Nicholas Kaiser, District Administrator  
Boyceville Community School District  
1003 Tiffany St  
Boyceville, WI 54725-7401

Dear Nicholas Kaiser:

I am pleased to inform you that the Boyceville Community School District applicant's request for grant funding of the Robotics Grant has been approved. The grant award for your project is enclosed. The grant and budget period are from July 1, 2024, through June 30, 2025. Your total award is \$4,384.00. The total amount of funds requested far exceeded the amount of funding appropriated for this grant program; therefore, all grants awarded were equally prorated.

The Robotics League Participation funds are to be used to facilitate participation in robotics competitions. Under this appropriation, teams of students in grades 6-12 compete in robotics competitions with a Science, Technology, Engineering, and Mathematics (STEM) focus. If you have questions, please contact Kevin Anderson at [kevin.anderson@dpi.wi.gov](mailto:kevin.anderson@dpi.wi.gov).

Best wishes for success with your robotics team. Your efforts to ensure all students are college and career ready through robotics participation is recognized and appreciated. We look forward to collaborating with you.

Sincerely,

A handwritten signature in blue ink that reads "Jill Underly".

Jill K. Underly, PhD
