A Message from Mr. Regal

Welcome Back Evergreen Families,

Hopefully everyone had a "FANTASTIC" spring break! I am optimistic that "OUR" students are ready to finish up the school year on a positive note; academically, behaviorally, and socially. We have just over 2 months left before summer is here and still have a lot of learning to cover during this time. Our teachers have been working hard in grade level teams to provide your students with quality education based on their individual needs. They have been looking at student data from various assessments to best serve your child/children and create engaging lesson plans for them. Our staff continues to amaze me with all the hard work they put in on a daily basis to best address the needs of every individual.

Spring time is a very busy time here at Evergreen and I just wanted to remind parents that if you are planning on volunteering at school or going on a field trip with your child's class, you must fill out the appropriate paperwork in the office with Molly Kitchens at least a week before you plan on volunteering. **If you have any questions regarding volunteering at Evergreen, please contact Molly Kitchens at 541-592-3136.....**

Parents, please remember if your afterschool plans change for your child/children, the office staff would appreciate a note be brought into the office by you or your student prior to school. It is very busy here in the afternoon when students are leaving and it is difficult to call and check on afterschool plans for students. We realize that emergencies arise and we will have to make last minute changes, but if you know ahead of time that your child is deviating from their regular afterschool plan, PLEASE SEND A NOTE. Thanks for assistance in this matter.....

Let's continue to have a great school year and finish strong these last couple of months.....

Thanks for your support,

David Regal
