WRITTEN POLICIES

All investments made by the District shall comply with the Public Funds Investment Act (Texas Government Code Chapter 2256, Subchapter A) and all federal, state, and local statutes, rules or regulations. *Gov't Code 2256.026*

Investments shall be made in accordance with written policies approved by the Board. The investment policies must primarily emphasize safety of principal and liquidity and must address investment diversification, yield, and maturity and the quality and capability of investment management. The policies must include:

1. A list of the types of authorized investments in which the District's funds may be invested;
2. The maximum allowable stated maturity of any individual investment owned by the District;
3. For pooled fund groups, the maximum dollar-weighted average maturity allowed based on the stated maturity date of the portfolio;
4. Methods to monitor the market price of investments acquired with public funds; and
5. A requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis.

Gov't Code 2256.005(b)

ANNUAL REVIEW

The investment policy and the investment strategy shall be reviewed not less than annually. The Board shall adopt a written instrument stating that it has reviewed the investment policy and investment strategies and that the written instrument so adopted shall record any changes made to either the investment policy or investment strategies. *Gov't Code 2256.005(e)*

ANNUAL AUDIT

The Board shall perform a compliance audit of management controls on investments and adherence to the Board's established investment policies. The compliance audit shall be performed in conjunction with the annual financial audit. *Gov't Code 2256.005(m)*

INVESTMENT STRATEGIES

As part of the investment policy, the Board shall adopt a separate written investment strategy for each of the funds or group of funds under the Board's control. Each investment strategy must describe the investment objectives for the particular fund under the following priorities in order of importance:

1. Understanding of the suitability of the investment to the financial requirements of the Board;
2. Preservation and safety of principal;
3. Liquidity;
4. Marketability of the investment if the investment needs to be liquidated before maturity;
5. Diversification of the investment portfolio; and
6. Yield.

Gov't Code 2256.005(d)

INVESTMENT OFFICER

The Board shall designate one or more officers or employees as investment officer(s) to be responsible for the investment of its funds. If the Board has contracted with another investing entity to invest its funds, the investment officer of the other investing entity is considered to be the investment officer of the contracting Board's District. In the administration of the duties of an investment officer, the person designated as investment officer shall exercise the judgment and care, under prevailing circumstances that a prudent person would exercise in the management of the person's own affairs, but the Board retains the ultimate responsibility as fiduciaries of the assets of the District. Unless authorized by law, a person may not deposit, withdraw, transfer, or manage in any other manner the funds of the investing entity. Authority granted to a person to invest an entity's funds is effective until rescinded by the Board or until termination of the person's employment by the District. *Gov't Code 2256.005(f)*

The District or investment officer may use the District's employees or the services of a contractor of the District to aid the investment officer in the execution of the officer's duties under Government Code, Chapter 2256. *Gov't Code 2256.003(c)*

INVESTMENT TRAINING

INITIAL

Within 12 months after taking office or assuming duties, the treasurer or chief financial officer and the investment officer of the District shall attend at least one training session from an independent source approved either by the Board or by a designated investment committee advising the investment officer. This initial training must contain at least ten hours of instruction relating to their respective responsibilities under the Public Funds Investment Act. *Gov't Code 2256.008(a)*

WITHIN A TWO-YEAR PERIOD

The treasurer or chief financial officer and the investment officer must also attend an investment training session not less than once in a two-year period and receive not less than ten hours of instruction relating to investment responsibilities under the Public Funds Investment Act from an independent source approved by the Board or a designated investment committee advising the investment officer. If the District has contracted with another investing entity to invest the District's funds, this training requirement may be satisfied by having a Board officer attend four hours of appropriate instruction in a two-year period. *Gov't Code 2256.008(a), (b)*

Investment training shall include education in investment controls, security risks, strategy risks, market risks, diversification of investment portfolio, and compliance with the Government Code, Chapter 2256. *Gov't Code 2256.008(c)*

STANDARD OF CARE

Investments shall be made with judgment and care, under prevailing circumstances that a person of prudence, discretion, and intelligence would exercise in the management of his or her own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived. Investments shall be governed by the following objectives in order of priority:

1. Preservation and safety of principal;
2. Liquidity; and
3. Yield.

In determining whether an investment officer has exercised prudence with respect to an investment decision, the following shall be taken into consideration:

1. The investment of all funds, rather than the prudence of a single investment, over which the officer had responsibility.
2. Whether the investment decision was consistent with the Board's written investment policy.

Gov't Code 2256.006

PERSONAL INTEREST

A District investment officer who has a personal business relationship with a business organization offering to engage in an investment transaction with the District shall file a statement disclosing that personal business interest. An investment officer who is related within the second degree by affinity or consanguinity, as determined by Government Code Chapter 573, to an individual seeking to sell an investment to the District shall file a statement disclosing that relationship with the Board and with the Texas Ethics Commission. For purposes of this policy, an investment officer has a personal business relationship with a business organization if:

1. The investment officer owns ten percent or more of the voting stock or shares of the business organization or owns \$5,000 or more of the fair market value of the business organization;
2. Funds received by the investment officer from the business organization exceed ten percent of the investment officer's gross income for the previous year; or
3. The investment officer has acquired from the business organization during the previous year investments with a book value of \$2,500 or more for the personal account of the investment officer.

Gov't Code 2256.005(i)

QUARTERLY REPORTS

Not less than quarterly, the investment officer shall prepare and submit to the Board a written report of investment transactions for all funds covered by the Public Funds Investment Act. This report shall be presented to the Board and the Superintendent not less than quarterly, within a reasonable time after the end of the period. The report must:

1. Contain a detailed description of the investment position of the District on the date of the report;
2. Be prepared jointly and signed by all District investment officers.
3. Contain a summary statement for each pooled fund group (i.e., each internally created fund in which one or more accounts are combined for investing purposes). The report must be prepared in compliance with generally accepted accounting principles and must state:
 - a. Beginning market value for the reporting period;
 - b. Additions and changes to the market value during the period;
 - c. Ending market value for the period; and
 - d. Fully accrued interest for the reporting period.
4. State the book value and market value of each separately invested asset at the beginning and end of the reporting period by the type of asset and fund type invested.
5. State the maturity date of each separately invested asset that has a maturity date.
6. State the account or fund or pooled group fund in the District for which each individual investment was acquired.
7. State the compliance of the investment portfolio of the District as it relates to the District's investment strategy expressed in the District's investment policy and relevant provisions of Government Code, Chapter 2256.

If the District invests in other than money market mutual funds, investment pools or accounts offered by its depository bank in the form of certificates of deposit, or money market accounts or similar accounts, the reports shall be formally reviewed at least annually by an independent auditor, and the result of the review shall be reported to the Board by that auditor.

Gov't Code 2256.023

SELECTION OF BROKER

The Board or a designated investment committee, shall, at least annually, review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the District. *Gov't Code 2256.025*

AUTHORIZED INVESTMENTS

The Board may purchase, sell, and invest its funds and funds under its control in investments described below, in compliance with its adopted investment policies and according to the standard of care set out in this policy.

Investments may be made directly by the Board or by a nonprofit corporation acting on behalf of the Board or an investment pool acting on behalf of two or more local governments, state agencies, or a combination of the two. *Gov't Code 2256.003(a)*

In the exercise of these powers, the Board may contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control. A contract made for such purpose may not be for a term longer than two years. A renewal or extension of the contract must be made by the Board by order, ordinance, or resolution. *Gov't Code 2256.003(b)*

The following investments are authorized:

1. Obligations, including letters of credit, of the United States or its agencies and instrumentalities; direct obligations of the state of Texas or its agencies and instrumentalities; collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; other obligations, the principal and

The following investments are not authorized:
