

Board Talking Points

March 2026

Our regional schools continue to celebrate their 2025 graduation rate performance. Following a multi-year trend, eastern Oregon districts continue to lead the state. The 4-year graduation rate is the most important school accountability indicator, providing a capstone view of our students' journey through K-12. By completing all requirements embedded in a challenging 24 credit diploma, our students are well-prepared for the future.

The IMESD School Improvement Department created a one-page summary to recognize aspects of our regional performance. (see attached)

MISSION

To provide outstanding customer service to our school districts in four areas: special education, technology, school improvement, and administrative services. IMESD strives to ensure the success of every child by providing equitable services to close the opportunity gap.
