

**TOWN OF HORIZON CITY
MEMORANDUM**

Date: February 7, 2025

To: Honorable Mayor and Members of City Council

From: Teresa Quezada, CIP Manager *T. Quezada*

SUBJECT: **Discussion and Action: On a Resolution authorizing the Mayor to sign the First Amendment to the Interlocal Agreement with the Camino Real Regional Mobility Authority to supplement the services of the Authority to procure and manage construction of the project - Rodman Street Shared Use Path (SUP)**

The attached resolution authorizes the Mayor to sign the first amendment to the interlocal agreement (ILA) with the Camino Real Regional Mobility Authority (CRRMA) for the construction phase of Rodman Street Shared Use Path.

In August 2023, Council authorized the initial Interlocal agreement with the CRRMA which allowed the CRRMA to design the project on behalf of the Town.

This project is funded through the Transportation Alternatives Set-Aside (TASA) program which funds transportation projects that address the needs of all transportation system users such as cyclists and pedestrians. Now that design is complete, the Town and the CRRMA have coordinated for the CRRMA to utilize its approved procurement processes to advertise the construction project. Following TXDOT processes, the CRRMA will enter into an Advance Funding Agreement (AFA) with TXDOT to have access and draw down the construction phase funding for the project.

This amendment adds **\$188,948.60** to the original ILA for a total of **\$454,846.51**. The additional amount represents the Town's 20% share of the construction phase of the project. Funding for this amount is available through the 2023 Certificates of Obligation.

Staff recommends approval.
