FYTD REVENUE/EXPENSE REPORT

The table is a large grid designed for data entry. It features 13 columns and 50 rows. A solid horizontal line is drawn between the 10th and 11th rows, and another solid horizontal line is drawn between the 31st and 32nd rows, dividing the grid into three distinct sections. All other grid lines are represented by dotted lines. The first three columns are wider than the remaining ten columns.
