Susie Biller, Office Manager

Dear Parents,

The Mustangs are on the backstretch heading to the finish line but before we make the final turn, we have some exciting things going on here at Hidden Valley. In April we will have our student led conferences which has been a huge success and has generated a lot of positives with our students, teachers and families that are in attendance. Conferences will be April 24-25-26 and your son/daughter will set up a time with their advisor to present. Student Led Conferences are for freshmen, sophomores and juniors only. The booster club auction held in March was a huge success with over 225 guests in attendance and 175 items for auction. Many thanks go out to all the individuals that made it a successful auction. This year we have changed from senior superstars to class olympics which will involve all Hidden Valley students. This event will happen on May 23, 2019 at 6pm. More information will be available on our website in May.

Mustang families we have a lot upcoming activities that might interest you.

April 5 Best of the Best Art Show @ Southern Oregon University 4pm-7pm
