Agenda Item Summary

Meeting Date: April 20, 2026

Agenda Section: Consent

Agenda Item Title: 2026 - 2027 Bluebonnet Math (Carnegie Learning) Online Student Resource

From: Dr. Jennifer Gutierrez, Deputy Superintendent

Additional Presenters if Applicable: JennyLee Taylor, Director of Secondary Schools

Description: The state developed curriculum, Bluebonnet Learning Math, is a high quality tier one instructional resource that provides teachers with the tools to foster student success. Developed using the latest cognitive science, Bluebonnet Learning instructional materials cover 100% of the Texas Essential Knowledge and Skills (TEKS) and provide a full suite of resources including scope and sequence, daily lesson plans, and student materials. All Bluebonnet Learning instructional materials are designed to be high-quality, suitable, and grade-level appropriate.

This SBOE-approved, TEKS-aligned program for grades 6-8, Algebra I, Algebra II, and Geometry, helps students embrace productive struggle and build deeper understanding. Historical Data: SSAISD is currently using the approved TEA HQIM for tier one instruction. We are seeing progress in student achievement since implementation in August. We feel like this added component will strengthen student growth.

Recommendation: SSAISD administration strongly recommends that the Board of Managers approve the continuation of the Bluebonnet Learning Math Resources for grades 6-8, Algebra I, Algebra II and Geometry for the 2026-2027 school year.

Purchasing Director and Approval Date:

Funding Budget Code and Amount: \$63,018.00 IMA funds

Goal 1: SSAISD will increase academic achievement for all students and thus close the gap between student populations in pursuit of advanced performance and post-secondary educational or career paths.
