Re: Board Policy

This memo is in follow up to our discussion at the Study Session on September 28, 2015 regarding Board policies, BBBC, BBBE, and BBEE. We would like to continue the discussion at the Policy Committee meeting on Monday, October 5, 2015.

As we discussed, policy BBBC will be modified to reflect the current law regarding Board member expenses and reimbursement. This is not yet finalized as we are working with our attorney Gary King on the suggestions made by Board members at the Study Session yesterday. We will bring a draft copy to the meeting on Monday.

Policy BBBE will be modified, the final paragraph removed, as this information will be incorporated into policy BBBC.

Policy BBEE will be deleted as the information will be incorporated into policy BBBC.
