New this year districts are required to opt-in but must agree that in the event of a "mass casualty event" the district will allow a comprehensive investigation, waive any protected privileges to disclosure, and fully comply with the investigation process. This requirement came from the aftermath of the investigation into the Oxford shooting. East Lansing Public Schools would lose about \$500,000 if we do not opt in. Dori will send the board a resolution and it will be on the November 11th, 2025, Agenda.
