedures**

A district may develop practices and procedures concerning each area listed above, including mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention, that:

1. Include a procedure for providing educational material to all parents and families in the district that contains information on identifying risk factors, accessing resources for treatment or support provided on and off campus, and accessing available student accommodations provided on campus;
2. Include a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs, which may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;

The practices and procedures must prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

The practices and procedures developed must be included in the annual student handbook and the district improvement plan under Education Code 11.252. [See BQ]

Nothing in these provisions is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Practices and procedures developed in accordance with these provisions are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. These provisions do not give districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

Health and Safety Code 161.325

Immunity

These requirements do not waive any immunity from liability of a district or of district officers or employees, create any liability for a cause of action against a district or against district officers or employees, or waive any immunity from liability under Civil Practice and Remedies Code 74.151. *Health and Safety Code 161.326*

The District shall develop procedures as recommended by the Texas School Safety Center. In accordance with those procedures, the threat assessment and safe and supportive team shall conduct threat assessments using a process that includes:

1. Identifying individuals, based on referrals, tips, or observations, whose behavior has raised concerns due to threats of violence or exhibition of behavior that is harmful, threatening, or violent.
2. Conducting an individualized assessment based on reasonably available information to determine whether the individual poses a threat of violence or poses a risk of harm to self or others and the level of risk.
3. Implementing appropriate intervention and monitoring strategies, if the team determines an individual poses a threat of harm to self or others. These strategies may include referral of a student for a mental health assessment and escalation procedures as appropriate.

For a student or other individual the team determines poses a serious risk of violence to self or others, the team shall immediately report to the Superintendent, who shall immediately attempt to contact the student's parent or guardian. Additionally, the Superintendent shall coordinate with law enforcement authorities as necessary and take other appropriate action in accordance with the District's multihazard emergency operations plan.

For a student the team identifies as at risk of suicide, the team shall follow the District's suicide prevention program.

For a student the team identifies as having a substance abuse issue, the team shall follow the District's substance abuse program.

For a student whose conduct may constitute a violation of the District's Student Code of Conduct, the team shall make a referral to the campus behavior coordinator or other appropriate administrator to consider disciplinary action.

As appropriate, the team may refer a student:

1. To a local mental health authority or health-care provider for evaluation or treatment; or

2. Available counseling options for students affected by trauma or grief.

Education Code 38.036(a)–(b)

Training

The methods for increasing awareness and implementation of trauma-informed care must include training as provided below. The training must be provided:

2. As part of any new employee orientation for all new district educators; and
3. To existing district educators on a schedule adopted by TEA that requires educators to be trained at intervals necessary to keep educators informed of developments in the field.

For any training under this provision, a district shall maintain records that include the name of each district staff member who participated in the training.

**Mandatory Removal
by a Teacher**

A teacher shall remove from class and send to the principal for placement in a disciplinary alternative education program (DAEP) or expulsion, as appropriate, a student who engages in conduct described in Education Code 37.006 (removal) or 37.007 (expulsion). [See FOC and FOD] *Education Code 37.002(d)*

Routine Referral

A teacher may send a student to the campus behavior coordinator's (CBC) office to maintain effective discipline in the classroom. The CBC shall respond by employing appropriate discipline management techniques, consistent with the Student Code of Conduct that can reasonably be expected to improve the student's behavior before returning the student to the classroom. If the student's behavior does not improve, the CBC shall employ alternative discipline management techniques, including any progressive interventions designated as the responsibility of the CBC in the Student Code of Conduct. *Education Code 37.002(a)* [See FO]

**Discretionary
Removal**

A teacher may remove from class a student:

1. Who has been documented by the teacher to repeatedly interfere with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn; or
2. Whose behavior the teacher determines is so unruly, disruptive, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn.

A student who is sent to the campus behavior coordinator's or other administrator's office under a routine referral or a discretionary removal, as described above, is not considered to have been removed from the classroom for the purposes of reporting data through the Public Education Information Management System (PEIMS) or other similar reports required by state or federal law. *Education Code 37.002(e)*

Student Code of Conduct, the campus behavior coordinator or other appropriate administrator shall schedule a conference among the campus behavior coordinator or other appropriate administrator, a parent or guardian of the student, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular classroom pending the conference. Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the campus behavior coordinator, after consideration of the mitigating factors (see below), shall order the placement of the student for a period consistent with the Student Code of Conduct.

Appeals

If district policy allows a student to appeal to the board or the board's designee, a decision of the campus behavior coordinator or other appropriate administrator, other than an expulsion under Section 37.007, the decision of the board or the board's designee is final and may not be appealed.

Placement Length

The period of the placement may not exceed one year unless, after a review, the district determines that the student is a threat to the safety of other students or to district employees. The student may not be returned to the regular class pending the required conference.

Education Code 37.009(a)

Mitigating Factors

The CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct. *Education Code 37.009(a)*

[See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]

Prohibitions on Activities

The terms of the removal may prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.002(c)*

Return to Class

The principal may not return the student to the class of the teacher who removed the student without the teacher's consent, unless the placement review committee determines that such placement is the best or only alternative available.

The teacher may not be coerced to consent.

Education Code 37.002(c), (d)

**Placement Review
Committee**

Each school shall establish a three-member committee to determine the placement of a student when a teacher refuses the return of a student to the teacher's class. The committee shall make recommendations to the district regarding readmission of expelled students.

Composition

Committee members shall be appointed as follows:

1. Campus faculty shall choose two teachers to serve as members and one teacher to serve as an alternate member; and
2. The principal shall choose one member from the professional staff of a campus.

The teacher refusing to readmit the student may not serve on the committee.

**Removal by School
Bus Driver**

The driver of a school bus transporting students to or from school or a school-sponsored or school-related activity may send a student to the principal's office to maintain effective discipline on the school bus.

The principal shall respond by employing appropriate discipline management techniques consistent with the Student Code of Conduct.

District

A district may expel a student who attends school in the district if:

1. The student engages in conduct for which expulsion would have been mandatory if the conduct had occurred on district property or while attending a district-sponsored or district-related activity; and
2. The student engages in that conduct on the property of another district or while attending a school-sponsored or school-related activity of another district in this state.

Education Code 37.007(i)

**Expulsion
Proceedings**

Due Process

Before a student may be expelled, a board or its designee shall provide the student a hearing at which the student is afforded appropriate due process as required by the federal constitution and which the student's parent or guardian is invited, in writing, to attend. *Education Code 37.009(f)*

The minimum procedural requirements necessary to satisfy due process depend upon the circumstances and the interests of the parties involved. Federal due process requires notice and some opportunity for hearing.

Notice

The notice should contain a statement of the specific charges and grounds that, if proven, would justify expulsion. In some cases, the student should be given the names of the witnesses against him or her and an oral or written report on the facts to which each witness testifies.

Hearing

The rights of the student may properly be determined upon the hearsay evidence of school administrators who investigate disciplinary infractions.

Representative

At the hearing, the student is entitled to be represented by the student's parent, guardian, or another adult who can provide guidance to the student and who is not an employee of the district. If a district makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing, the district may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends.

STUDENT DISCIPLINE
EXPULSION

FOD
(LEGAL)

Mitigating Factors	Before ordering the expulsion of a student, the board or the board's designee must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the board concerns a mandatory or discretionary action. [See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]
Appeal	If the decision to expel a student is made by the board's designee, the decision may be appealed to the board. The decision of the board may be appealed by trial de novo to a district court of the county in which the district's central administrative office is located. <i>Education Code 37.009(f)</i>
Term of Expulsion	If the period of expulsion is inconsistent with the guidelines on length of expulsion in the Student Code of Conduct, the order must give notice of the inconsistency.
Beyond One Year	The period of expulsion may not exceed one year unless a district determines that: <ol style="list-style-type: none">1. The student is a threat to the safety of other students or to district employees; or2. Extended placement is in the best interest of the student. <i>Education Code 37.009(h)</i>
Notice of Expulsion Order	A board or its designee shall deliver a copy of the order expelling the student to the student and the student's parent or guardian. After such notification, the parent or guardian shall provide adequate supervision for the student during the period of expulsion. <i>Education Code 37.009(g)-(h)</i>
To Parent or Guardian	
To Court	Not later than the second business day after the date an expulsion hearing is held, a board or its designee shall deliver a copy of the expulsion order and any information required under Family Code 52.04 to the authorized officer of the juvenile court in the county in which the student resides. Family Code 52.04 requires the following information from a referring entity that is not a law enforcement agency or has not taken the child into custody: <ol style="list-style-type: none">1. All information in a district's possession pertaining to the identity of the child and the child's address; the name and address of the child's parent, guardian, or custodian; the names and

2. A complete statement of the circumstances of the alleged delinquent conduct or conduct indicating a need for supervision.

Education Code 37.010(a); Family Code 52.04(a), .041(a)–(b)

To Juvenile Board

In a county that operates a JJAEP [see FODA], no student shall be expelled without written notification by a board or its designee to the juvenile board's designated representative. The notification shall be made not later than two business days following a board's determination that the student is to be expelled. Failure to timely notify the designated representative shall result in the child's duty to continue attending a district's educational program, which shall be provided to that child until such time as the notification to the designated representative is properly made. *Family Code 52.041*

To Staff

In addition to providing any notice required under Code of Criminal Procedure 15.27 [see GRA], a district shall inform each educator who has responsibility for, or is under the direction and supervision of an educator who has responsibility for, the instruction of a student who has engaged in expellable conduct.

Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law. An educator's certificate may be suspended or revoked for intentional failure to keep such information confidential.

Education Code 37.007(g)

**Completion of
Proceeding Upon
Withdrawal**

If a student withdraws from a district before an order for expulsion is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student subsequently enrolls in the district during the same or subsequent school year, the district may enforce the order at that time except for any period of the expulsion that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Additional
Proceedings**

If, during the term of expulsion, a student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and the principal or board, as appropriate, may enter an additional order. *Education Code 37.009(j)*

Appeals

A decision by a board's designee to expel a student may be appealed to the board. If the hearing is not before the board directly, the results and findings of the hearing should be presented in a report open to the student's inspection. *Education Code 37.009(f)*; *Dixon v. Alabama State Bd. of Educ.*, 294 F.2d 150 (5th Cir. 1961), cert. denied, 368 U.S. 930 (1961)

Restrictions on Court Orders

A court may not order an expelled student to attend a regular classroom, a regular campus, or a district DAEP as a condition of probation.

Exception

A court may order a student to attend a regular classroom, a regular campus, or a district DAEP if the district has entered into a memorandum of understanding (MOU) with the juvenile board for the county in which the district's central administrative office is located, concerning the juvenile probation department's role in supervising and providing other support services for students in DAEPs.

Education Code 37.010(c)

District Responsibility for Expelled Student

Students Not Eligible for Existing JJAEP

In a county that operates a JJAEP, a district is responsible for providing an immediate educational program to a student who engages in behavior for which expulsion is permitted but not required under Education Code 37.007, but who is not eligible for admission into the JJAEP in accordance with an MOU. [See FODA]

Contracting for Services

A district may provide the program, or the district may contract with a county juvenile board, a private provider, or one or more other school districts to provide the program.

Education Code 37.011(l)

Certain Districts

This provision applies to a district located in a county considered to be a county with a population of 125,000 or less because it has a population of more than 200,000 and less than 220,000; has five or more school districts located wholly within the county's boundaries; and has located in the county a JJAEP that, on May 1, 2011, served fewer than 15 students. A qualifying district shall provide educational services to a student who is expelled from school. The district is entitled to count the student in the district's average daily attendance for purposes of receipt of state funds under the Foundation School Program. An educational placement under this section may include:

1. The district's DAEP.
2. A contracted placement with another school district, an open-enrollment charter school, an institution of higher education,

an adult literacy council, or a community organization that can provide an educational program that allows the student to complete the credits required for high school graduation.

An educational placement other than a district's DAEP is subject to the educational and certification requirements applicable to an open-enrollment charter school under Education Code Chapter 12, Subchapter D.

Education Code 37.011(a-3)–(a-5)

Return to Class

Early / Permissive

On the recommendation of the placement review committee, or on its own initiative, a district may readmit an expelled student while the student is completing any court disposition requirements.

Required

After an expelled student has successfully completed any court disposition requirements, including conditions of a deferred prosecution, or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission. [See FD] A district may place the student in a DAEP.

The student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

Education Code 37.010(f)

**Expelled from
Another District**

If a student has been expelled from another school district, the expelling district shall provide to a district in which the student enrolls a copy of the expulsion order and the referral to the authorized officer of the juvenile court. A district in which the student enrolls may continue the expulsion under the terms of the order, may place the student in a DAEP for the period specified by the expulsion order, or may allow the student to attend regular classes without completing the period of expulsion.

Out-of-State
Expulsion

A district may take any of the above actions if the student was expelled by a district in another state if:

1. The out-of-state district provides a copy of the expulsion order; and
2. The grounds for the expulsion are also grounds for expulsion in the district in which the student is enrolling.

Education Code 37.010(g)

If the student was expelled for more than one year and the enrolling district continues the expulsion or places the student in a

DAEP, the aggregate period of expulsion or placement may not exceed one year unless the district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

1. The juvenile board for the county in which a district's central administrative office is located; or
2. The juvenile board's designee.

The meeting shall be called by the board president and shall address supervision and rehabilitative services appropriate for expelled students and students assigned to disciplinary alternative education programs (DAEPs).

3. Coordination with other social service agencies.

**Juvenile Justice
Alternative
Education Program**

For the purposes of the following provisions, only a DAEP operated under the authority of a juvenile board of a county is considered a juvenile justice alternative education program (JJAEP).

Mandatory JJAEP

The juvenile board of a county with a population greater than 125,000 shall develop a JJAEP, subject to the approval of the Texas Juvenile Justice Department (TJJD).

Voluntary JJAEP

The juvenile board of a county with a population of 125,000 or less may develop a JJAEP. Such a JJAEP is not required to be approved by the TJJD. Further, it is not subject to Education Code 37.011(c), (d), (f), (g), (k) or (m).

Education Code 37.011(a), (k), (m)

County Population

A county with a population greater than 125,000 is considered to be a county with a population of 125,000 or less if:

1. The county had a population of 125,000 or less according to the 2000 federal census and the juvenile board of the county enters into, with the approval of the TJJD, a memorandum of understanding (MOU) with each school district within the county that:
 - a. Outlines the responsibilities of the board and school districts in minimizing the number of students expelled without receiving alternative educational services; and
 - b. Includes the coordination procedures required by Education Code 37.013, above.

2. Has a population of 180,000 or less; is adjacent to two counties, each of which has a population of more than 1.7 million; and has seven or more school districts located wholly within the county's boundaries.
3. Has a population of more than 200,000 and less than 220,000; has five or more school districts located wholly within the county's boundaries; and has located in the county a JJAEP that, on May 1, 2011, served fewer than 15 students.

Education Code 37.011(a-1)–(a-3)

Note: The following provisions apply to all districts that operate JJAEPs, whether voluntary or mandatory.

**Placement of
Students in JJAEP—
Expelled Students**

Court-Ordered
Placement

An expelled student shall, to the extent provided by law or by the MOU, immediately attend the educational program from the date of expulsion. *Education Code 37.010(a)* [See FOD]

If a student admitted under Education Code 25.001(b) is expelled for conduct for which expulsion is required under Education Code 37.007(a), (d), or (e) or for conduct that contains the elements of the offense of terroristic threat as described by Penal Code 22.07(c-1), (d), or (e), the juvenile court, juvenile board, or juvenile board's designee, as appropriate, shall:

1. If the student is placed on probation under Family Code 54.04, order the student to attend the JJAEP in the county in which the student resides from the date of disposition as a condition of probation, unless the child is placed in a post-adjudication treatment facility;
2. If the student is placed on deferred prosecution under Family Code 53.03 by the court, prosecutor, or probation department, require the student to immediately attend the JJAEP in the county in which the student resides for a period not to exceed six months as a condition of the deferred prosecution;
3. In determining the condition of the deferred prosecution or court-ordered probation, consider the length of a district's expulsion order for the student; and
4. Provide timely educational services to the student in the JJAEP in the county in which the student resides, regardless of the student's age or whether the juvenile court has jurisdiction over the student. This provision does not require that educational services be provided to a student who is not entitled to admission under Education Code 25.001(b).

Funding for
Discretionary
Expulsions

Subject to Education Code 37.011(n) [see Students Who Move, above], the district in which a student is enrolled on the date the student is expelled for conduct for which expulsion is permitted but not required under Education Code 37.007 shall, if the student is served by the JJAEP, provide funding to the juvenile board in an amount determined by the MOU under Education Code 37.011(k).

The amount of the funds transferred is determined by the portion of the school year for which the JJAEP provides educational services to a district.

Education Code 37.012(a)

Arbitration of
Disputes

If a district elects to contract with the juvenile board for the placement of students who are expelled for conduct for which expulsion is permitted but not required under Education Code 37.007, and the juvenile board and the district are unable to reach an agreement in the MOU, either party may request that the issues of dispute be referred to a binding arbitration process that uses a qualified alternative dispute resolution arbitrator.

Each party shall pay its pro rata share of the arbitration costs and shall submit its final proposal to the arbitrator. If the parties cannot agree on an arbitrator, the juvenile board shall select an arbitrator, the district shall select an arbitrator, and those two arbitrators shall select an arbitrator who shall decide the issues in dispute.

*Decision of
Arbitrator*

The arbitration decision is enforceable in a court in the county in which the JJAEP is located. Any decision by an arbitrator concerning the amount of the funding for a student who is expelled and attending a JJAEP must provide an amount sufficient based on operation of the JJAEP. In determining the amount to be paid by a district for an expelled student enrolled in a JJAEP, the arbitrator shall consider the relevant factors, including evidence of:

1. The actual average total per student expenditure in the district's DAEP;
2. The expected per student cost in the JJAEP as described and agreed on in the MOU and in compliance with Education Code Chapter 37; and
3. The costs necessary to achieve the accountability goals under Education Code Chapter 37.

The JJAEP must operate at least seven hours per day and 180 days per year, except that a JJAEP may apply to the TJJD for a waiver of the 180-day requirement. The commissioner may not grant a waiver to a JJAEP for a number of days that exceeds the

Individuals with Disabilities

Federal Prohibition

No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a district, or be subjected to discrimination by a district. Nor shall a district exclude or otherwise deny equal services, programs, or activities to an individual because of the known disability of an individual with whom the individual is known to have a relationship or association. *42 U.S.C. 12132; 28 C.F.R. 35.130(g)*

Definition

A "qualified individual with a disability" is an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. *42 U.S.C. 12131(2); 28 C.F.R. 35.104*

Reasonable Modification

A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. *28 C.F.R. 35.130(b)(7)*

Communications

A district shall take appropriate steps to ensure that communications with applicants, participants, and members of the public with disabilities are as effective as communications with others. To this end, a district shall furnish appropriate auxiliary aids and services where necessary to afford an individual with a disability an equal

opportunity to participate in, and enjoy the benefits of, a service, program, or activity conducted by the district. In determining what type of auxiliary aid or service is necessary, a district shall give primary consideration to the requests of the individual with disabilities. *28 C.F.R. 35.160*

**Auxiliary Aids
and Services**

“Auxiliary aids and services” includes:

1. Qualified interpreters, note-takers, transcription services, written materials, assistive listening systems, and other effective methods for making aurally delivered materials available to individuals with hearing impairments;
2. Qualified readers, taped texts, audio recordings, Braille materials, large print materials, or other effective methods for making visually delivered materials available to individuals with visual impairments;
3. Acquisition or modification of equipment or devices; and
4. Other similar services and actions.

28 C.F.R. 35.104

**Limits of
Required
Modification**

A district is not required to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. Any decision that compliance with its responsibility to provide effective communication for individuals with disabilities would fundamentally alter the service, program, or activity or unduly burden a district shall be made by a board after considering all resources available for use in funding and operating the program, service, or activity. The decision shall be accompanied by a written statement of the reasons for reaching that conclusion. *28 C.F.R. 35.164*

Notice

A district shall make available to applicants, participants, beneficiaries, and other interested persons information regarding the provisions of Title II of the Americans with Disabilities Act (ADA) and its applicability to the services, programs, or activities of the district. The information shall be made available in such manner as the board and superintendent find necessary to apprise such persons of the protections against discrimination assured them by the ADA. *28 C.F.R. 35.106*

**Compliance
Coordinator**

A district shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title II of the ADA, including any investigation of any complaint communicated to it alleging its noncompliance or alleging any actions that would be prohibited under the ADA. A district shall make available

to all interested individuals the name, office address, and telephone number of the employee(s) so designated and shall adopt and publish procedures for the prompt and equitable resolution of complaints alleging any action that would be prohibited under the ADA. *28 C.F.R. 35.107* [See DAA and GF]

State Prohibition
Nondiscrimination

No person with a disability may be denied admittance to any public facility in the state because of the person's disability. No person with a disability may be denied the use of a white cane, assistance animal, wheelchair, crutches, or other device of assistance.

The discrimination prohibited by this section includes a refusal to allow a person with a disability to use or be admitted to any public facility, a ruse or subterfuge calculated to prevent or discourage a person with a disability from using or being admitted to a public facility and a failure to:

1. Comply with Government Code Chapter 469;
2. Make reasonable accommodations in policies, practices, and procedures; or
3. Provide auxiliary aids and services necessary to allow the full use and enjoyment of the public facility.

For a board that has designated a public information coordinator to satisfy its required PIA training, the designated public information coordinator shall complete the training course regarding the responsibilities of a district and district officers and employees under the PIA not later than the 90th day after the date the coordinator assumes the person's duties as coordinator. [See CPC(LOCAL)]

A district shall maintain and make available for public inspection the record of a public information coordinator's completion of the training.

PIA Sign

The officer for public information shall prominently display a sign in the form prescribed by the attorney general that contains basic information about the rights of a requestor, the responsibilities of a district, and the procedures for inspecting or obtaining a copy of public information under the PIA. The officer shall display the sign at one or more places in the district's administrative offices where it is plainly visible to:

1. Members of the public who request public information in person; and
2. Employees of the district whose duties include receiving or responding to public information requests.

Gov't Code 552.205

1. United States mail;
2. Electronic mail;
3. Hand delivery; or
4. Any other appropriate method approved by the district, including facsimile transmission and electronic submission through the district's website.

A district is considered to have approved another method only if the district includes a statement that a request for public information may be made by that method on the PIA sign [see PIA Sign, above] or the district's website.

Designated Address

A district may designate one mailing address and one electronic mail address for receiving written requests for public information and shall provide the designated mailing address and electronic mailing address to any person on request.

the PIA sign is not required to respond to a written request for public information unless the request is received:

1. At one of those addresses;

Gov't Code 552.234

*Public

The attorney general shall create a public information request form that provides a requestor the option of excluding from a request information that the district determines is:

1. Confidential; or
2. Subject to an exception to disclosure that the district would assert if the information were subject to the request.

A district that allows requestors to use the form and maintains a website shall post the form on its website.

Gov't Code 552.235

Procedural Rules

A district may promulgate reasonable rules of procedure by which public information may be inspected and copied efficiently, safely, and without delay. These rules may not be inconsistent with any provision of the PIA. *Gov't Code 552.230*

*Treatment of
Requests*

The officer for public information and agent shall not make an inquiry of a requestor, except to establish proper identification or to ask the requestor to narrow or clarify the request. The officer for public information or agent shall treat all requests for information uniformly without regard to the position or occupation of the requestor, the person on whose behalf the request is made, or the status of the individual as a member of the media. The officer for public information or agent shall give the requestor all reasonable comfort and facility for the full exercise of the right granted by the PIA. *Gov't Code 552.222(a)-(b), .223-.224*

*Location of
Access*

An officer for public information complies with a request for public information by:

INFORMATION ACCESS
REQUESTS FOR INFORMATION

GBAA

2. Sending copies of the information by first class mail, if the requestor requests that copies be provided and pays the postage and any other applicable charges that the requestor has accrued under Subchapter F of the PIA [see Costs and Charges, below];
3. By referring a requestor to an exact internet location or uniform resource locator (URL) address on a website maintained by the district and accessible to the public if the requested information is identifiable and readily available on that website. If the person requesting the information prefers a manner other than access through the URL, the district must supply the information by sending copies to the requestor, as described above.

If the officer for public information provides by email an internet location or URL address, the email must contain a statement in a conspicuous font clearly indicating that the requestor may nonetheless access the requested information by inspection or duplication or by receipt through United States Mail, as described above.

Gov't Code 552.221(b)-(b-2), .226

Time for Response

An officer for public information shall promptly produce public information for inspection, duplication, or both, on application by any person. A district may not automatically withhold for ten business days public information not excepted from disclosure.

If an officer for public information cannot produce the public information for inspection or duplication within ten business days after the date the information is requested, the officer shall certify that fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

If the requested information is unavailable because it is in storage or active use, an officer for public information shall certify this fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

Gov't Code 552.221; Tex. Atty. Gen. ORD 664 (2000)

Requests to Narrow
or Clarify

If a large amount of information has been requested, the district may discuss with the requestor how the scope of the request might be narrowed, but the district may not inquire into the purpose for which the information will be used. If what information is requested

is unclear to the district, the district may ask the requestor to clarify the request.

If the request included the requestor's physical or mailing address, the district must send the request for discussion or clarification to that address by certified mail. The written request for discussion or clarification must include a statement as to the consequences of failure by the requestor to timely respond.

If the requestor's request for public information was sent by electronic mail, the district may send the request for clarification or discussion or the written request for additional information by electronic mail to the same electronic mail address from which the original request was sent or to another electronic mail address provided by the requestor.

If the district does not receive a written response or a response by electronic mail, as applicable, by the 61st day after the district sends the written request, the underlying request for public information is considered to have been withdrawn by the requestor.

Gov't Code 552.222(b), (d)–(g)

Time for
Examination

A requestor shall complete the examination of the information not later than the tenth business day after the date the custodian of the information makes it available. If the requestor does not complete the examination within ten business days and does not file a request for additional time, the requestor is considered to have withdrawn the request.

The officer shall extend the initial examination period by an additional ten business days if, within the initial period, the requestor files with the officer a written request for additional time. The officer shall extend an additional examination period by another ten business days if, within the first additional period, the requestor files with the officer a written request for more additional time.

The time during which a person may examine information may be interrupted by the officer if the information is needed for use by the district. The period of interruption is not considered to be a part of the time during which the person may examine the information.

A request is considered to have been withdrawn if the requestor fails to inspect or duplicate the public information in the offices of the governmental body on or before the 60th day after the date the information is made available or fails to pay the postage and any other applicable charges accrued under Government Code, Chapter 552, Subchapter F on or before the 60th day after the date the requestor is informed of the charges.

Gov't Code 552.221(e), .225

Electronic Data

If public information exists in an electronic or magnetic medium, the requestor may request a copy in an electronic medium, such as on diskette or on magnetic tape. A district shall provide a copy in the requested medium:

1. If the district has the technological ability to produce the information in the requested medium;
2. If the district is not required to purchase any software or hardware to accommodate the request; and
3. Providing the copy will not violate any copyright agreement between the district and a third party.

If a district is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, the district shall provide a copy in another medium that is acceptable to the requestor. A district is not required to copy information onto a diskette or other material provided by the requestor but may use district supplies.

Gov't Code 552.228

Requests Requiring
Programming or
Manipulation

A district shall provide the requestor a written statement, described below, if the district determines:

2. That:
 - a. Compliance with the request is not feasible or will result in substantial interference with operations; or
 - b. The information could be made available in the requested form only at a cost that covers the programming and manipulation of data.

The written statement shall include:

1. A statement that the information is not available in the requested form;
2. A description of the form in which the information is available;
3. A description of any contract or services that would be required to provide the information in the requested form;
4. A statement of the estimated cost of providing the information in the requested form, as determined in accordance with the rules established by the attorney general [see GBAA(EX-HIBIT)]; and

5. A statement of the anticipated time required to provide the information in the requested form.

*Response Time
When
Programming or
Manipulation Is
Required*

A district shall provide the written statement to the requestor within 20 days after the date the district receives the request. The district has an additional ten days to provide the statement if the district gives written notice to the requestor, within 20 days after receiving the request, that additional time is needed.

Further Action

After providing the written statement described above, the district has no further obligation to provide the information in the requested form or in the form in which it is available, unless within 30 days the requestor states in writing that the requestor:

1. Wants the information in the requested form according to the time and cost parameters set out in the written statement, or according to other terms to which the requestor and the district agree; or
2. Wants the information in the form in which it is available.

If a requestor does not make a timely written statement, the requestor is considered to have withdrawn the request for information.

*Processing of
Requests*

The officer for public information shall establish policies that assure the expeditious and accurate processing of requests for information that require programming or manipulation of data. A district shall maintain a readily accessible file containing all written statements issued concerning requests for information that require programming or manipulation of data.

Gov't Code 552.231

Repetitious or
Redundant
Requests

If a district determines that a requestor has made a request for information for which the district has previously furnished or made copies available to the requestor, the district may:

1. Respond to the request for information as set forth below, at Procedures; or
2. Furnish the information or make the information available to the requestor again in accordance with the request. If the district selects this option, the district is not required to comply with the procedures described below.

Gov't Code 552.232(a)

These provisions do not apply to information not previously furnished to a requestor. A district shall treat a request for information for which copies have not been previously furnished or made available to the requestor, including information that was not furnished

or made available because the information was redacted or because the information did not exist at the time of an earlier request, in the same manner as any other request for public information.

Gov't Code 552.232(d)

Procedures

1. Has a stated expenditure of at least \$1 million in public funds for the purchase of goods or services by the district; or
2. Results in the expenditure of at least \$1 million in public funds for the purchase of goods or services by the district in a fiscal year of the district.

Government Code 552.371 applies to a written request for public information received by a district that is party to a contract described above for contracting information related to the contract that is in the custody or possession of the entity and not maintained by the district.

Gov't Code 552.371(a), (b)

*Request to
Contracting Entity*

A district that receives a written request for contracting information shall request that the entity provide the information to the district. The district must send the request in writing to the party not later than the third business day after the date the district receives the written request. *Gov't Code 552.371(c)*

*Request for
Attorney General
Opinion*

A district's request for an attorney general's decision to determine whether contracting information not maintained by the district falls within an exception to disclosure under the PIA is considered timely if made not later than the 13th business day after the date the district receives the written request described above. *Gov't Code 552.371(d)(1)*

The statement and copy described below [see Statement to Requestor] is considered timely if provided to the requestor not later than the 13th business day after the date the district receives the written request. *Gov't Code 552.371(d)(2)*

A submission and copy described below [see Submission to Attorney General] is considered timely if sent not later than the 18th business day after the date the district receives the written request. *Gov't Code 552.371(d)(3), (4)*

The presumption that information is subject to disclosure [see Time for Request, below] does not apply if a district:

1. Complies with the requirements of Government Code 552.371(c) in a good faith effort to obtain contracting information not maintained by the district;
2. Is unable to meet a deadline because the contracting entity failed to provide the information to the district not later than the 13th business day after the date the district received the written request for the information; and

3. Complies with all notice requirements not later than the eighth business day after the date the district receives the information from the contracting entity.

Gov't Code 552.371(e)

Nothing in Government Code 552.371 affects the deadlines or duties of a district related to requesting an attorney general opinion regarding contracting information the district maintains. *Gov't Code 552.371(f)*

**Withholding
Excepted
Information**

Request for
Attorney General
Decision

If a district receives a written request for information that the district considers to be within one of the exceptions to required disclosure and that the district wishes to withhold from public disclosure, the district shall request a decision from the attorney general about whether the information is within the exception [see Submission to Attorney General, below]. *Gov't Code 552.301(a)*

A district may only request an attorney general decision if the district reasonably believes that the requested information is excepted from required disclosure. *Tex. Atty. Gen. ORD 665 (2000)*

Time for Request

A district must submit the request to the attorney general not later than the tenth business day after receiving the written request. If a district does not timely request a decision from the attorney general and comply with the requirements at Statement to Requestor, below, the information is presumed to be subject to public disclosure and must be released unless there is a compelling reason to withhold it.

Gov't Code 552.301(b), .302

*Calculating
Timelines*

For the purposes of Government Code sections 552.301–.308, if a district receives a written request by United States mail and cannot adequately establish the actual date of receipt, the request is considered to have been received by the district on the third business day after the date of the postmark on a properly addressed request. *Gov't Code 552.301(a-1)*

When Government Code sections 552.301–.308 require a request, notice, or other document to be submitted or otherwise given to the attorney general within a specified period, the requirement is met in a timely fashion if the district submits the document through the attorney general's designated electronic filing system within that period. This provision does not affect the right of a district to submit information to the attorney general by mail under Government Code 552.308.

When the attorney general is required to deliver a notice, decision, or other document within a specified period, the requirement is met

in a timely fashion if the attorney general electronically transmits the document within that period.

For information surrendered or returned to a district by a temporary custodian, the district is considered to receive the request for that information on the date the information is surrendered or returned to the district. [See GB]

Gov't Code 552.233(d), .309

*Previous
Determinations*

Same
Information

Except as set forth at Government Code section 552.301(g), a district may not request an attorney general decision if the district has previously requested and received a determination from the attorney general concerning the precise information at issue in a pending request and the attorney general or a court determined that the information is not within one of the exceptions. This exception applies to specific information that is again requested from a district after the attorney general has previously issued a decision regarding the precise information or records at issue. *Gov't Code 552.301(f); Tex. Atty. Gen. ORD 673 (2001)*

Categories of
Information

A district may rely on a previous determination by the attorney general regarding a specific, clearly delineated category of information if:

1. The previous decision is applicable to a school district;
2. The previous decision concludes that the category of information is or is not excepted from public disclosure;
3. The elements of law, fact, and circumstances are met to support the previous decision's conclusion that the requested records and information at issue are or are not excepted from public disclosure; and
4. The previous decision explicitly provides that the governmental body or bodies to which the decision applies may withhold the information without the necessity of seeking a decision from the attorney general.

Tex. Atty. Gen. ORD 673 (2001)

A district that relies on any previous determination to withhold information from disclosure should notify the requestor in writing of the decision or ruling upon which it is relying.

A district may withhold from public disclosure the categories of records listed at Texas Attorney General Open Records Decision 684 (2009).

Tex. Atty. Gen. ORD 684 (2009)

A district may withhold from public disclosure personally identifiable, non-directory information in "education records" as defined in the Family Educational Rights and Privacy Act of 1974 ("FERPA"), 20 U.S.C. 1232g [see FL]. *Tex. Atty. Gen. ORD 634 (1995)*

*Statement to
Requestor*

If a district requests an attorney general decision, it shall provide to the requestor within a reasonable time but not later than the tenth business day after the date of receiving the requestor's written request:

1. A written statement that the district wishes to withhold the requested information and has asked for a decision from the attorney general about whether the information is within an exception to public disclosure; and
2. A copy of the district's written communication to the attorney general asking for the decision. If a district's written communication to the attorney general discloses the requested information, the district shall provide a redacted copy of that written communication.

Gov't Code 552.301(d)

*Submission to
Attorney General*

When a district requests an attorney general decision, it shall, within a reasonable time but not later than the 15th business day after receiving the request for information, submit to the attorney general all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld;
2. A copy of the written request for information;
3. A signed statement as to the date on which the written request for information was received by the district or evidence sufficient to establish that date; and
4. A copy of the specific information requested, or representative samples of the information if a voluminous amount of information was requested. The district shall label the copies or representative samples to indicate which exceptions apply to which parts of the copy.

The district shall send a copy of the comments to the requestor not later than the 15th business day after the district receives the written request. If the written comments disclose or contain the substance of the information requested, the copy of the comments provided to the requestor shall be redacted.

Gov't Code 552.301(e), (e-1)

Unless the information is confidential by law, the district may disclose the requested information to the public or the requestor before a final determination that the information is public has been made by the attorney general or a court with jurisdiction. *Gov't Code 552.303(a)*

*Additional
Information*

If the attorney general determines that additional information is necessary to render a decision, the attorney general shall give the district and the requestor written notice of that fact. The district shall submit the necessary additional information to the attorney general not later than the seventh calendar day after the date the notice is received. If the district does not comply with the attorney general's request, the information is presumed to be subject to required public disclosure and must be released unless there is a compelling reason to withhold the information. *Gov't Code 552.303(c)–(e)*

*Privacy or
Property Interests*

If information is requested and a person's privacy or property interests may be involved, including a case under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.114 (student records), 552.131 (economic development information), or 552.143 (investment information) a district may decline to release the information for the purpose of requesting a decision from the attorney general. A person whose interests may be involved, or any other person, may submit in writing to the attorney general the person's reasons why the information should be withheld or released. A district may, but is not required to, submit its reasons why the information should be withheld or released. *Gov't Code 552.305(a)–(c)*

*Notice to Owner
of Proprietary
Information*

If release of a person's proprietary information may be subject to exception under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.113 (geological or geophysical information), 552.131 (economic development information), or 552.143 (investment information), a district that requests an attorney general decision shall make a good faith attempt to provide written notice to that person of its request. The notice must:

1. Be sent within a reasonable time not later than the tenth business day after the district receives the request for information; and
2. Include:
 - a. A copy of any written request a district received for the information; and
 - b. A statement, in the form prescribed by the attorney general, that the person is entitled to submit to the attorney

general, not later than the tenth business day after the person receives the notice, a written statement of the reason(s) why the information should be withheld and a letter, memorandum, or brief supporting the reason(s).

Gov't Code 552.305(d)

**Charges Regarding
Public Information
Requests**

Costs and Charges

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead. The charges shall not be excessive and shall not exceed the actual cost of producing the information or for making public information that exists in a paper record available.

Charges for providing a copy of public information are considered to accrue at the time the district advises the requestor that the copy is available on payment of the applicable charges.

50 Pages or Less

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. The charge for providing a copy may not include costs of materials, labor, or overhead.

*Statement of
Labor Costs*

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. A district may not combine multiple requests from separate individuals who submit requests on behalf of an organization.

Gov't Code 552.261, .262(a)

*Attorney
General's Rules*

A district shall use the attorney general's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information. [See GBAA(EXHIBIT)]

A district may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, a district may not charge an amount that is greater than 25 percent more than the amount established by the attorney general, unless the district requests an exemption. *Gov't Code 552.262(a); 1 TAC 70.1(b)*

Exemptions

A district may request that it be exempt from part or all of the rules adopted by the attorney general for determining charges. The request must be made in writing to the attorney general and must state the reason for the exemption. If a district receives notice from the attorney general that an exemption has been granted, the district may amend its charges according to the attorney general's determination. *Gov't Code 552.262(c)*

Copies for Parents

A district may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code Chapter 26. *Education Code 26.012*

Statement of Estimated Charges

If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, a district shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact the district regarding the alternative method. A district must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after a district provides the requestor the itemized statement but before it makes the copy or the paper record available, the district determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the district shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

Requestor's
Response

A request for which a district is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the district within ten business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;

REQUESTS FOR INFORMATION

GBAA
(LEGAL)

2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the attorney general a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

Actual Charges

If the actual charges exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

Timing of
Deadlines

An original or updated itemized statement is considered to have been sent by a district, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the U.S. Mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on a district for requesting a decision by the attorney general under Government Code 552, Subchapter G.

Gov't Code 552.2615

Deposit or Bond

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 [see Statement of Estimated Charges, above]; and
2. The charge for providing the copy is estimated by the district to exceed \$100, if the district has more than 15 full-time employees, or \$50, if the district has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

Gov't Code 552.263(a), (b)

For the purposes of charging for providing copies of public information or for requesting an attorney general's opinion, a request for a copy of public information is considered to have been received by the district on the date the district receives the deposit or bond. *Gov't Code 552.263(e)*

A requestor who fails to make such a deposit or post such a bond before the tenth business day after the date the deposit or bond is required is considered to have withdrawn the request. *Gov't Code 552.263(f)*

**Modified
Request**

If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date the district receives the written modified request. *Gov't Code 552.263(e-1)*

Unpaid Amounts

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes a district in relation to previous public information requests before preparing a copy of public information in response to a new request, if those unpaid amounts exceed \$100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means. *Gov't Code 552.263(c)*

A district that receives a request from a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from the district as provided under Government Code 552.261(b) may require the requestor to pay the estimated charges for the request before the request is fulfilled. *Gov't Code 552.2661*

***Documentation of
Unpaid Amounts***

A district must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond. The documentation is subject to required public disclosure. *Gov't Code 552.263(d)*

Waivers

A district shall provide a copy of public information without charge or at a reduced charge if the district determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the public.

If the cost to a district of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the district may waive the charge.

Gov't Code 552.267

***Government
Publication***

The cost provisions described above do not apply to a publication that is compiled and printed by or for a district for public dissemination. If the cost of the publication is not determined by state law, a

district may determine the charge for providing the publication, or the district may provide the publication free of charge, if state law does not require a certain charge. *Gov't Code 552.270*

Inspection of Public Information

Inspection of Public Information

Confidential Information

If the requestor does not request a copy of public information, a district may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below. *Gov't Code 552.271(a)*

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, a district may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Gov't Code 552.271(b)*

Payment, Deposit, or Bond

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or agent estimates that more than five hours will be required to make the information available for inspection.

Gov't Code 552.271(c)

Certain Small Districts

If a district has fewer than 16 full-time employees, the payment, deposit, or bond may be required only if:

1. The information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or agent estimates that more than two hours will be required to make the information available for inspection.

Gov't Code 552.271(d)

Electronic Records

If a district receives a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, the district may not impose a charge for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of

data is required, a district shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed.

If public information exists in an electronic form on a computer owned or leased by a district, and the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the district's computer before the information is copied. If such information does require processing, programming, or manipulation before it can be copied, a district may impose charges.

If a district creates or keeps information in an electronic form, the district is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

Gov't Code 552.272

**Temporary
Suspension of
Requirements for
Districts Impacted by
Catastrophe**

The requirements of the PIA do not apply if a district is currently impacted by a catastrophe and complies with requirements below to declare a suspension period.

"Catastrophe" means a condition or occurrence that interferes with the ability of a district to comply with the requirements of the PIA, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or
4. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

"Suspension period" means the period of time during which a district may suspend the applicability of the requirements of the PIA.

**Initial Suspension
Period**

A board may suspend the applicability of the PIA to the district for an initial suspension period, which may not exceed seven consecutive days and must occur during the period that:

1. Begins not earlier than the second day before the date the district submits notice to the attorney general; and

INFORMATION ACCESS
REQUESTS FOR INFORMATION

GBAA
(LEGAL)

2. Ends not later than the seventh day after the date the district submits that notice.

Extension of Initial
Suspension Period

A board may extend an initial suspension period if the board determines that the district is still impacted by the catastrophe on which the initial suspension period was based. The initial suspension period may be extended one time for not more than seven consecutive days that begin on the day following the day the initial suspension period ends.

Notice to the
Attorney General

A district that elects to suspend the PIA must submit notice to the attorney general that the district is currently impacted by a catastrophe and has elected to suspend the applicability of the PIA during the initial suspension period.

The notice must be on the form prescribed by the attorney general and must require the district to:

1. Identify and describe the catastrophe that the district is currently impacted by;
2. State the date the initial suspension period determined by the board begins and the date that period ends;
3. If the board has determined to extend the initial suspension period:
 - a. State that the district continues to be impacted by the catastrophe; and
 - b. State the date the extension to the initial suspension period begins and the date the period ends; and
4. Provide any other information the office of the attorney general determines necessary.

Notice to the Public

A district that elects to suspend the PIA must provide notice to the public of the suspension in a place readily accessible to the public and in each other location the district is required to post a notice under the Open Meetings Act. The district must maintain the notice of the suspension during the suspension period.

Requests During
Suspension Period

Notwithstanding another provision of the PIA, a request for public information received by a district during a suspension period is considered to have been received by the district on the first business day after the date the suspension period ends.

Pending Requests
Tolled

A request for public information received by a district before the date an initial suspension period begins are tolled until the first business day after the date the suspension period ends.

Gov't Code 552.233

**Miscellaneous
Provisions**

Large or Frequent
Requests

Personnel Time

A district may establish reasonable monthly and yearly limits on the amount of time that district employees are required to spend producing public information for inspection or duplication by a requestor, or providing copies of public information to a requestor, without recovering its costs attributable to that personnel time. A yearly time limit may not be less than 36 hours for a requestor during the 12-month period that corresponds to a district's fiscal year. A monthly time limit may not be less than 15 hours for a requestor for a one-month period.

Request by
Minor

Any time spent complying with a request submitted in the name of a minor, as defined by Family Code 101.003(a), is to be included in the calculation of the cumulative amount of time spent complying with a request for public information by a parent, guardian, or other person who has control of the minor under a court order and with whom the minor resides, unless that parent, guardian, or other person establishes that another person submitted that request in the name of the minor.

Exception

This section does not apply if the requestor is an individual who, for a substantial portion of the individual's livelihood or for substantial financial gain, gathers, compiles, prepares, collects, photographs, records, writes, edits, reports, investigates, processes, or publishes news or information for and is seeking the information for:

1. Dissemination by a news medium or communication service provider, including:
 - a. An individual who supervises or assists in gathering, preparing, and disseminating the news or information; or
 - b. An individual who is or was a journalist, scholar, or researcher employed by an institution of higher education at the time the person made the request for information; or
2. Creation or maintenance of an abstract plant as described by Insurance Code 2501.004.

"Communication service provider" has the meaning assigned by Civil Practice and Remedies Code 22.021.

"News medium" means a newspaper, magazine or periodical, a book publisher, a news agency, a wire service, an FCC-licensed radio or television station or a network of such stations, a cable, satellite, or other transmission system or carrier or channel, or a channel or programming service for a station, network, system, or carrier, or an audio or audiovisual production company or internet company or provider, or the parent, subsidiary, division, or affiliate

of that entity, that disseminates news or information to the public by any means, including:

1. Print;
2. Television;
3. Radio;
4. Photographic;
5. Mechanical;
6. Electronic; and
7. Other means, known or unknown, that are accessible to the public.

This section also does not apply if the requestor is an elected official of the United States, this state, or a political subdivision of this state or a representative of a publicly funded legal services organization that is a federal tax exempt entity under Section 501(c)(3), Internal Revenue Code of 1986.

*Written
Statement of
Personnel Time*

If a district establishes a time limit, each time the district complies with a request for public information, the district shall provide the requestor with a written statement of the amount of personnel time spent complying with that request and the cumulative amount of time spent complying with requests for public information from that requestor during the applicable monthly or yearly period. The amount of time spent preparing the written statement may not be included in the amount of time in the statement.

*Written Estimate
of Charges*

If the cumulative amount of personnel time spent complying with requests for public information from the same requestor equals or exceeds the established time limit, a district shall provide the requestor with a written estimate of the total cost, including materials, personnel time, and overhead expenses, necessary to comply with the request. The district shall provide the written estimate on or before the tenth day after the date on which the request was made. The amount of this charge relating to the cost of locating, compiling, and producing the public information shall be established by rules prescribed by the attorney general.

When a request is made by a requestor who has made a previous request to the district that has not been withdrawn, for which the district has located and compiled documents in response, and for which the district has issued a written estimate of charges that remains unpaid on the date the requestor submits the new request, the district is not required to locate, compile, produce, or provide

copies of documents or prepare an estimate of charges in response to a new request until the date the requestor pays each unpaid statement issued in connection with a previous request or withdraws the previous request to which the statement applies.

Additional Time

If a district provides the requestor with written notice that additional time is required to prepare the written estimate, the district must provide the written estimate as soon as practicable, but on or before the tenth day after the date the district provided the notice that additional time was required.

Acceptance of Charges

If a district provides a requestor with the estimate of charges and the time limits regarding the requestor have been exceeded, a district is not required to produce public information for inspection or duplication or to provide copies of public information in response to the requestor's request unless on or before the tenth day after the date the district provided the written estimate, the requestor submits payment of the amount stated in the written estimate.

If the requestor fails or refuses to submit payment, the requestor is considered to have withdrawn the request.

Waived or Reduced Charges

This section does not prohibit a district from providing a copy of public information without charge or at a reduced rate, or from waiving a charge for providing a copy of public information, under Government Code 552.267 [see Waivers, above].

Gov't Code 552.275

Filing Suit to Withhold Information

A district may file suit seeking to withhold information if the district receives a determination from the attorney general that information must be disclosed to a requestor. The suit must be filed in Travis County district court against the attorney general and must seek declaratory relief from compliance with the attorney general's decision.

The district must bring the suit not later than the 30th calendar day after the district receives the attorney general's decision. If the district wishes to preserve an affirmative defense for its officer for public information, as provided by Government Code 552.353(b)(3), the district must file suit not later than the tenth calendar day after receipt of the attorney general's decision.

Gov't Code 552.324, .353(b)(3)

Parent's Request for Information

A district that receives a request from a parent for public information relating to the parent's child shall comply with the PIA.

A district that seeks to withhold information from a parent who has requested public information relating to the parent's child under the

PIA, and that files suit to challenge a decision by the attorney general, must bring the suit not later than the 30th calendar day after the date the district receives the decision of the attorney general, unless an earlier deadline is established by the PIA.

A court shall grant such a suit precedence over other pending matters to ensure prompt resolution. Notwithstanding any other law, a district may not appeal the decision of the court. This prohibition does not affect the right of a parent to appeal the decision. If a district does not bring suit within the period established, the district shall comply with the decision of the attorney general.

Education Code 26.0085

**Charging for
Personnel Time**

As authorized by law, the District shall charge a requestor for additional personnel time spent producing information for the requestor after personnel of the District have collectively spent:
