

## February 2022 Board Report

TO: NBCUSD #16 Board of Education, Mrs. Jill Larson, Superintendent

From: Hattie Llewellyn, High Principal

### School Improvement

- Our Building and Instructional Leadership Teams have been meeting and working on SIP goals.
  - **21.22 Instructional Leadership Team Goals**
    - Tech Team Update - the team met to develop the training for the February 18th SIP in-service. Some members attended the ICTE conference in November, and are presenting things they learned from that conference. Here is the slide of the presenters and the topics they will be presenting: [Technology Showcase](#) I am looking forward to learning new things as they lead the training!
    - Communications Team (Meeting on Thursday)
    - HS Problem-Solving Team will meet after school on Tuesday to discuss at-risk students and delivery of supports that they need to be successful.
  - **21.22 Building Leadership Team Goals**
    - Policy Team Update -the team has met and reviewed changes that are required through the Model Student Handbook, Discipline Data, and is in the process of getting feedback from staff regarding any recommended changes for next year. In March, parents and students will be given the opportunity to provide feedback on revisions. We will submit the handbook for board adoption in May.
    - Climate Team Update - the team met last Friday and reviewed goals and then discussed accomplishments, planned for the following events: Senior Send-Off Week, Teacher Appreciation Week. We discussed the need for a graphic art design template to promote a positive school culture via social media for daily activities that we post. Decided upon next year's HS building theme. Promoting the online ordering shop for Pretzel Gear that is linked to our district website. Discussed New Student and Staff Welcome Bags and items that would be helpful to have when you are new.

### Curriculum and Instruction

- The Science Team will be reviewing curriculum this semester.
- Mrs. Euler has submitted the 22.23 Curriculum Guide for Board adoption. She will begin the process of student course selection next week, pending approval of the guide.

### Assessment

- SAT Suite of Assessments for Grades 9-11 is just around the corner! Students will test April 13th

### Pretzel Positives

- Love is in the Air!! We have had a lot of students that have been busy this week playing cupid! The HS Band sold Crush-O-Grams and they were delivered to students during Advisory, and FCCLA members made chocolate covered strawberries on Sunday afternoon for student and staff deliveries, too!
- NHS will host their annual induction ceremony next Tuesday, February 22, in the Dome at 7PM. Please attend if you are able!

- Reunification Meetings over the past two weeks, we have had some student issues that have required some collaboration upon the students returning to school. I want to thank Ms. Lopez and Mr. Cummings as well as Mr. Piotrowski for their involvement during these meetings as they have been positive and I appreciate their support as we work together to help our students!
- Ms. Joe's class got a new Smart Board! She is super excited to see the students using the new technology and applications in her classroom!
