Re: High School Principal Report Nov 2021

Greetings from HHS!

I am excited to say that we are officially in November! With that we are once again looking forward to the Holiday seasons and time with family. As Thanksgiving time approaches it is critical to the academic success of our students that they stay on top of their studies and have all work turned in so that time spent with family and friends over break can be truly enjoyed. With Thanksgiving break this month it leaves us with only five weeks left in the 2nd quarter so we must make the most of each and every day we have.

The PBIS theme of the month for November is “Safe”. Teachers and staff will be identifying students throughout the month that are demonstrating characteristics of being Safe while here at school. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams. We encourage everyone to continue to promote the ideas of being Respectful, Responsible, Safe, and having a Positive Attitude throughout the year.

Thank you for your continued support of Homedale High School!
