WORK OF THE BOARD

Board Meetings and Board Member Conduct

- The board shall conduct meetings guided by the parliamentary procedures in the most current edition of Robert's Rules of Order for Small Boards.
- Anytime four (4) or more Board members are gathered to discuss school district business, it is considered a meeting.
- The Board president serves as the presiding officer at board meetings.
- Failure to post such a meeting is considered a violation of the Texas Open Meetings Act.
- Board members are expected to attend and participate in duly called meetings. Board members should come to the board meetings prepared to discuss and act on all items on the agenda as appropriate.
- When an agenda item is presented, a discussion shall be held, and a decision reached through voting in accordance with prescribed procedures. Whenever possible, the Board should work toward a consensus model of decision-making. There may be dissenting votes which are a matter of record. However, once a decision has been made, all Board members should support the vote of the body corporate. Although there may be dissenting votes, which are a matter of public record, each Board decision shall be an action by the whole Board binding upon each member. Board members are strongly encouraged to state the reason why they are abstaining or voting no on an item.

Board Meeting Preparation

- At a minimum, each Board member is expected to have done the following prior to arrival at every board meeting:
- Studied the material in the Board packet sent to them prior to the meeting.
- When possible, resolve questions beforehand by submitting questions in advance or contacting the Superintendent.
- Responses to inquiries from Board members will be distributed to all Board members.

Developing the Board Meeting Agenda

Agendas

- No item can be placed on the agenda less than ten days in advance of the meeting without the Board president's approval.
- No item can be placed on the agenda less than three workdays in advance of the meeting unless an emergency or public necessity exists.
- An annual agenda content calendar will be maintained by the Superintendent's office and will be presented to the Board annually as an informational item.

Timely Notification

- Board members shall be notified of a meeting at least 72 hours prior to a regular meeting, workshop, or special meeting, and at least one hour prior to an emergency meeting.
- Typically, information will be provided to each Board member via electronic or hard copy. Board members will submit any questions regarding the agenda through Google Form, making sure to specify the relevant agenda item. These inquiries will be directed to the Superintendent and responses will be shared with all Board members.
- Copies of the agenda, for non-emergency meetings, shall be available for the Board members requesting a copy at a minimum of 72 hours prior to a regular Board meeting.
- District administration will make every effort to respond timely to questions in connection with action items asked at Board meetings.

The Superintendent will make every attempt to communicate the answers to the questions to Board members by the Board meeting with a copy of the questions and answers included in the dais folders.

The Superintendent will direct the activities of all district staff.

Board members are encouraged to set up monthly meetings with the Superintendent to update, discuss or receive clarification on any district-wide or campus topics. Board members should be mindful and respectful of the Superintendent's time and limit all nonemergency communication outside of these scheduled meetings. Board members may communicate with other individual members for purposes of asking questions, clarifying information, or socializing under circumstances that do not conflict with or circumvent the Texas Open Meetings Act. Board Members shall never meet, talk, text or e-mail in a group large enough to constitute an official meeting, typically four (4) or more, unless notice has been posted.

Communicating with the Community

Board members are encouraged to participate in community activities as liaisons between the public and the school district. When doing so, Board members shall:

Board Members who participate in social media such as, but not limited to, Facebook, Google+, LinkedIn, Instagram, or X should be careful to avoid online conversations that could be construed as speaking for the Board or constituting an online Board meeting.

A member retains the right to respond as an individual but must understand that such communication may be interpreted by the reader as being an "official" statement of the Board. The member should:

- Clarify that he/she is responding as an individual and not for the Board.
- Remind the reader of any position or action the Board has officially taken on the subject.

Board members will not respond to anonymous e-mails unless the communication pertains to criminal, health, or safety issues. Any such e-mails will be forwarded to the Superintendent

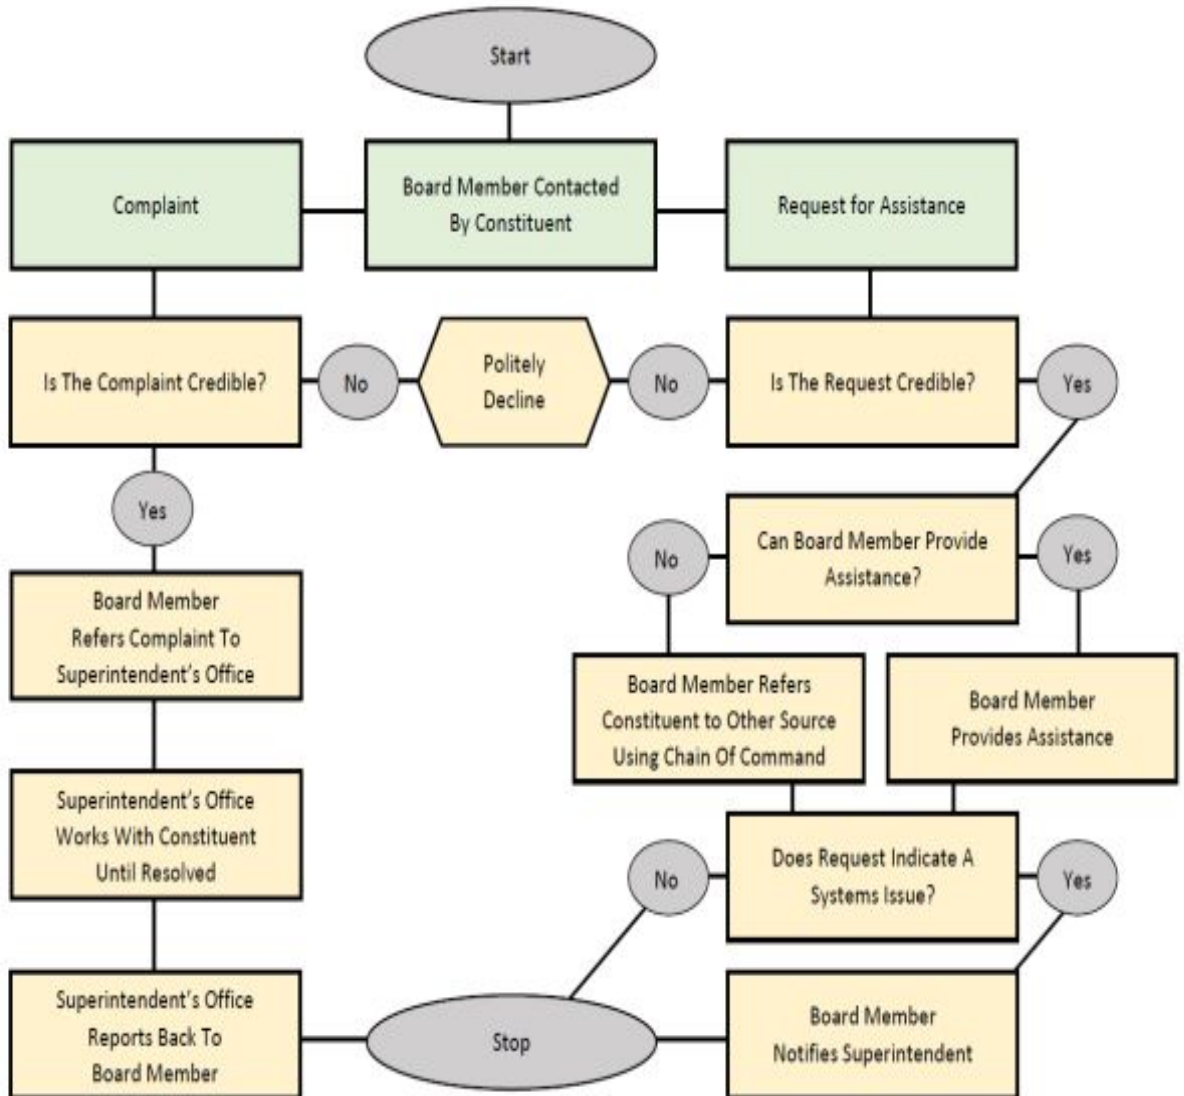

Responding to Community and Employee Complaints

Employees, students, parents, or other members of the public who bring concerns or complaints to an individual Board member for the purpose of seeking remedy or perspective shall receive guidance that reflects:

Board Members will:

- Listen briefly and respectfully. Remind the complainant of the board's responsibility to remain impartial and noncommittal because complaints may ultimately be brought to the board on appeal.
- Determine if the complainant wishes to express dissatisfaction or desires some action be taken to resolve an issue.
- Complainants who desire some action to be taken should be directed or referred to the appropriate policy outlining grievance procedures and informed that the steps listed in the policy are necessary to protect everyone's rights while following an orderly process.
- Ask if the complainant has followed the "Chain of Command" outlined in district policy.
- Board members will inform the Superintendent of complaints from staff and the community but will not direct the Superintendent to take specific actions.
- On a case-by-case basis the Superintendent shall inform the board of the resolution of complaints referred by Board members if the complaint requires Superintendent intervention.
- Adhere to the Board's policies (DGBA, FNG, FOD and GF) regarding complaints and grievances.
