

August 27, 2015

Congratulations! On behalf of Dairy Council of Arizona we are pleased to inform you that your school's application for Funds for Fuel Up to Play 60 has been approved.

Your school's total funding award is enclosed with this letter so you can get started with your Fuel Up to Play 60 program right away. In the next couple of weeks, we will be contacting you to introduce ourselves and provide you with any assistance you might need as you move forward with Fuel Up to Play 60 implementation in your school.

Here are the next steps for you and your school regarding the Funds:

1. **Meet with your student team and other adult leaders** in the school to formulate your plans to implement the Healthy Eating and Physical Activity Plays outlined in your funding application.
2. **Let others in your school/community know about this exciting news** and ask for their support. A press release is a fantastic way to spread the news. Posting messages on your school Facebook or Twitter pages are also great ways to let everyone know about the exciting events and programs in the works. Plan a kickoff event to start your program off with a bang.
3. **Keep in touch with the Dairy Council of Arizona**; we are an available resource as you implement your program. We would appreciate knowing dates of events planned around your program with the hope that we can stop by and see your Fuel Up to Play 60 program in action. At the very least, we absolutely love receiving photos of Fuel Up to Play 60 at your school that we can share with our board. We will take any and all you would like to share.
4. **Prepare for the reporting that is required** as part of receiving these funds you will receive an email which will provide a detailed outline of the reporting requirements and due dates. Approximately six to eight weeks before reports are due; you will receive an email reminder about your reporting. Please note that all reports will be completed online. Failure to complete required reporting will result in "not eligible" status for future funding, rewards or incentives.
5. **Review the funding guidelines and terms**, which were outlined on the application form.
