RE: Village of Wainwright Donation of Cultural Supplies to Support Wainwright Qargi Academy Students

To: Tommilyn Ahmaogak, Qargi Academy Ilisaqtitchiri

The Wainwright Traditional Council has considered your request for cultural supplies to support the learning needs of Wainwright Qargi Academy students. We are happy to inform you that the Village of Wainwright has completed a purchase of assorted furs from Arctic Raw Fur Company in Fairbanks, Alaska for a total price of \$9,881.60.

It is our hope that these materials will help support the educational needs of Wainwright's children and families and the Qargi Academy's mission to provide our youth with increased cultural knowledge and skills.

Sincerely

---

Billy Blair Patkotak Jr., Wainwright Traditional Council President
