The Maintenance Department requests approval for the purchase of the following Mower. 2022 Jacobsen Mower HR800. Maintenance will be replacing a 2011 mower that after 7 years parts become obsolete. We have contacted multiple companies to purchase a mower and they are two years out with an order. RMT Equipment does have this mower on their lot and will hold it for Weber School District. The price of this mower is \$105,000.00. This will be funded by the Maintenance and Operations Budget.
