I, **Kristina Collyer**, agree strongly, agree, disagree, disagree strongly with the above nomination for the LPS Golden Apple Award.

Additional comments: Tara Hillary is part of our Cooper Family. She has been an important asset to Cooper for many years. Tara currently has no students at Cooper but she still calls Cooper home by volunteering her time almost every day in our Library Media Center and Maker Space. She has donated her time and talents to the creations and opening of the Maker Space. Throughout the years, she has donated hundreds of hours and her personal time to help our students, staff and parents. She currently serves as a Battle of the Books "Manager" by running copies, organizing treat bags, ordering and organizing materials, all so our event can run smoothly. Tara is a selfless leader at Cooper. She is warm, kind and supportive. Her friendly and positive personality brightens the room. We are extremely lucky to have her as part of our Cooper family and we can't thank her enough for all of the hours, money and energy that she has dedicated to Cooper.
