May 2018 Board Report

Curriculum and Campus Updates

This month, we will start by wrapping up our unit on shadows! Then we will continue to talk about reflections, positions of objects, and objects in motion. Our goal is to independently produce rhyming words and continue to practice writing conventions. Towards the end of the school year, we will move onto our unit of oceans! We will discuss what oceans are and what animals live in the ocean, also being able to identify oceans on a globe. Using paint bags and sand trays, we will solidify our writing conventions to be fully prepared for kindergarten. Our third round of progress monitoring will take place to show students' progress throughout the year. To finalize the school year, we will review all of the valuable and intrinsic information we will take into our new school year as a kindergartener! May is going to fly by, so don't forget about all of our fun events including: a craft visit to Town Hall Estates, Transition Day to HES, Field Day, and more! Each student has grown so much individually and we are so proud of all their efforts and accomplishments. Congratulations on a successful Pre-K school year!

Upcoming Events

- May 3rd: Town Hall Estates 10:00 a.m.
- May 4th: Town Hall Estates 10:00 a.m.
- May 7th: EOY Progress Monitoring Begins
