11 th grade	8	0
12 th grade	7	0
Total High School	28	0
Total in district	69	17

Two students have completed all class work early (at BEA) and have been graduated. One is planning to participate in graduation. We have another senior that will be participating in the graduation ceremony but has elected to remain in school. He will be eligible until he turns 22.

We will be completing and entering indicator 7 for early childhood in the State Performance Plan before the end of the month.

A representative from Department of Assistive and Rehabilitative Services (DARS) visited with parents and seniors on May 1 and shared ways they can assist.

Our state testing including TAKS Alt is completed with the exception of students that must retake tests due to SSI.

Planning for Extended Year Services(ESY) is complete and will have 3 sessions through June, July and early August which will help students maintain their skills and be less likely to regress. We will serve 4 students through these session.

The new Special Education bus is in use and it is wonderful ☺

Respectfully,
Melanie Jones
