From: Manuel Reyes III, Transportation Director

Re: Southwest Texas Jr. College Diesel Mechanic Coop Students

Date: 03-10-2017

I was contacted by Victor Caballero, Diesel Mechanic Instructor for Southwest Texas Jr. College to inform me that three (3) students are interested in working in the Transportation Vehicle Mechanic Shop to complete their on the job training hours needed to graduate as Diesel Mechanics. The following information is the contract the between Southwest Texas Jr. College and Eagle Pass ISD along with the names of the students that wish to work for this department and signed by the Diesel Mechanic Instructor Victor Caballero.

Can you please review these contracts and have the appropriate personnel place this item on the agenda for the next Eagle Pass ISD School Board Meeting and seek approval for these students to receive their on the job training as Diesel Mechanics. This will be the 3rd year these students will be working to complete their diesel mechanic on the job training hours.

Last year we also had three (3) students working to complete their on the job training hours in our Vehicle Mechanic Shop.

If you have any questions feel free to contact me at the following:
